Report on the Financial Statements

I was engaged to audit the accompanying financial statements of the Rick Engineering Company 401(k) Retirement-Savings Plan, which comprise the statements of net assets available for benefits as of December 31, 2013 and 2012, and the related statements of changes in net assets available for benefits for the years then ended, and the related supplemental schedules 1-2.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting my audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by State Street Bank and Trust Company, the trustee of the plan, and Transamerica Financial Life Insurance Company Inc., the appointed agent for investment transactions, except for comparing the information with the related information included in the financial statements and supplemental schedules 1-2. I have been informed by the plan administrator that the trustee holds the Plan's investment assets and has appointed Transamerica Financial Life Insurance Company Inc. as its agent to execute investment transactions. The plan administrator has obtained certifications from both the trustee and the appointed agent as of and for the years ended December 31, 2013 and 2012, that the information provided to the plan administrator by the trustee and the appointed agent is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on these financial statements.

Other Matter

I was engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets, which are the responsibility of plan management, are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and I do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules 1-2, other than that derived from the information certified by the trustee, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

RICK ENGINEERING COMPANY 401(k) RETIREMENT-SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2013

A. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Rick Engineering Company 401(k) Retirement-Savings Plan ("the Plan") have been prepared on the cash basis of accounting and in accordance with the Department of Labor Rules and Regulations.

Investment Valuation and Income Recognition

United States generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical unrestricted assets or liabilities in active markets that the Plan has the ability to access.

level 2: Inputs to the valuation methodology consist of observable input other than quoted prices for identical unrestricted assets.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement and unobservable.

The investment asset's fair value measurement level within the fair value hierarchy is based on the lowest of any input that is significant to the fair value measurement.

See Note C for a listing of the Plan's investments summarized in accordance with this fair value hierarchy.

Payments of Benefits

Benefits are generally recorded when paid.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through July 25, 2014, the date on which the financial statements were available to be issued, and concluded that no subsequent events have occurred that require recognition or disclosure.

B. Description of the Plan

The following description of the Plan provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan (401(k)) covering all eligible employees of Glenn A. Rick Engineering and Development Company and Subsidiaries (the "Company"). The Plan went into effect July 1, 1985. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974.

Effective January 1, 2009 the Plan was amended and restated in its entirety to reflect certain Plan design and administrative changes and to conform to the Internal Revenue Code and other federal laws. The revised Plan states that all Company employees (excluding interns) are eligible to become participants in the Plan on the first day of the month following the completion of sixty days of continuous employment and the attainment of age 18.

Employee Contributions

Participants may elect to contribute up to 75% (maximum of $17,500, plus an additional $5,500 catch up for age over 50) of their compensation to the Plan through payroll deductions. The participants' contributions are fully vested on the contribution date.

Employer Discretionary Contribution

All participants are eligible to participate in employer discretionary contributions, as specified in the Plan. In February, 2009 the Company suspended the discretionary contribution indefinitely. QNEC's for missed deferrals with earnings, along with other corrections were made by the Company totaling $3. See Note F.

Vesting

Employer contributions are vested as follows:

Years of Service	Percentage Vested
Less than 3	0%
3 or more	100%

For purposes of vesting, years of service mean any Plan year during which an employee completes at least 1,000 hours of service, including Plan years prior to the effective date of the Plan. A participant becomes 100% vested if he attains age 65, dies or becomes disabled while employed by the employer.

Participant Loans

Active participants may apply to the Plan Administrator for a participant loan in amounts limited by the Plan. Participant loans are secured by the participant's non-forfeitable interest in his or her accrued benefit. Interest is charged on loans at rates determined from time to time by the Plan Administrator and range from 3.25 percent to 9.50 percent for loans outstanding at year end. Loan terms for non-residence loans are limited to 5 years from the effective date of the loan, while terms for principal residence purchase loans are limited to 15 years. Principal and interest is paid ratably through bi-weekly payroll deductions.

Participants may have up to 6 loans outstanding at one time. Each participant's aggregate balance of outstanding loans cannot exceed the lesser of 50 percent of the participant's vested interest in the Plan or $50,000 at the time the loan is granted, subject to other restrictions.

Participant Accounts

Each participant's account is credited with employee contributions, employer discretionary contributions and allocations of investment returns. Allocations of investment returns are based on participant account values and are vested when the underlying account values are vested.

Participants may have their contributions invested in a fixed interest account, money market account, a value & income account, mid cap value account, American Funds accounts, JP Morgan account, government fixed account, T Rowe Price retirement date funds, stock index account, personal choice account, other various mutual funds or any combination thereof.

Benefits

Upon termination of a participant's employment, the participant may elect to receive a lump sum payment of their vested account balance at anytime, but not later than the required distribution date under Code Section 401(a)(9). If the participant's account balance is greater than $1,000, the participant may elect to leave their account on deposit in the Plan.

The Plan shall pay all expenses reasonably incurred by it for administration of the Plan unless the Company pays the expenses. Through December 31, 2013, the Company has paid a portion of the expenses associated with the Plan.

Termination of the Plan

The Company may terminate the Plan, in whole or in part, at any time. Upon termination, the entire amount of each affected participant's account would become fully vested.

C. Investments

The following table sets forth, by the level within the fair value hierarchy, the Plan's invested assets at fair value as of December 31, 2013:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 21,316,062	$ -	$ -	$ 21,316,062
Transamerica Financial Life Ins. Co. Insurance Company General Account	-	1,658,623	-	1,658,623

	$ 22,764,047	$ 2,138,260	$ -	$ 24,902,307

Investment securities held in the mutual funds are stated at fair market value which is quoted market price. Income consisting of interest, dividends and realized capital gain distributions from the mutual funds and pooled accounts is recorded at the date of distribution by the insurance company.

The Plan's investments are maintained in mutual funds and pooled funds under a trust agreement administered by the Plan, insurance contracts, and personal choice accounts. The trustee is State Street Bank and Trust. The funds are invested in mutual funds and pooled accounts of the Transamerica Financial Life Insurance Company, and administered by an affiliate, Diversified Investment Advisors.

Investments are valued daily at current market prices or fair values, as determined by the trustee. Changes in fund values due to dividends, interest, net gains and losses on sales and changes in market values are calculated and allocated to participant accounts by the Plan record keeper.

The following investments represent more than 5% of the total assets held by the Plan for the years ended December 31, 2013 and December 31, 2012:

D. Party-In-Interest Transactions

Transamerica Financial Life Insurance Company is a party-in-interest with respect to the Plan. The records of the Plan indicate no party-in-interest transactions which are prohibited by ERISA Section 406 and for which no statutory or administrative exemption exists.

E. Income Tax Status

The Plan has obtained a determination letter from the Internal Revenue Service indicating that the Plan meets the requirements of Section 401(a) and 501(a) of the Internal Revenue Code (the "Code") under which it is exempt from federal income tax.

The Plan obtained its latest determination letter on January 13, 2011, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan files income tax returns in the United States federal and state jurisdictions. The Plan is no longer subject to United States federal and state and local income tax examinations by tax authorities for fiscal years before 2010.

F. Employee / Employer Contributions

The following is a table of Employee / Employer contributions:

Employee rollover / other contributions	$	40,036

Employer contributions		3
Total	$	1,083,465
