NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the Bogopa Service Corp. ("Company") Bogopa Supermarket 401(K) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established under agreement dated April 1, 2006. The Plan is a defined contribution plan covering all full-time employees of the Company who have twelve months of service and are Local 342 Union members. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administrator

The Plan Administrator is responsible for the administration of the Plan and its duties are identified in the plan document. The Third Party Plan Administrator is Newport Retirement Services, Inc.

Plan Custodian

The Plan Custodian is responsible for holding Plan's investment assets and executing investment transactions. The Custodian's duties are identified in the custodian agreement and relate only to the assets in its possession. Reliance Trust Company is the Plan Custodian.

Contributions

Each year, participants may contribute regular, catch-up, and bonus contributions, as defined in the Plan. The total amount of these contributions may not exceed 100% of eligible annual pre-tax compensation. These contributions are also subject to, and may be limited by, annual limitations established by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a self-directed brokerage account as investment options for participants. All contributions are subject to certain limitations established by the Internal Revenue Code.

Participant Accounts

Each participant's account is credited with (a): the participant's contribution and (b) the participant's account earnings. Each participant's account is charged with (a): administrative expenses, and (b): participant's account losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A - DESCRIPTION OF PLAN - Continued

Investments

The Plan is intended to be an ERISA Section 404(c) plan. Participants are responsible for investment decisions relating to the investment of assets in their account under the Plan. The Plan fiduciaries are not responsible for any losses based on the Participants investments instructions.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon.

Participant Loans

Participants may borrow from their fund accounts. The loans are secured by the balance in the participant's account and bear interest at rates, which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions. At December 31, 2009, there were no Participant Loans.

Payment of Benefits

On termination of service due to death, disability or retirement, the plan participant or the plan participant's beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period of time. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation under Title IV of the Employee Retirement Income Security Act of 1974 because the insurance provisions under ERISA are not applicable to this particular Plan.

Forfeited Accounts

At December 31, 2009, there were no forfeited non-vested accounts.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements and schedule of the Plan are prepared under the accrual method of accounting.

Estimates
