**FORM 5500, Part V, Line 10(c).**

Upon discovery of the bond requirement, the Company took immediate steps to obtain a bond for 2000. Based on prior research completed by the Company's authorized representative it is our understanding that the EBSA is primarily concerned with having the bond in place for compliance going forward. A bond in the amount of \$60,000, which at the time represented at least 10% of the value of the plan assets as of December 31, 2008, was issued on December 23, 2009. In connection with the audit of the Plan and the preparation of the Form 5500 filings, using the accrual method of accounting, it was determined that the amount of the bond should be updated. Currently, the bond has been updated to the amount of \$110,000, ensuring at least 10% of the value of the plan assets as of December 31, 2009 is appropriately covered by the policy.
