To the Administrative Committee of
Murco Wall Products, Inc. Employees Profit Sharing Plan

INDEPENDENT AUDITORS' REPORT

We have audited the accompanying financial statements of Murco Wall Products, Inc. Employees Profit Sharing Plan, which comprise the statements of net assets available for benefits as of December 31, 2017 and December 31, 2016, and the related statements of changes in net assets available for benefits for the period then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Murco Wall Products, Inc. Employee Profit Sharing Plan as of December 31, 2017, and December 31, 2016, and the changes in net assets available for benefits for the periods then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Assets Held at End of Year is referred to as "supplementary information,", and is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling

such information directly to the underlying and other accounting records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO THE FINANCIAL STATEMENTS

PLAN YEAR ENDED DECEMBER 31, 2017 AND THE PERIOD ENDED DECEMBER 31, 2016

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Fiscal Year Change

Effective the calendar year beginning January 1, 2017, the company transitioned from a fiscal year end of June 30 to December 31. A six-month fiscal transition from July 1, 2016, through December 31, 2016, precedes the start of the new calendar-year cycle. For the current financial statement period, a comparison of the financial statements as of December 31, 2017 with the six months ended December 31, 2016 is only possible to a limited extent.

Valuation of Investments

The Plan's investments are stated at fair value. Quoted market prices are used to value investments in mutual funds and preferred stocks. Contract values are used to value funds held in annuities.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Concentration of Risks

The Plan is subject to general market risks associated with the current economic conditions.

The cash deposits maintained at financial institutions were within the federally insured limit of $250,000 as of December 31, 2017.

NOTE 2 - PLAN DESCRIPTION

Description of Plan

Effective June 30, 1974, Murco Wall Products, Inc. adopted a defined contribution profit sharing plan for the benefit of the employees of the Company. The following description of the Murco Wall Products, Inc. Employee Profit Sharing Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan Agreement was amended and restated and the Plan restatement has an effective date of August 1, 2016.

As of June 30, 2007, a beneficiary of the Plan may work either for Murco Wall Products, Inc or Murphy Wall Products International, Inc. Murphy Wall Products International, Inc. and Murco Wall Products, Inc. have common ownership.
In accordance with laws that regulate defined contributions plans, the Plan is generally amended every six to seven years.

General

The Plan is a defined contribution profit sharing plan covering all full-time employees of the Companies. Employees are required to have one-half year of service and have attained age eighteen in order to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, the Company may make a discretionary contribution to the Plan of up to 25% of eligible compensation. Amounts contributed are placed in a trust fund for the benefit of plan participants. The contribution for the year-ended December 31, 2017 was $400,00. The Company did not make a discretionary contribution for the fiscal transition period ending December 31, 2016.

Administrative Expenses

Administrative expenses of the Plan are paid for by the Plan.

Participant Accounts

Each participant's account is credited annually with its share of the employer's contribution and an allocation of earnings and forfeitures and charged with an allocation of administrative expenses. Plan contributions are allocated based upon each participant's eligible compensation to all eligible compensation of all eligible participants in the Plan. Plan earnings are allocated to individual participant accounts based upon the ratio of their individual account balance to all account balances.

NOTE 2 -PLAN DESCRIPTION (CONTINUED)

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

The "vested percentage" in a participant's account is determined under the following schedule and is based on vesting years of service. A participant is 100% vested upon normal retirement age.

Years of service	Vesting Percentage
0-1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeitures

Forfeitures represent non-vested profit sharing contributions remaining in participant accounts after employees are terminated or no longer meet eligibility requirements. Immediately following the plan year, forfeitures are reallocated by the Plan Administrator pro rata to all eligible profit sharing employees based on eligible compensation. For the year ended December 31, 2017 forfeitures in the amount of $8,721 were reallocated to remaining participant's accounts. No forfeitures occurred in the period ended December 31, 2016.

Payment of Benefits

Upon termination of service due to reasons other than death, distribution shall commence at the end of the Plan Year and as soon as administratively feasible, generally after all contributions have been allocated relating to the Plan Year in which the Participant's Account Balance becomes distributable. Distributions for reasons other than death will be paid in cash or in-kind and as a lump sum payment. Distributions in the form of an annuity are permitted.

Upon termination due to Participant death, extended payments for all beneficiaries are permitted.

NOTE 2 -PLAN DESCRIPTION (CONTINUED)

Termination

The employer shall have the right at any time to terminate the Plan by delivering to the Trustee and Administrator written notice of such termination. Upon any full or partial termination all amounts credited to the affected Participants' Combined Accounts shall become 100% Vested and shall not thereafter be subject to forfeiture, and all unallocated amounts shall be allocated to the accounts of all Participants in accordance with the provisions hereof.

