These financial statements and schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note E, which was certified by First Mercantile Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2009 and 2008, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

QUEST 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the Quest 401(K) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Merger. The Board of Directors of Quest, LLC approved the merger of this Plan into the Oasis Retirement Savings Plan ("Savings Plan"), effective July 31, 2009. The investments in mutual funds and participant loans were transferred from the Plan into the Savings Plan on August 26, 2010.

General. The Plan is a defined contribution plan covering all employees of the Company who meet the eligibility requirements and are age eighteen or older. The employees are automatically enrolled in the plan and are eligible to make contributions on their first day of employment. Unless employees opt out of participation, 4% of compensation is automatically withheld as a contribution. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Each year, participants may contribute a percentage of pretax annual compensation, as defined in the Plan to a maximum per limitations imposed by the IRC (for the year 2009, such maximum was $16,500). Participants aged 50 years and older may make additional "catch up" contributions ($5,500 for 2009). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers nineteen mutual funds options for participants. The Company may provide a discretionary match. The Company's matching contribution is equal to 25% of the first 4% contributed to the Plan up to a maximum of 1% of an employees annual compensation. The Company made a matching contribution of $42,581 for the year ended December 31, 2009.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Participant Loans. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of 50% of their vested account balance, to a maximum of $50,000. The loans are secured by the vested balance in the participant's account and bear interest at prime plus 2%, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions.

NOTE A - DESCRIPTION OF PLAN (continued)

Participant Accounts. Each participant's account is credited with the participants' contributions, and an allocation of (a) the Company's matching contribution and (b) net earnings of the Plan. The earnings are allocated based on the participants' proportionate share of the investment principal of each of the funds.

Forfeited Accounts. Forfeitures represent the balance of nonvested employer contributions of terminated employees. These amounts are used to reduce future matching contributions by employer. A total of $8,474 of forfeitures was available at December 31, 2009 to reduce future employer's matching contributions.

Payment of Benefits. Upon retirement, disability or death, the vested portion of the participant's account becomes payable to the participant or the participant's beneficiary. Upon any other termination of employment, the participant is eligible to receive the vested portion of his or her account. Withdrawals are also permitted from the participant's account for financial hardship or upon attainment of age 59-1/2 under certain provisions of the Plan. All benefits are payable in a lump sum payment in cash.

Administrative Expenses. Most of the Plan's administrative expenses are paid for by the Plan Sponsor.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements are presented on the accrual basis of accounting under which all income, benefits, and expenses are recognized in the period to which they relate.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

NOTE C - INVESTMENTS

The following represents investments at December 31, 2009 and 2008 that represent 5% or more of the Plan's total investments.

Investment at Fair Value as determined based on Quoted Market Price:

	2009	2008
ABN-AMRO	$ 769,374	$ 637,419

The Plan investments are participant directed.

NOTE D - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit.

	Fair Value	Quoted in Active Markets for Identical Assets (Level 1)	Significant Unobservable Inputs (Level 3)
December 31, 2009

Participant Loan	16,762	-	16,762
Total	$ 1,455,357	$ 1,438,595	$ 16,762

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

SFAS No. 157, Fair Value Measurements, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 input consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements:

The fair value of mutual funds in based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements:

Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.

Level 3 Fair Value Measurements:

The fair value of participant loans is equal to the amortized cost of loans because the loans are secured by each respective participant's account balance. The following table provides further details of the Level 3 fair value measurements.

Fair Value Measurements Using Significant Unobservable Inputs (Level 3)

	Participant Loans
December 31, 2009	
Beginning Balance	$ 16,762

Investment earnings, gains and losses (realized and unrealized) for the year ended December 31, 2009	$ 250,087	

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE G - RELATED PARTY TRANSACTIONS

The Plan Sponsor Quest, LLC is also the Plan administrator. All of the members of the Board of Trustees are also Plan participants.

NOTE H - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated September 17, 2003, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receipt of the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participant's account balances and the amounts reported in the statement of net assets available for benefits.

NOTE J - SUBSEQUENT EVENT

The Plan investments were transferred to the Oasis Retirement Savings Plan on August 26, 2010.
