Riata Management LLC 401(k) Plan
Oklahoma City, Oklahoma

We were engaged to audit the accompanying statements of net assets available for plan benefits of Riata Management LLC 401(k) Plan (the "Plan") as of December 31, 2009, the related statement of changes in net assets available for plan benefits, and the supplemental schedule of assets held at December 31, 2009. The 2008 statement of net assets available for plan benefits of the Plan was compiled by us in accordance with the Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. A compilation is limited to presenting in the form of financial statements information that is the representation of management. We have not audited or reviewed the 2008 statement of net assets available for plan benefits and, accordingly, do not express an opinion or any other form of assurance on it. These financial statements are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the investments and investment income of the Plan, which were certified by John Hancock USA (the "trustee"), except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee that the information provided to the plan administrator by the trustee is complete and accurate.

As described in the summary of significant accounting policies, these financial statements are prepared using the modified-cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

RIATA MANAGEMENT LLC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2009

DESCRIPTION OF PLAN

The following description of the Riata Management LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan, sponsored by Riata Management LLC (the "Sponsor" or "Company"), is a multiple employer defined contribution 401(k) plan covering substantially all employees of the Company, regardless of age or length of service. The Plan includes the following adopting (related) employers:

Riata Management, LLC
Longfellow Energy, LP
Viking Drilling, LLC
TransAtlantic Petroleum Corporation
Integra Wind Services, LLC
Medoil Supply, LLC
Nexgas Services, LLC

Effective December 31, 2009, the Longfellow Ranch Partners, LP 401(k) Plan ("LRP"), a related party employer, merged into the Plan. Adopting employers of the LRP plan include:

Longfellow Ranch Partners, LP
Stockton Entertainment, LLC
Stockton Plaza, LP

Therefore, these financial statements include the net assets of LRP. Net assets transferred into the Plan are included in investments on the statement of net assets available for plan benefits and included in transfer of assets to plan on the statement of changes in net assets available for plan benefits and amounted to $183,950 as of and for the year ended December 31, 2009.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan originally began on January 1, 2007.

DESCRIPTION OF PLAN (Continued)

Contributions

Participants may elect to contribute a percentage of their eligible compensation subject to annual limitations established by the Internal Revenue Service (IRS). The Company made matching contributions equal to 50% of employee contributions for the year ended December 31, 2009. This matching percentage is subject to change.

Excess contributions above IRS limitations must be refunded. The amount to be returned to the respective employees and Company may be impacted by investment earnings and losses. The Company distributed $48,009 and $103,236 in excess contributions relating to the plan years ended December 31, 2009 and 2008, respectively.

The Company may also elect to make profit sharing contributions (non-elective contributions) equaling an amount established by management on an annual basis. No profit sharing contribution for the 2009 plan year will be made.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution, if any, (b) the Company's profit sharing contribution, if any, (c) Plan earnings or losses, and (d) charged with an allocation of administration expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account balance.

Investment Options

Plan participants have the opportunity to direct the investment decisions relating to the assets in their individual account balance. Currently, the plan offers several investment choices. Participants may change their investment options for future contributions at any time.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants are vested in the employer matching contributions, non-elective contributions and related investment earnings based on years of continuous service. The Plan utilizes the following vesting schedule:

Years of service	Vested %
Less than 1	0
1	33
2	66
3 or more	100

DESCRIPTION OF PLAN (Continued)

Forfeitures

A non-vested amount remaining in a participant account of a terminated employee after distribution of his or her vested account balance is defined as a forfeiture. Forfeitures derived may be used to pay for administrative expenses or may be deducted from future employer matching contributions. Outstanding forfeitures amounted to $16,627 and $1,830 at December 31, 2009 and 2008, respectively.

Payment of Benefits

Vested account balances can be distributed by transferring the balance to a different trustee (i.e., rollover) or lump-sum distribution. On termination of services due to death, disability, or retirement, a participant automatically becomes 100% vested in his or her account balance.

Participant Loans

Participant loans are not allowed under the provisions of the Plan.

Hardship Withdrawals

Hardship withdrawals are allowed from employee pre-tax contributions and rollover contributions only for immediate and heavy financial needs.

Administrative Fees

The participants share administrative costs with the company. The Plan's portions of administrative expenses amounted to $16,183 for the year ended December 31, 2009.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared under the modified-cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. This basis differs from generally accepted accounting principles primarily because forfeitures and excess contributions are recognized when paid rather than when the obligations are incurred.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Realized and unrealized gains and losses are reported as increases or decreases in the statement of changes in net assets available for plan benefits.

Payment of Benefits and Receipt of Contributions

Benefits paid to participants are recorded upon the execution of a proper distribution request. Contributions are recorded on the accrual basis of accounting.

Plan Termination

Although the Sponsor has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will automatically become 100% vested in their accounts.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for plan benefits.

RECONCILIATION TO FORM 5500

The following is a reconciliation of the change in net assets available for plan benefits per the financial statements to Schedule H of Form 5500:

Net increase in net assets available for plan benefits per the financial statements	$ 1,476,410
Less: transfer of assets to the plan	(183,950)
Net income per Schedule H of Form 5500	$ 1,292,460

INVESTMENTS

The Plan's investments are held in an administered trust fund. Listed below are investments that represent 5% or more of net assets available for Plan benefits at December 31, 2009:

Investments	Market Value
Lifestyle Aggressive	$ 217,154
Lifestyle Growth	612,940
Lifestyle Balanced	583,808
Vanguard Energy	214,823
John Hancock Stable Value	203,316

TAX STATUS

In November 2009, the Plan executed an adoption agreement under the Actuaries & Associates Prototype Plan. The IRS issued an opinion letter in 2008 in which the IRS stated that the plan document was acceptable for use by employers for the benefit of their employees and the employer may rely on the opinion letter with respect to the qualification of the plan. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

SUBSEQUENT EVENTS

The Company evaluated events that occurred after the statement of net assets available for plan benefit date through July 21, 2010, the date these financial statements were issued, and no subsequent events that met recognition or disclosure criteria were identified.
