To the WRPS, LP 401(k) Plan and Participants
Coppell, Texas

I was engaged to audit the statement of net assets available for benefits of the WRPS, LP 401(k) Plan as of December 31, 2009 and December 31, 2008, and the statement of changes in net assets available for benefits for the year ended December 31, 2009 and 2008. These financial statements are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by The ING Life Insurance and Annuity Company, the "record keeper", except for comparing such information with the related information included in the financial statements and supplemental schedules. I have been informed by the plan administrator that the record keeper holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the record keeper as of and for the years ended December 31, 2009 and 2008, that the information provided to the plan administrator by the record keeper is complete and accurate.

Because of the significance of the information that I did not audit, I was unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedules taken as a whole. The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the record keeper, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.
