INDEPENDENT AUDITORS' REPORT

To the Milliken Benefits Administration Committee of and
Participants in The Milliken Savings and Supplemental
Retirement Plan:

We have audited the accompanying statements of net assets available for benefits of The Milliken Savings and Supplemental Retirement Plan (the "Plan") as of May 1, 2009 (date of Plan merger) and December 31, 2008, and the related statements of changes in net assets available for benefits for the period from January 1, 2009 through May 1, 2009, and for the year ended December 31, 2008. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, such financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of May 1, 2009 and December 31, 2008, and the changes in net assets available for benefits for the period from January 1, 2009 through May 1, 2009, and for the year ended December 31, 2008, in conformity with accounting principles generally accepted in the United States of America.

As discussed in Note 1 to the financial statements, the Plan was merged into The Milliken Retirement Plan effective May 1, 2009.

THE MILLIKEN SAVINGS AND SUPPLEMENTAL RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF MAY 1, 2009 (DATE OF PLAN MERGER) AND DECEMBER 31, 2008, AND FOR THE
PERIOD FROM JANUARY 1, 2009 THROUGH MAY 1, 2009, AND FOR THE YEAR ENDED
DECEMBER 31, 2008

1. DESCRIPTION OF THE PLAN

The following description of The Milliken Savings and Supplemental Retirement Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General — The Plan was a defined contribution retirement plan covering management associates of Milliken & Company, its participating domestic subsidiaries, and certain affiliated companies (collectively, the “Company”). Effective December 31, 1989, the Plan was frozen, contributions to the Plan were suspended, and all members’ balances became 100% vested. The Company intended that the Plan would be maintained in order to provide for the accumulated benefits earned by its members. All active management associates who were active members of the Plan on December 31, 1989, became participants in The Milliken Retirement Plan on January 1, 1990.

Effective May 1, 2009, the Plan was merged into The Milliken Retirement Plan.

The Milliken Benefits Administration Committee appointed by the board of directors of the Company controlled and managed the operation and administration of the Plan. T. Rowe Price Trust Company (the “Trustee”) served as the trustee of the Plan. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974.

Contributions — As discussed above, contributions were suspended.

Participant Accounts — Individual accounts were maintained for each Plan participant. Each participant’s account was credited with an allocation of Plan earnings, and charged with withdrawals and allocations of Plan losses and administrative expenses. Allocations were based on participant earnings or account balances, as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant’s vested account.

Investments — Participants directed the investment of their contributions into various investment options offered by the Plan. The Plan offered five common collective trust funds, three mutual funds, and a commingled fund as investment options for participants.

Vesting — As discussed above, participants were fully vested in their accounts.

Payment of Benefits — Upon termination of service due to death, disability, or retirement, a participant could elect to receive either a lump-sum amount equal to the value of the participant’s vested interest in his or her account, a specific amount, or installments that could be paid monthly, quarterly, semiannually, or annually. For termination of service for other reasons, a participant could receive the value of the vested interest in his or her account as a lump-sum. Company contributions (except for death, disability, or retirement) were payable when the participant reached his or her early retirement age. Any amount payable under the Plan was settled by the payment of one lump-sum if the participant’s account had a balance of less than \$1,000.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting — The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates — The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties — The Plan utilized various investment instruments. Investment securities, in general, were exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it was reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition — The Plan's investment in The Milliken Master Trust (the "Master Trust") is presented at fair value, which has been determined based on the fair value of the underlying investments of the Master Trust. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Common collective trust funds and commingled funds are stated at fair value as determined by the issues of the common collective trust funds and commingled funds based on the fair market value of the underlying investments.

Purchases and sales of securities within the Master Trust were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date.

Management fees and operating expenses charged to the Plan for investments in the common collective trust funds and the mutual fund were deducted from income earned on a daily basis and were not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Payment of Benefits — Benefit payments to participants were recorded upon distribution.

Administrative Expenses — Administrative expenses of the Plan were paid by the Plan or the Company, as provided in the Plan document.

3. FAIR VALUE MEASUREMENTS

In accordance with Financial Accounting Standards Board Statement No. 157, *Fair Value Measurements*, the Plan classifies its investments into Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets and liabilities are classified in their

entirety based on the lowest level of input that is significant to the fair value measurement. A summary of the Plan's investments, set forth by level within the fair value hierarchy, and measured at fair value on a recurring basis at December 31, 2008, is as follows.

	Master Trust Assets Fair Value Measurements			Total
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
Mutual funds	\$90,258,204	\$ -	\$ -	\$ 90,258,204
Commingled fund	-	225,783,540	-	225,783,540
Common collective trust funds	-	609,676,239	-	609,676,239
Total Master Trust	<u>\$90,258,204</u>	<u>\$835,459,779</u>	<u>\$ -</u>	<u>\$925,717,983</u>

4. INTEREST IN THE MASTER TRUST

The Plan's investment assets were held in a trust account by the Trustee and consisted of an undivided interest in an investment account of the Master Trust, a master trust established by the Company and administered by the Trustee. Use of the Master Trust permitted the commingling of trust assets with the assets of other plans sponsored by the Company for investment and administrative purposes. Although assets of these plans were commingled in the Master Trust, the Trustee maintained supporting records for the purpose of allocating the net gain or loss of the investment account to the participating plans. The net investment income (loss) of the investment assets was allocated by the Trustee to each participating plan based on the relationship of the interest of each plan to the total of the interests of the participating plans. The Plan's interest in the Master Trust as of December 31, 2008, was \$189,516,917, which represented a 20.5% interest in the Master Trust.

The net assets of the Master Trust at December 31, 2008, are summarized as follows:

Investments — at fair value as determined by quoted market price:	
Mutual funds	\$ 90,258,204
Commingled fund — common stocks	<u>225,783,540</u>
Total investments — at fair value as determined by quoted market price	316,041,744
Investments — at estimated fair value — common collective trust funds	<u>609,676,239</u>
Total investments	925,717,983
Accrued investment income	<u>223,022</u>
Total net assets	<u>\$925,941,005</u>

The net investment income (loss) of the Master Trust for the period from January 1, 2009 through May 1, 2009, and for the year ended December 31, 2008, is summarized as follows:

	2009	2008
Dividend and interest income	<u>\$ 578,152</u>	<u>\$ 8,427,301</u>
Net (depreciation) appreciation in fair value of investments whose fair value was determined by quoted market price:		
Mutual funds	(389,510)	(65,235,493)
Commingled fund — common stocks	<u>4,224,848</u>	<u>(148,094,434)</u>
	3,835,338	(213,329,927)
Net depreciation in fair value of investments whose fair value was estimated — common collective trust funds	<u>(1,053,722)</u>	<u>(66,539,247)</u>
Total net appreciation (depreciation) in fair value of investments	<u>2,781,616</u>	<u>(279,869,174)</u>
Net investment income (loss) of the Master Trust	<u>\$ 3,359,768</u>	<u>\$ (271,441,873)</u>

5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were shares of mutual funds and units of common collective trust funds and a commingled fund managed by the Trustee. These transactions qualified as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

6. FEDERAL INCOME TAX STATUS

The Plan obtained its latest determination letter on July 11, 2003, in which the Internal Revenue Service (“IRS”) stated that the Plan, as then designed, was in compliance with the applicable regulations of the Internal Revenue Code (“IRC”). The Plan had been amended since receiving the determination letter. A determination letter application is currently pending before the IRS. The Company and Plan management believe that the Plan was designed and operated in compliance with the applicable requirements of the IRC and the Plan and related trust were tax-exempt. Therefore, no provision for income taxes has been included in the Plan’s financial statements.
