SHIPPER'S WAREHOUSE, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009 AND 2008

Note 1. Plan Description

The following description of the Shipper's Warehouse, Inc. 401(k) Plan (Plan) provides only general information. Shipper's Warehouse, Inc. (Company) is the sponsor and administrator of the Plan. The assets of the Plan are held by Transamerica Life Insurance Company (Transamerica). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 1987, then amended and restated as of August 1, 2007 to comply with the Uruguay Round Agreement to the General Agreement on Tariffs and Trade (GATT), the Uniformed Services Employment and Reemployment Rights Act (USERRA), the Small Business Job Protection Act of 1996 (SBJPA), the Taxpayer Relief Act of 1997 (TRA'97), and the Community Renewal Tax Relief Act of 2000 (CRA 2000), referred to as "GUST". In addition, the Plan complies with provisions of the Economic Growth and Tax Relief Act of 2001 (EGTRRA), the Employee Retirement Income Security Act of 1974 (ERISA) and Section 401(a) of the Internal Revenue Code of 1986.

Effective August 1, 2007, the prior plan was amended by the adoption of a Volume Submitter Tax-Favored Savings and Discretionary Contribution Plan and Trust Agreement.

Participants directed their investments in numerous investment options held by Transamerica Life Insurance Company as outlined in the attached Schedule of Assets Held for Investment.

Contributions

The Plan is a tax-favored savings plan wherein participants elect to reduce their compensation and have such reductions contributed to the Plan on their behalf. In order to participate in the Plan, an employee (other than a non-resident alien employee with no U.S. source of income) must be at least age 18 and have completed three months of eligible service (as defined by the Plan). Participation may begin on the first day of the month following the completion of eligibility requirements. The Plan also allows for rollovers from other plans.

Participating employees may contribute up to the lesser of 65% of covered compensation through payroll deductions or the maximum amount permitted under applicable Internal Revenue Service provisions. As of August 1, 2007, participants may elect to make contributions on an after-tax basis through Roth elective contributions.

The Company may make a discretionary matching contribution each year to the Plan based on a percentage of the participant's compensation up to 3% as determined by the Company's Board of Directors. For the year ended December 31, 2009, the Company made no matching contributions.

Note 1. Plan Description (Continued)

Nonelective and/or Nonintegrated Nonmatching Contributions

The Company may decide to make nonelective and/or nonintegrated nonmatching contributions to the Plan, although the Company is not required to do so. Nonelective and/or nonintegrated nonmatching contributions will be allocated to all employees eligible who participate in the Plan in proportion to their eligible earnings compared to the eligible earnings of the other employees who will also share in the contributions. For the year ended December 31, 2009, the Company made no nonelective and/or nonintegrated nonmatching contributions.

Allocation

Each participant's account is credited with the participant's salary deferral and allocated monthly to each participant's account. Investment income or loss is allocated daily based on the ratio of each participant's account balance at the end of each day. Company nonelective and/or nonintegrated nonmatching contributions are funded and allocated to each participant's account on an annual basis.

Vesting

Employee contributions are 100% vested. For vesting of employer contributions and nonelective contributions, an employee is credited with one year of service for each employment year worked. A year of service is a Plan year in which the employee earns credit for 1,000 hours of service, as defined by the Plan.

Vesting of employer matching, nonelective, and nonintegrated nonmatching contributions occurs at the following rates:

Years of Vesting Service	Vested Interest
Less than one year	0%
At least one year, but less than two	25%
At least two years, but less than three	50%
At least three years, but less than four	75%
Four years or more	100%

In addition, a participant shall become 100% vested upon death or disability.

Participant Loans

Participants may borrow from their fund accounts, through a loan transaction, a minimum of $1,000 or up to a maximum of $50,000, not to exceed 50% of their account balance. The balance in the participant's account is used to secure the loan. These loan transactions are treated as a transfer between the investment fund and the participant loans fund.

