Independent Auditors' Report

To the Trustees
Beldon Roofing & Remodeling Co.
Occupational Injury Plan
San Antonio, Texas

We have audited the accompanying statements of benefit obligations and net assets available for benefits of Beldon Roofing & Remodeling Co. Occupational Injury Plan (the "Plan") as of August 31, 2010, and 2009, and the related statement of changes in benefit obligations and net assets available for benefits for the year ended August 31, 2010. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of Beldon Roofing & Remodeling Co. Occupational Injury Plan as of August 31, 2010, and 2009 and the changes in its financial status for the year ended August 31, 2010, in conformity with accounting principles generally accepted in the United States of America.

Beldon Roofing & Remodeling Co.
Occupational Injury Plan

Notes to Financial Statements

1. Description of Plan

The following description of Beldon Roofing & Remodeling Co. Occupational Injury Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan provides benefits covering employees of participating corporations who are members of the company's controlled group of corporations (collectively, the "Company"). Covered employees are those who have signed an Election of Benefits, Release, Waiver, and Indemnity Arbitration Agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Employees are eligible on the first day of employment.

Plan Benefits

The Plan provides for the payment of health, short- and long-term disability, accidental death and dismemberment, and life insurance premiums for covered employees. Once a work-related injury has occurred, the Plan provides for the reimbursement of any insurance co-pays, premiums, or other expenses incurred by the employee to treat the injury.

Medical Benefits

An employee who is injured in an on-the-job injury will be provided medical coverage at no cost to the participant. In addition, the Plan provides optional medical coverage for employees and their dependents. Employees are responsible for the premiums related to this coverage.

Effective March 31, 2010 the Plan elected to self-insure all health claims.

Short- and Long-Term Disability

An employee who is disabled as the result of an on-the-job injury will receive short-term disability benefits equal to 80% of current weekly wages, based on 40 hours, up to a maximum of $750 per week for a period up to 52 weeks. If an employee is not able to work for greater than 365 days, the Plan will pay the employee a monthly benefit until such time the employee turns 65 years old or has returned to work. The monthly benefit shall be 75% of the employee's wages, up to a maximum of $5,000 per month.

1. Description of Plan (continued)

Death and Dismemberment

If an employee is killed in an on-the-job accident, the Plan will pay the employee's beneficiaries $300,000. The payments will be made in two equal installments. The first $150,000 will be paid within a reasonable time after the employee's death. The second installment of $150,000 will be paid on the first anniversary of the death. In addition, a life insurance benefit of $65,000 will be paid. A portion of this payment is made in the event of dismemberment.

Contributions

The Plan agreement provides that the participating corporations make contributions on behalf of their covered employees in amounts sufficient to permit the Plan to remit premium payments to independent disability and life insurers. Payments from the Plan consist of the payment of benefits to eligible employees by the insurers, at such time and in such manner as set forth in the insurance policies, in accordance with the terms of the Plan. In addition to the above corporate employer contributions, the participating corporate employers pay from their general assets amounts sufficient to cover health claims and an eligible employee's initial 52-week short-term disability and for amounts not paid by the Plan's insurers.

Expenses of the Plan

Plan fees and expenses, including fees and expenses connected with providing administrative services by external service providers, are paid from Plan assets.

Subsequent Events

The Plan has evaluated subsequent events that occurred after August 31, 2010 through the date of this report on June 14, 2011. Any material subsequent events that occurred during this time have been properly recognized or disclosed in the financial statements.

2. Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets; liabilities; benefit obligations and changes therein; claims incurred, but not reported; claims payable; and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Claims Incurred, But Not Reported

Claims incurred, but not reported represent future benefits that are attributed to employee service rendered or to health and work related injuries that occurred before August 31 of each year. The liability is estimated using historical data supplied by the Plan's administrator. The liability for short- and long-term disability payments is estimated based on the employee's salary at the time of injury, the number of years the employee has before reaching age 65, and the estimated amount of disability insurance to be collected by the Plan administrator. These amounts are discounted over the estimated time period the payments will occur. The Plan's trustees believe the liability for claims incurred, but not reported is adequate to cover the ultimate claims, but there can be no assurance the ultimate liabilities will not exceed such estimates. Any liabilities in excess of assets will be covered by future employer contributions from participating companies. These amounts have been recorded as a receivable in the accompanying financial statements.

