These financial statements and schedules are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.130-8 pf the Department of Labor's Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Act of 1974, the plan administrator instructed us not to perform, and we did not perform and auditing procedures with respect to the information summarized in note C-2, which was certified by John Hancock Life Insurance Company (U.S.A.), the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2010, that the information provided to the plan administrator by the trustee is complete and accurate.

The following description of the DCS Sanitation Management, Inc. Savings and Investment Plan and Trust (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General- The Plan is a deferred salary contribution plan covering all eligible employees of the employer, DCS Sanitation Management, Inc. (DCS). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each participant may contribute to the Plan up to 15% of gross wages on a tax deferred basis (subject to certain limitations). Employer contributions consist of matching contributions equal to 25% of the first 4% of the salary reduction the participant elected and discretionary contributions that are allocated to all participants. The discretionary contribution is determined each year by the employer. There were discretionary contributions to participants of $ 97,213 in 2010. Annual aggregate contributions are subject to certain Internal Revenue Code (IRC) limitations.

Participant Accounts - Each participant's account is credited with the participant's elective contribution and the employer matching and discretionary contributions and any investment earnings.

Vesting - Participants are at all times 100% vested in their salary reduction amounts contributed to the Plan. Participants' vesting in the employer matching contributions and Company discretionary contribution is as follows:

Years of Service	Vested Percentage If fully vested after 12/31/94	Vested Percentage If fully vested prior to 12/31/94
1	0.00%	33.33%
2	20.00%	66.67%
3	40.00%	100.00%
4	60.00%	
5	80.00%	
6	100.00%	

Forfeitures - Participants who terminate employment before becoming entitled to their full benefits under the Plan forfeit their nonvested portion of employer matching and discretionary contributions. Forfeited amounts are allocated among the remaining eligible participants; however, a portion of forfeited amounts is used to reduce the employer's matching contributions to the Plan. Forfeited amounts used to reduce the employer's annual contributions were $2,305 in 2008 and $1.919 in 2009.

Loans and Withdrawals - Loans to participants and withdrawals for financial hardship are permitted subject to the Plan's provisions and Internal Revenue Code limitations. Participant withdrawals are recorded upon distribution.

Basis of *Accounting* - The Plan prepares its financial statements on the accrual basis of accounting.

Investments - Plan assets are invested in funds managed by John Hancock Life Insurance Company, Inc. Quoted market prices are used to value investments.

Party-in-interest Transactions - There were no party-in-interest transactions during the years ended December 31, 2010 except for investments in pooled separate accounts maintained by the John Hancock Life Insurance Company who is also the plan administrator.

Income Tax Status - The Internal Revenue Service ("IRS") has issued an opinion letter on the acceptability of the form of this prototype plan document. In general, a determination letter means that the Plan and the Trust are qualified in form under Section 401 (a) of the Internal Revenue Code and that the Trust is exempt from Federal income taxes under Section 501 (a). The Plan has not filed for a determination letter for this prototype plan. However, the existence of the IRS prototype opinion letter gives the plan administrator comfort that the Plan is currently designed in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRS.

Use of *Estimates* - The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual amounts could differ from those estimates

NOTE B - PLAN TERMINATION Although it has not expressed any intent to do so, DCS has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination or partial termination of the Plan, each affected participant shall have a fully vested and non-forfeitable right to his account.

NOTE D - **ACCRUED DISTRIBUTIONS**

The IRS requires plans to meet certain nondiscrimination rules one of which limits the amount highly compensated participants may voluntarily contribute to the Plan. In both 2010 and 2009, the administrator accepted certain elected deferral contributions from highly compensated participants which, although in accordance with Plan provisions, resulted in the Plan being in noncompliance with these nondiscrimination rules. In order to comply with the nondiscrimination rules, the plan administrator determined the amounts necessary to be returned to highly compensated participants. These amounts were $ 24,809 and $14,037 for December 31, 2009 and 2010, respectively. These amounts were recorded as an accrued distribution in the financial statements and returned to the respective participants in 2010. See note G reconciliation of financial statements to form 5500.

NOTE E - **PLAN AMENDMENTS**

No amendments were made in 2010

NOTE F - **ADMINISTRATIVE COSTS**

The Plan sponsor absorbs significant cost of administering the Plan, including accounting, legal and third party administration costs.
