## Note 1 - Description of the Plan

The Jack Mayesh Wholesale Florist, Inc. 401(K) Plan, (the "Plan"), became effective January 1, 1997 for the exclusive benefit of all eligible employees and their beneficiaries.

General
The Plan qualifies as a cash or deferred profit sharing savings plan under § 401(k) of the Internal Revenue Code, (the "Code"). The Plan is designed to provide financial security and future income for participating employees of Mayesh Wholesale Florist, Inc., (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is sponsored by the Company.

Participation
To be eligible to participate in the Plan an employee must be at least 21 years old and have completed one year of service.

Contributions
The Company withholds from each participant's salary, during the period of Plan participation, an amount elected by the participant as a deferral of compensation equal to from one percent to a maximum of thirteen percent of the participant's compensation for the Plan year, provided the contribution does not exceed the limitations set by § 404 of the Internal Revenue Code and by the provisions of the Plan. The elected amount contributed is held in a separate deferred contribution account for each participant.

The Company has amended the Plan effective January 1, 2009 to eliminate all matching contributions and the 3% safe harbor contributions. The Plan does not provide for an "ACP test safe harbor" or "ADP test safe harbor."

Participants may, but are not required to, make voluntary contributions to the Plan as permitted by the Plan Administrator subject to certain limitations. Voluntary participant contributions will be accounted for separately from other contributions. Rollover contributions are also permitted under the Plan.

Vesting
Participants generally become fully vested with respect to Company contributions at the earlier of six years of service, the attainment of age sixty-five (Normal Retirement Age) or on the date the participant incurs a disability or terminates participation in the Plan by reason of death. Participants are always immediately one hundred percent vested in their rollover contributions and amounts of income earned thereon.

**Note 1 - Description of the Plan (continued)**

Allocation of Contributions and Forfeitures
A participant will designate how current deferred contributions, matching Company contributions, voluntary participant contributions and rollover contributions, are to be allocated. Such designation may be in multiples of ten percent each to the various investment options available to participants. The participant may change designations at any time pursuant to procedures established by the Plan Administrator.

A participant that terminates service without vesting, as previously described, forfeits his Company contributions. All forfeitures will be used to reduce contributions of the Company for the Plan year in which the participant loses rights to the forfeited amount held in their account. There were $1,121 of forfeitures for the year ended December 31, 2009.

Payment of Benefits
Generally, a participant's account will be distributed in a lump sum within sixty (60) days following the first valuation date coincident with or after the participant's employment terminates. A participant may elect to have a Plan Administrator distribute benefits in the form of a single premium annuity obtained from an insurance company with value equivalent to the amount accrued in the participant's account. Eligible participants may elect the joint and survivor benefit option which provides for reduced benefits for the life of the participant and from fifty to one hundred percent of such reduced benefit for the life of the surviving spouse.

A beneficiary of a deceased participant will have the same rights of election as participants whose employment terminated for reasons other than death.

Administration
The Plan is administered by delegates appointed by the Company. The delegates' duties include establishing application procedures, determining participants' rights, reviewing information regarding the Plan and its financial status and generally overseeing the Plan's operation.

Employee Loans
Each participant who is employed by the Company is eligible to obtain a loan from the Plan. Two loans may be outstanding at any time for each participant. A participant's loan shall be derived solely from the participant's account in the following order: 1) Deferred contributions and earnings, 2) Voluntary contributions and earnings, 3) Rollover contributions and earnings, and 4) The vested portion of employer contributions and earnings.

**Note 1 - Description of the Plan (continued)**

The minimum loan amount available is $1,000. The maximum loan amount available is the lesser of a) The sum of fifty percent of the vested portion of a participant account and any outstanding loan balance on the loan election date, or b) $50,000 less the highest combined outstanding principal balance of all loans at any time during the prior twelve (12) month period. A participant may receive a loan by executing a written promissory note and security agreement within thirty (30) days after the participant's loan election date.

The interest rate is determined by the Company and ranges from 5.25% to 10.25%. The term of any loan will be selected by the participant and will be for a minimum of two (2) months and a maximum of sixty (60) months. In the case of a loan to acquire a principal residence, the term maximum is 25 years. Principal and interest are paid ratably through weekly payroll deductions.

**Note 2 - Significant Accounting Policies**

Basis of Accounting
The financial statements for the Plan are prepared using the accrual method of accounting.

Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Expenses
Expenses of the Plan for the services of the administrator, commission and other expenses for 2009 are allocated to each participant's account.

Investment Valuation and Income Recognition
The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Individual participants' accounts are adjusted daily for employer contributions, employee contributions as well as net earnings and changes in value of securities held in each account, less any withdrawals.

## Note 3 - Termination Priorities and Guarantees

The Company reserves the right to modify, amend or terminate the Plan at any time. Upon complete discontinuance of Company contributions or the termination or partial termination of the Plan, each affected participant's account will become non-forfeitable. Each participant's account will be adjusted to reflect the appraised value of the fund as performed by the Custodian upon termination. Distributions to participants of the entire amount of their accounts will be made in accordance with the normal distribution policy of the Plan.

## Note 4 - Information Certified by the Plan's Custodian

For the year ended December 31, 2009 the investment fund options consist of a variety of investment choices including money market accounts and separate pooled funds administered by John Hancock Life Insurance Company and American Funds. Information relating to these accounts and changes in unrealized appreciation on investments included in the Plan's financial statements, and the information contained in the supplemental schedules of assets held for investment was prepared by the Custodians, and furnished to the Plan Administrator and is unaudited. The Plan Administrator has obtained a certification from the Custodians that such information is complete and accurate to the best of their knowledge.

## Note 5 - Tax Status of the Plan

The Plan obtained its latest determination letter on December 5, 2002, to meet the qualification requirements of Section 401(a) of the Internal Revenue Code and it's trust has been determined to be exempt from federal income taxes under Section 501 (a) of the Code. The plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the plan's financial statements.

## Note 6 - Investments in Excess of Five Percent of Net Assets

| Fund Name | Current Value | % of Net Assets |
|---|---|---|

## Note 7 - Contingencies/Concentrations

Mayesh Wholesale Florist, Inc. is a wholesaler and worldwide importer of fresh flowers. With its concentration in this area of operations, the Company's business, and therefore its ability to meet its obligations as Plan Sponsor, depend upon its ability to obtain fresh flowers at competitive prices from its various suppliers.

## Note 8 - Inactive Participants

Net assets available for benefits at December 31, 2009 include $502,033 allocated to the accounts of persons who, as of or prior to December 31, 2009, had withdrawn from the Plan.
