PORT LAVACA AUTO GROUP
EMPLOYEE BENEFIT PLAN TRUST
NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of the Port Lavaca Auto Group Employee Benefit Plan Trust (the Plan) provides only general information. Participants should refer to the Trust agreement and Plan Document for a more complete description of the Plan's provisions.

General

The Plan was established on April 1, 2006 by Port Lavaca Ford, Inc., the Plan Sponsor, for the purpose of protecting eligible Plan participants against catastrophic health expenses. The Plan was created to comply with the requirements of the Employee Retirement Income Security Act of 1974 (ERISA) relating to welfare benefits. Participating employers include the Plan Sponsor and several affiliates that have joined the Plan. Grapevine DCJ, LLC, an affiliate of the Sponsor, joined the plan in May 2010. The Form 5500 for the year ended March 31, 2011 reflects an additional $178 in administrative expenses for the transfer of the balance in the Grapevine DCJ, LLC plan to this plan. The financials were not adjusted for this amount since deemed trivial.

Benefits

Benefits for covered medical, dental and vision expenses, well care costs and prescription drug costs are paid on behalf of eligible members and their eligible dependants as provided for in the Plan document. Benefits are provided for eligible employees that meet an initial waiting period for eligibility. The plan has a $500 per month family deductible and a lifetime maximum of $2,000,000. The Plan also offers continuation of coverage as required by COBRA regulations. Benefit obligations were funded by the Plan Sponsor as claims were submitted, approved and paid by the Plan.

Medical claims paid are reinsured subject to an individual stop-loss of $25,000 or more, as defined by the policy. This insurance plan is in the name of Port Lavaca Ford, Inc. (the Plan Sponsor) and is not deemed to be an asset of the Plan.

Contributions

The Plan is funded by Port Lavaca Ford, Inc., other joining companies to the plan and, where required, by employee contributions. The level of employee contributions is set by the employer. These contributions are adjusted based upon claims experience.

Eligibility Requirements

Eligibility during the years ended March 31, 2011 and 2010 was generally established on the first of the month following an employee's completion of three months of continuous full-time employment, as defined in the plan document.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accounting records of Port Lavaca Auto Group Employee Benefit Trust are maintained and the accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the trustee to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates. Significant estimates include the estimate of claims liability which could change in the near term.

Note 1 – Description of Plan

Obligations of the Plan at March 31, 2011 and 2010 for covered medical costs for health care issues incurred by participants by the end of March are estimated by the Plan, using claims payment experience during the fiscal year, evaluation of specific participant health care issues and any other matters which may affect the reasonableness of the estimated liability. The claims liability estimate includes both claims reported to the Plan but not paid, and claims incurred but not reported to the Plan. This value is based on a projection of the costs that are expected to exist during the eligibility period that immediately follows the end of the plan year. The projections do not take into account any interest earnings or interest costs during the payout period and, therefore, do not represent a present value estimate. The Plan has considered present value calculations and other adjustments and has determined that they are not applicable. Any such adjustments would be of a magnitude smaller than the expected error in the calculations of the obligation and, because of their immateriality, are not applicable. For the years ended March 31, 2011 and 2010, $15,807 and $0, respectively, of the claims liability estimate represents claims incurred but not reported to the Plan. For the years ended March 31, 2011

Note 1 – Description of Plan, continued:

and 2010, $ 233,319 and $82,634, respectively, of the claims liability estimate represents claims reported to the Plan but not paid. The Plan's deficiency of net assets over benefit obligations at March 31, 2011 and 2010 is expected to be funded by future Sponsor contributions.

Date of Management's Review

Subsequent events were evaluated through January 16, 2012, which is the date the financial statements were available to be issued.

Note 3 - Administrative Fees

Port Lavaca Ford, Inc. receives no fees in connection with administrative duties related to the Plan. Therefore, certain additional administrative costs are absorbed by the employer. The Plan has contracted with an administrative servicer to perform some of the administrative tasks, including review and payment of claims. Administrative fees paid to this servicer through the Plan aggregated $101,454 for the year ended March 31, 2011. Additional fees of $27,777 related to claims were paid to the servicer and reported as part of claims paid for the year ended March 31, 2011.

Note 4 - Tax Status

The Trust is a taxable trust and at March 31, 2011 the Trust's net investment income resulted in no tax liability.

Note 5 – Plan Termination or Amendment

Although it has not expressed any intent to do so, Port Lavaca Ford, Inc. has the right under the Plan to, at any time, amend, suspend or terminate the Plan in whole or in part. This includes amending the benefits under the Plan or the Trust Agreement. Upon termination of the Plan, the Trustee, in accordance with the Trust Agreement, shall apply all the remaining assets of the Trust Fund in a uniform and nondiscriminatory manner exclusively toward the provision of benefits of those persons enrolled in the Plan at the time of termination and the related administration costs. The rights of the Plan participants are limited to expenses incurred before termination.

Note 6 – Medicare Prescription Drug Coverage Notice

Participants in the Plan were notified of the existence of Medicare prescription drug coverage and are encouraged to consider enrolling in it. The Plan has determined that the prescription drug coverage provided for under the Plan is, on average for all plan participants, expected to pay out as much as the standard Medicare prescription drug coverage will pay.

Note 7 – ERISA Fidelity Bond Coverage

Management is currently taking steps to obtain fidelity bond coverage that is in compliance with ERISA requirements. Management was previously unaware that they were required to have coverage.
