Re: Employee Retirement Income Security Act of 1974 (ERISA)
Insurance Information Schedule A (Form 5500)

Unum's policy is to fully disclose and report all compensation associated with the insurance plans we offer in accordance with our internal guidelines and with all applicable regulations. We are pleased to certify the reported Schedule A data with respect to the filing of an ERISA Form 5500 Annual Report.

This information is forwarded to you in the event your company has determined it is required to make this filing. Unum does not take any position or provide any advice on ERISA's applicability to any of your company's benefit plans.

The enclosed Primary Schedule A data is reported by the insuring company and includes all Base Commissions, Supplemental Compensation and Fees paid to a broker/entity for this policy issued by the insuring company during the plan year as reported through Unum's commission systems. If no plan year has been specified in our records the information is for the period reported on the form.

Base Commissions are a fixed percentage of the policy premium, and may include a one time flat amount. If no compensation has been paid, this figure will be zero (.00). If Base Commission is reported, it will be reflected under the Sales Commissions Paid column.

Supplemental Compensation, other than Base Commissions, may be received by a broker/entity for this policy. If no Supplemental Compensation has been paid, this figure will be zero (.00). If Supplemental Compensation is reported, it will be reflected under the Additional Compensation Paid column.

In some instances a broker/entity may receive a Fee for services provided to the policyholder. If no Fee has been paid, this figure will be zero (.00). If a fee is reported, it will be reflected under the Fees Paid column.
