Trustees
Oliver DeSilva Group Health Care Plan
11555 Dublin Blvd.
Dublin, CA 94568

We have audited the financial statements of Oliver DeSilva Group Health Care Plan for the year ended December 31, 2009, and have issued our report thereon dated May 21, 2010. Professional standards require that we provide you with the following information related to our audit.

Our Responsibility under U.S. Generally Accepted Auditing Standards

As stated in our engagement letter dated April 14, 2010, our responsibility, as described by professional standards, is to express an opinion about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit for the financial statements does not relieve you or management of your responsibilities.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by Oliver DeSilva Group Health Care Plan are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2009. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. There are no significant transactions that have been recognized in the financial statements in a different period than when the transaction occurred.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements is management's estimate of the investment values.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated May 21, 2010.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principles to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the Trustees and management of Oliver DeSilva Group Health Care Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Mastro & Associates

INDEPENDENT AUDITORS' REPORT

To the Trustees
Oliver DeSilva Group Health Care Plan
Dublin, California

We have audited the accompanying statement of net assets available for benefits – cash basis of the Oliver DeSilva Group Health Care Plan (the Plan) as of December 31, 2009 and 2008, and the related statement of changes in net assets available for benefits – cash basis for the years ended December 31, 2009 and 2008. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we planned and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 1, these financial statements were prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting standards generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2009 and 2008 and the changes in net assets available for benefits for the years ended December 31, 2009 and 2008 on the basis of accounting as described in Note 1.

OLIVER DeSILVA
GROUP HEALTH CARE PLAN
Notes to Financial Statements – Cash Basis
December 31, 2009 and 2008

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Oliver DeSilva Group Health Care Plan (the Plan) prepares its financial statements on the basis of cash receipts and disbursements; whereby, contributions are recorded when received rather than when earned, and benefits and administrative expenses are recognized when paid rather than when the obligation is incurred. Consequently, contributions receivable, benefits payable, prepaid expenses and certain accrued expenses at December 31, 2009 and 2008 are not included in the financial statements.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Income Tax Status

The Plan has not applied for a determination letter from the Internal Revenue Service or the California Franchise Tax Board for tax exempt status, therefore, the Plan is subject to income taxes. Any income taxes attributable to the Plan are paid by the Plan's sponsor, Oliver DeSilva, Inc.

2. DESCRIPTION OF THE PLAN

The following description of the plan provides only general information. Participants should refer to the Plan documents for a more complete description of its provisions.

The Plan is a part of the Oliver DeSilva Employee Benefits Program and is subject to the provisions of the Employee Retirement Income Security Act of 1974 and subsequent amendments (ERISA). The Plan pays for specified medical, dental and vision care expenses considered necessary to the well being of covered persons.

The Plan's assets are maintained in a trust fund administered by HealthComp Administrators, Inc. (the Contract Administrator), executed under a trust agreement dated January 1, 1992. Benefit payments are processed and administered by the Contract Administrator, who receives a fee for these services from the Plan. Insurance premiums are paid directly by the Employer to the applicable insurance carrier or benefit provider.

2. DESCRIPTION OF THE PLAN, continued

Contributions

The Employer contributes for employees who are participants in the Plan and their eligible dependents at a rate that is sufficient to pay reported benefits when due. Participant contributions are limited to those amounts required to be paid by persons electing coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA).

Eligibility

All full-time, non-union employees of the employer or certain other affiliated companies become eligible for participation in the Plan on the first day of the month coinciding with or following the first day of full-time employment. Participants may elect to cover their spouse, domestic partner, and unmarried children under nineteen years of age, unmarried children who are full-time students under twenty-four years of age, and unmarried handicapped children who are dependent upon the participant for support and maintenance. Participation ends at the earliest of Plan termination, the date the covered person is no longer in an eligible class, or the end of the month in which an employee terminates employment. Covered persons who are terminated or become ineligible may elect continuation of coverage in compliance with COBRA.

Benefits

Payment of Employer-funded benefits is based on predetermined amounts and percentages as specified by the Plan. Generally, under such coverage option, the Plan pays for 90% (80% for non-Preferred Provider Organization "PPO" expenses) of eligible medical expenses after giving effect to a $100 deductible per covered person (maximum of $200 per family) per calendar year. Additional deductibles apply when pre-hospitalization, surgical and outpatient review guidelines are not followed. When $2,000 per covered person ($4,000 per family) of eligible medical expenses under the Plan has been reimbursed at 90% (80% for non-PPO expenses), the Plan will pay 100% of eligible medical expenses for the remainder of the calendar year for that person.

2. DESCRIPTION OF THE PLAN, continued

Benefits, continued

The maximum benefit available to any one individual under the Plan is limited to $2,000,000. Expenses incurred in excess of $90,000 per participant per Plan year are covered by specific excess reinsurance. In addition, the Employer carries aggregate excess reinsurance coverage to provide reimbursement to the Plan when the group's claims exceed the annual aggregate deductible amount for the Plan year.

The Plan pays for various percentages of dental costs based on the type of charge after giving effect to a $25 deductible per covered person (maximum of $75 per family) per calendar year. There is also a maximum benefit per covered person per calendar year of $1,500.

The Plan also pays for certain vision care supplies and services subject to maximum benefit and frequency limitations.

At December 31, 2009 and 2008, there was approximately $120,000 and $215,000, respectively in outstanding benefit obligations, which had not yet been paid by the Plan. These obligations were scheduled to be paid in 2010 and 2009, respectively.

3. PLAN TERMINATION

While it has not expressed any intention to do so, the Employer has the right to discontinue contributions at any time and to terminate the Plan, subject to provisions set forth in ERISA.

In the event the Plan terminates, reasonable notice of such discontinuance shall be given to all participants as to the date that benefits and contributions shall cease. The rights of participants to benefits will be limited to eligible health and welfare costs incurred up to the date of termination.

Benefits for totally disable participants will continue up to a maximum of six months following the date the Plan terminates. However, these benefits are limited to costs connected with, or attributed to, the illness or injury, which caused the total disability.
