Report of Independent Public Accountant

Yumi Ice Cream Co., Inc. Plan Sponsor

I have audited the accompanying statements of net assets available for defined contribution plan of Yumi Ice Cream Co., Inc. as of December 31, 2009 and the related statement of changes in net assets available for benefits. These financial statements are the responsibility of the Plan's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards Generally Accepted Accounting Principles. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provide a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2009 and the change in its net assets available for benefits for the year ended December 31, 2009.

My audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedules of assets held at end of year as of December 31, 2009, and reportable transactions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statement but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in my audit of the basic financial statements and, in my opinion, are fairly stated in all material respects in relation to the financial statements taken as a whole.

Respectfully Submitted

Notes to Financial Statements

Year Ending December 31, 2009

A. Description of Plan

The following description of the Yumi Ice Cream Co., Inc. ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. **General.** The plan is a defined contribution plan covering all full time employees of the Company who have 0.166 year of service for Yumi Ice Cream Co., Inc. and employee need not attain a minimum age to become eligible to participate. It is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

2. **Contributions.** Participants may make before-tax contributions (Elective Deferrals), to the Plan through Payroll Deduction. To begin making Elective Deferrals, employee must complete and sign a Salary Reduction Agreement. Once an employee becomes eligible to participate in the Plan, Company provides employee with necessary forms. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers Principal Life Insurance Company funds as investment options for participants. Company may contribute, either Matching Contributions or Profit Sharing Contributions. Eligibility to enter the Plan and receive Matching Contributions or Profit Sharing Contributions is same as eligibility for Elective Deferrals; however, at this point Company has not contributed any Matching funds to the Plan.

3. **Participant Accounts.** Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. **Vesting.** Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their account is based on years of continuous service. The schedule is as follows:

Years of Vesting Service (Minimum of 1000 Hours of service to complete a year of Vesting service)	Vested Percentage
Less than One	0%
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

If an employee is not 100% vested and receives a distribution of his/her Profit Sharing and/or

Matching Contribution Forfeitures. Forfeitures may be applied first to payment of plan administration expenses. Any remaining forfeiture will be allocated to the remaining Plan Participants. If an employee returns to work for the Company before incurring five consecutive one year breaks in service, employee may recapture the forfeited benefit.

5. **Participant Loans.** Plan does not permit loans.

6. **Payment of Benefits**. Certain events must occur before an employee may withdraw money from the Plan. In general, benefits may be withdrawn upon termination of employment, after attaining normal retirement age 65 years or upon Plan termination. Employee may withdraw all or a portion of his/her vested Individual Account if he/she terminate employment before normal retirement age, become disabled, or attains normal retirement age but continue to work. In addition employee may withdraw his/her Elective Deferrals on account of financial hardship or attain age 59 ½ but continue to work. Payment from the Plan that is eligible for rollover distributions may be taken in two ways. Employee may have all or any portion of eligible rollover distribution either (1) paid in direct rollover to an individual retirement account or another employer plan or (2) paid directly to the employee after deducting an IRS required 20% withholding to be credited against employee taxes.

B. Summary of Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimated and assumptions that affect the reported amounts of assets and liabilities and charges therein, and disclosure of contingent assets and liabilities.

Investment Valuation and Income Recognition

Dividends and capital gains are reported to Recordkeeping company, Principal Financial Group ("Principal") by the investment company as they are posted to the plan's account. The dividends and capital gains are allocated by Principal on a pro-rata basis to all participants and share balances in the fund as of the day the dividend and/or capital gain is created.

C. Related-Party Transactions

Plan Investments are Principal Life Insurance Company Funds managed by Principal Trust Company; Principal Financial Group is a record keeper. Principal Trust Company is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions.

D. Plan Termination

Although it has not expressed any intent to do so, Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the unlikely event Company does terminate the Plan, participants would become 100 percent vested in the aggregate value of participants Individual Account regardless of whether participants vesting years of service are sufficient to make 100% vested under the vesting schedule(s).

If the Plan terminates, benefits are not insured by the Pension Benefit Guaranty Corporation (PBGC). Under the law, PBGC insurance does not cover the type of plans called defined contribution plans. This plan is a defined contribution plan and therefore, is not covered.

E. Tax Status

Company has adopted the 401(k) PLAN designed to help participants meet their financial needs during their retirement years. The plan sequence number, which identifies the number of qualified Plans Company currently maintains or has previously maintained, is 001. This prototype plan document plan has been prepared for the Company pursuant to Qualified Plan Document Guide. An IRS national office opinion letter has been issued to the sponsoring organization indicating that the prototype document has been approved as to form. For most prototype plan documents, this favorable opinion letter provides assurance to the employer that the IRS has approved the form of the document and that any subsequent tax disqualification of the plan based on the form of the plan will not generally be applied retroactively.