Note 1. Plan Description (Continued)
Participant Loans (Continued)
The loan terms range from one to five years, or within a reasonable time if the purpose of the loan is to acquire a primary residence. The interest rate on loan transactions is a reasonable rate commensurate with current rates. As of December 31, 2009, interest rates on outstanding loan balances ranged from 4.25% to 9.25%. Principal and interest are paid ratably through payroll deductions. A participant may not have more than one loan outstanding at the same time.

Plan Termination
Although it has not expressed any intent to do so, the Company's Board of Directors may terminate the Plan at any time. Upon termination, the Board of Directors may elect to distribute to each participant, or his or her beneficiary, the proportionate share of the Plan's assets as determined by the individual account balances on the date of termination, or continue the existence of the trust for the purpose of paying benefits as they become due under the terms of the Plan. In addition, upon termination of the Plan, the participants' vested interest in employer contributions shall be 100%.

Participant Termination
Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her account, or in monthly installment payments not exceeding the shorter of fifteen years or the participant's life expectancy.

Administrative Expenses
The Company absorbs most plan administrative expenses.

Forfeitures
Forfeitures are used to reduce expenses of the Plan or offset employer contributions. At December 31, 2009, the Plan maintained $3,279 in forfeited nonvested accounts and did not utilize any forfeitures to offset employer contributions during the year.

Note 2. Summary of Significant Accounting Policies
This summary of significant accounting policies of the Plan is presented to assist in understanding the financial statements. The financial statements and notes are representations of the Plan's administrator, who is responsible for their integrity and objectivity. The financial statements and supplemental schedule are prepared in accordance with generally accepted accounting principles. Investment transactions are recorded at the trade-date and are reported in the financial statements at fair value.

Note 2. Summary of Significant Accounting Policies (Continued)

Uses of Estimates

Preparation of the financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value as determined by quoted market prices. Participant loans are valued at amortized cost. Purchases and sales of investments are recorded on a trade date basis. Interest and dividend income is recorded on the accrual basis.

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting.

Payment of Benefits

Benefit payments are recorded when paid.

Subsequent Events

Subsequent events have been evaluated for potential recognition or disclosure through October 14, 2010, which is the date the financial statements were available to be issued.

Note 3. Investments

Transamerica is custodian of the Plan's investments. During 2009, the Plan's pooled separate accounts (including investments bought, sold, and held during the year) appreciated in value by $522,874.

The Plan maintains the following investments representing 5% or more of net assets available for benefits at December 31, 2009:

Vanguard Target Retirement 2020	$	774,966
Vanguard Target Retirement 2015		208,570

Transamerica Cash Reserve Fund		233,609
Vanguard Target Retirement 2035		225,462

Note 3. Investments (Continued)

Vanguard Target Retirement 2015		270,916

Transamerica Cash Reserve Fund		224,181
Vanguard Target Retirement 2035		133,981
Participant Loans		212,743

Note 4. Fair Value Measurements
In September 2006, the FASB issued a statement regarding fair value measurements. This statement provides a new definition for fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. The Plan adopted the provisions of this statement as of January 1, 2008. The statement establishes a fair value hierarchy that distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity (observable inputs that are classified within Level 1 and 2 of the hierarchy) and the reporting entity's own assumptions about market participant assumptions (unobservable inputs classified within Level 3 of the hierarchy).

Note 5. Information Prepared and Certified by Custodian
Under the Department of Labor's regulations, certain assets and related information held by a bank, trust company, or similar institution or an insurance company that is regulated and subject to periodic examination by a state or federal agency does not have to be audited, provided the plan administrator exercises this option and the institution holding the assets certifies the required information. Transamerica Life Insurance Company has provided certification as to the completeness and accuracy of investment information presented in the accompanying Statements of Net Assets Available for Plan Benefits as of December 31, 2009 and 2008. The accompanying supplemental schedule also includes information certified by Transamerica Life Insurance Company as being complete and accurate.

Note 6. Party-in-Interest
The Plan invests in units of pooled separate accounts managed by Transamerica, who acts as custodian of the Plan's assets, as defined by the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules.

Note 7. Income Tax Status

The Internal Revenue Service has determined by letter dated April 17, 2002, that the Plan, as then designed, was in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has since been amended and restated, however the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 8. Fair Value Measurements