Upon the full termination of the Plan, the Employer shall direct the distribution of the assets to Participants in a manner which is consistent with and satisfies the provisions of the Plan. Distributions to a Participant shall be made in cash (or in property if permitted in the Adoption Agreement) or through the purchase of irrevocable nontransferable deferred commitments from the Insurer. Except as permitted by the Regulations, the termination of the Plan shall not result in the reduction of "Section 411(d)(6) protected benefits".

NOTE 3 - TAX STATUS

The Internal Revenue Service has determined and informed the Company in a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan follows the provisions of uncertain tax positions as addressed in *FASB Accounting Standards Codification 740-10-65-1*. Management has determined that The Plan does not have any uncertain tax positions and associated unrecognized benefits that materially impact the financial statements or related disclosures. Since tax matters are subject to some degree of uncertainty, there can be no assurance that The Plan's tax returns will not be challenged by the taxing authorities. Generally, The Plan's tax returns remain open for federal income tax examination for three years from the date of filing.

NOTE 4 - INVESTMENTS

The following table presents the fair market value of investments:

Investments at fair value as determined by quoted market price:	
Interest bearing cash	$ 267,603
Common and preferred stocks	1,809,294
Corporate bonds	1,467,375
Mutual funds	1,077,614
Exchange Traded Products	12,365

Investments at fair value as determined by contract value:	
Funds held in insurance company fixed income account	3,796,907
Employer Contribution Receivable	400,000
Total Assets at December 31, 2017	$ 8,831,158

NOTE 5 - FAIR VALUE MEASUREMENTS

To increase consistency and comparability in fair value measurements and related disclosures, the fair value hierarchy of FASB ASC 820-10 prioritizes the inputs to valuation techniques used to measure fair value into three broad levels. The fair value hierarchy gives the highest priority to quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. An active market for the asset or liability is a market in which transactions for the asset or liability occur with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. If the asset or liability has a specified (contractual) term, a Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs are unobservable inputs for the asset or liability. Unobservable inputs shall be used to measure fair value to the extent that observable inputs are not available,

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

thereby allowing for situations in which there is little, if any, market activity for the asset or liability at the measurement date. However, the fair value measurement objective remains the same, that is, an exit price from the perspective of a market participant that holds the asset or owes the liability.

Description	12/31/2017 (fair value)	Quoted prices in active markets (level 1)	Significant other observable inputs (level 2)	Significant unobservable inputs (level 3)
Common Stock Equities	$ 1,809,294	$ 1,809,294	$ -	$ -
Cash and Cash Equivalents	$ 279,968	$ 279,968	$ -	$ -
Mutual funds	$ 1,077,614	$ 1,077,614	$	$ -
Corporate Bonds- Investment Grade	$ 1,467,375	$ -	$ 1,467,375	$ -
Insurance Annuity Contracts	$ 3,796,907	$ -	$ 3,796,907	$ -

NOTE 6 – VALUATION OF LEVEL 2 INPUTS

Investments valued as level 2 inputs include corporate bonds, municipal bonds, and annuity contracts with insurance companies.

Corporate bonds are reported at estimated current market value from the Neuberger Berman statements at year end.

Annuity contracts are valued at contract value plus interest earned and accrued during the plan year. The average yield of these annuities during the plan year is 3.94% and 3.93% for the year ended December 31, 2017 and for the period ended December 31, 2016. See Note 9 for surrender charges and more information on these insurance contracts.

NOTE 7 - NET CHANGE IN FAIR VALUE

For the year ended December 31, 2017 and the period ended December 31, 2016 the plan experienced net appreciation of $373,797 and net appreciation of $66,172 respectively. This is a result of the nature of the markets for these periods.

Realized gain or (loss) from investments was $160,023 for the year ended December 31, 2017, and 62,742 for the period ended December 31, 2016.

Unrealized gain or (loss) from investments was $213,774 for the year ended December 31, 2017, and 3,430 for the period ended December 31, 2016.

NOTE 8 - OWED TO PLAN SPONSOR

At December 31, 2017 and December 31, 2016, the balance represents payouts to terminated employees and payment of administrative expenses not reimbursed to the plan sponsor as of that date.

NOTE 9 - INSURANCE CONTRACTS

Insurance contracts purchased as an investment for the profit sharing plan include provisions that include surrender charges and market value adjustments. These provisions could significantly impair the value of the asset in the case of the liquidation or some other occurrence that would require the sale of the insurance contract before its maturity. Total surrender charges upon liquidation as of December 31, 2017 and December 31, 2016 would be $170,750.01 and $187,479.19 respectively. The decrease in current year surrender charges is due to no new current year insurance contracts which results in lower surrender charges for subsequent years.

NOTE 10– SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 15, 2018, the date which the financial statements were available to issue. As of October 15, 2018, there is no subsequent event to disclose.
