INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
The Mercury Plastics, Inc. 401(k) Plan

We were engaged to audit the financial statements (modified cash basis) of Mercury Plastics, Inc. 401(k) Plan as of December 31, 2009 and 2008 and for the years then ended and the supplemental schedule (modified cash basis) as of and for the year ended December 31, 2009 as listed in the accompanying Table of Contents. These financial statements and schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by John Hancock Life Insurance Company, custodian of the Plan's assets and executor of investment transactions, except for comparing the information with the related information included in the financial statements. The plan administrator has obtained certifications from the custodian as of and for the years ended December 31, 2009 and 2008, that the information provided to the plan administrator by the custodian is complete and accurate.

As described in Note B, these financial statements and supplemental schedule were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and schedule taken as a whole. The form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE A - DESCRIPTION OF PLAN

The following description of the Mercury Plastics, Inc. ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Company who have six months of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of annual compensation, as defined in the Plan up to a maximum of $15,500 in 2008 and $16,500 in 2009. Participants over 50 years of age may contribute an extra $5,000 in 2008 and $5,500 in 2009. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company contributes 25% of the first 6% of base compensation that a participant contributes to the Plan. Additional amounts may be contributed at the option of the Company's board of directors.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the Company's matching contribution plus actual earnings thereon. Vesting in the Company's discretionary contribution requires a completed year of service and active employment on the last day of the plan year.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions to the following investment options:

* *Pooled Funds* - A variety of investment funds are available which invest in shares of respective registered investment companies that invest in common stocks, corporate bonds, and U.S. Government securities.

NOTE A/CONTINUED

* *Guaranteed Funds* - Funds are invested in a guaranteed investment contract with John Hancock Life Insurance Company.

Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Loan transactions are treated as a transfer from the investment fund to the Participant Notes fund. Loan terms range up to 5 years or up to a reasonable period of time over 5 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through weekly payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a life expectancy period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Administrative Expenses

Professional fees and insurance fees and commissions are paid by the Company on a discretionary basis. No Plan fees were paid from Plan assets. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Investment fees and commissions are paid by the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the modified cash basis which is a comprehensive basis of accounting other than generally accepted accounting principles. Transactions are recorded on a cash basis. Contributions to the Plan are made weekly, with the year's final week contribution included as a constructive receipt in the Plan's investments even though it may not actually be invested until the following year.

NOTE B/CONTINUED

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Participant notes receivable are valued at cost which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

NOTE C - INFORMATION PREPARED AND CERTIFIED BY INSTITUTION HOLDING PLAN ASSETS

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by John Hancock Life Insurance Company, the custodian of the Plan's assets at December 31, 2009 and 2008.

Investments, at fair value at December 31:

	2009	2008
John Hancock pooled accounts	**$1,581,564**	**$1,217,816**

There was a difference of $(4,407) at December 31, 2008 between the values certified by John Hancock and those reported on the financial statement. See Note B.

This difference was due to the timing of the weekly contribution payments. In the case of the 2008 year end, the first weekly 2009 contribution was actually paid in 2008.

NOTE D - PLAN TERMINATION PROVISION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE E - CONTRACTS WITH OUTSIDE SERVICE PROVIDER

Effective November 28, 2006, the Plan contracted with John Hancock Life Insurance Company. John Hancock is a division of Manulife Financial Corporation and carries a rating of A++ from A.M. Best and AAA from S&P.

NOTE F – TAX STATUS/SUBSEQUENT EVENT

The Internal Revenue Service has determined and informed the Company by a letter dated March 16, 2010, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (Internal Revenue Service).

NOTE G – TESTS

The Plan passed the ADP/ACP tests for the years 2009 and 2008.
