Independent Auditors' Report

To The Plan Administrator
Curtis C. Gunn, Inc. Employee Medical Plan
San Antonio, Texas

We have audited the accompanying statements of net assets available for benefits (modified cash basis) of the Curtis C. Gunn, Inc. Employee Medical Plan (the "Plan") as of December 31, 2009 and 2008 and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2009. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on the financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 2, these financial statements were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of the Curtis C. Gunn, Inc. Employee Medical Plan as of December 31, 2009 and 2008, and the changes in financial status for the year ended December 31, 2009, on the modified cash basis of accounting.

Curtis C. Gunn, Inc. Employee Medical Plan

Notes to Financial Statements

December 31, 2009 and 2008

1. Description of the Plan

The following description of Curtis C. Gunn, Inc. Employee Medical Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established to provide medical, dental, medical reimbursement, dependent care assistance, long-term disability and life insurance under Internal Revenue Code Section 125 ("Cafeteria Plan") to the employees of Curtis C. Gunn, Inc. and its affiliates (the "Companies" or "Employer"). Eligible employees may become participants after 90 days of continuous full-time service. An employee must work a minimum of 32 hours per week to meet the full-time requirement. The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 ("ERISA").

Benefits

The Plan provides health benefits (medical, hospital, surgical, major medical, and dental) and death benefits to full-time employees of the Companies and to their beneficiaries and covered dependents.

Contributions

The plan agreement provides that the Employer and participants make monthly contributions to the Plan of a specified amount. The contribution rates are determined annually. An employee may contribute specified amounts, determined annually, to extend coverage to eligible dependents of the employee.

From time to time, the Plan may request additional Employer contributions based upon claims experience and other expenses. During 2009, there were no additional Employer contributions received by the Plan to cover claims and expenses.

2. Summary of Accounting Policies

Basis of Accounting

The plan administrator's policy is to prepare financial statements on a modified cash basis of accounting, which differs from accounting principles generally accepted in the United States of America. On the modified cash basis, certain revenues (primarily Employer and participant contributions) are recognized when received rather than when earned. Accordingly, these financial statements are not intended to be presented in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimated amounts.

Income Taxes

The Plan recognizes tax positions only to the extent that the Plan believes it is more-likely-than-not (i.e., greater than 50%) that its tax positions will be sustained upon examination. We have evaluated the Plan's tax position regarding its status of being qualified under the appropriate section of the Internal Revenue Code ("IRC"), and have determined that the Plan does not have any material uncertain tax positions. See Note 3 for further information on the Plan's income tax status.

Subsequent Events

The Plan evaluated the effect subsequent events would have on the financial statements through September 30, 2010, which is the date the financial statements were available to be issued.

3. Tax Status

The trust established under the Plan to hold the Plan's assets is qualified pursuant to Section 501(c)(9) of the IRC, and, accordingly, the trust's net investment income is exempt from income taxes.

The Plan obtained its latest determination letter on December 1, 1994, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and believes that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

4. Plan Termination

Although it has not expressed any intention to do so, the Companies have the right under the Plan to amend and terminate the Plan subject to the provisions set forth in ERISA. In the event of termination, the Company will contribute the necessary amounts to fund all claims incurred prior to the date of termination.

5. Concentration of Credit Risk

The Plan has bank deposits in excess of federally insured amounts. Due to the strong credit rating and strength of the financial institutions, management does not consider there to be any material credit risk related to this concentration.

6. Plan Benefit Obligations

The following tables present the components of the Plan's benefit obligations and the related changes in the Plan's benefit obligations.