The significant assumptions used in the long-term disability estimate as of August 31, 2010 and 2009 were a) assumed retirement age was 65 and b) a 7% discount rate.

Payment of Benefits

Benefits are recorded when paid.

Stop-Loss Policy

The Plan is covered under an aggregate and specific excess reinsurance policy. This policy pays 100% of the claims in excess of $100,000 per person, per year, up to a maximum amount of $1,000,000 per person, per lifetime and an aggregate annual deductible, which is equal to the sum of the number of covered billing units each month times an applicable factor.

Recent Accounting Pronouncements

Codification of Accounting Standards

In June 2009, the Financial Accounting Standards Board ("FASB") issued the Accounting Standards Codification ("ASC"), which establishes the ASC as the single source of authoritative accounting principles recognized by FASB to be applied by nongovernmental entities in the preparation of financial

statements in conformity with GAAP. The subsequent issuances of new standards will be in the form of Accounting Standards Updates that will be included in the codification. This guidance is effective for financial statements issued for interim and annual periods ending after September 15, 2009. The Plan updated its historical GAAP references to comply with the codification for its years ended August 31, 2010 and 2009. The adoption of this guidance did not have a material effect on the Plan's net assets and changes therein, since the codification is not intended to change GAAP.

Accounting for Uncertainty in Income Taxes

FASB clarified the accounting for uncertainty in income taxes recognized in an enterprise's financial statements in *Income Taxes – Overall* of the ASC. The new provisions for accounting for the uncertainty in income taxes prescribe a recognition threshold and measurement attributes for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. They also provide guidance on derecognition of tax benefits, classification on the balance sheet, interest and penalties, accounting in interim periods, disclosure, and transition.

The new provisions for the accounting for the uncertainty in income taxes provided for a deferral of the effective date of implementation for certain nonpublic enterprises to annual financial statements for fiscal years beginning after December 15, 2008. The Plan elected this deferral and, accordingly, has adopted the new provisions as of September 1, 2009. The adoption of the new provisions for accounting for the uncertainty in income taxes did not have a material impact on the Plan's net assets and changes therein.

3. Tax Status

The Internal Revenue Service has determined and informed the Company, by a letter dated June 28, 1994, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (the "IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. With few exceptions, the Plan is no longer subject to United States federal or state income tax examinations by tax authorities for years before 2006.

4. Benefit Obligations

The Plan sponsor funds the Plan with monthly contributions, plus employee insurance premiums and expense reimbursements. In the event of a Plan deficit, the Plan sponsor intends to make sufficient contributions to fund benefits as they become payable.

The following tables present the components of the Plan's benefit obligations and the related changes in the Plan's benefit obligation as of and for the years ended August 31, 2010 and 2009.

Benefit Obligations

	August 31, **2010**	2009
Total benefit obligations	**$ 292,534**	$ 370,728

Changes in Benefit Obligations

	Years Ended August 31, **2010**	2009
Benefit obligations – beginning of year	**$ 370,728**	$ 103,745
Benefits earned	**2,098,749**	2,862,385
Claims and insurance premiums paid	**(2,176,943)**	(2,595,402)
Benefit obligation – end of year	**$ 292,534**	$ 370,728

5. Risks and Uncertainties

The benefit obligations are reported based on certain assumptions, which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible changes in estimates and assumptions in the near term would be material to the financial statements.

6. Plan Termination

Although it has not expressed an intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, the assets then remaining shall be subject to the applicable provisions of the Plan then in effect and shall be used, until exhausted, to pay benefits to employees in order of their entitlement.

7. Transactions with Parties-in-Interest

The Plan sponsor provides to the Plan certain accounting and administrative services for which no fees are charged.

8. Plan Administration

The Plan sponsor has responsibilities for administering the Plan and for the management and control of the assets in the trust.
