VETERINARY PET INSURANCE
401(k) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

Note 1 - Description of plan

The following description of the Veterinary Pet Insurance 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan and was established as of December 1, 2003. The Plan Sponsor and Plan Administrator is Veterinary Pet Insurance Company. Union Bank of California was appointed as Trustee of the Plan and its related Trust Agreement. In June 2008, Union Bank of California retirement plan services was acquired by Prudential Retirement Insurance and Annuity Company (Prudential). All employees of the Plan Sponsor who have reached age 21 are eligible to participate in the Plan. The Plan was established by the Plan Sponsor to provide retirement income for its employees and is subject to the provisions of the Employee Retirement Income Security Act of 1974 as amended (ERISA).

Contributions

The Plan is a contributory plan whereby participants may contribute pre-tax annual compensation from 1% to 25% of their salary, not to exceed \$16,500 for 2009. Participants age 50 or older may elect to defer additional "catch up" contributions to the plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan Sponsor may make discretionary matching contributions to the Plan. For the 2009 Plan year, the Plan Sponsor contributed \$429,851 to the plan.

Participant accounts

Each participant's individual account is credited with participant contributions, the Plan Sponsor's contributions and Plan investment earnings. Participants may choose to have their account balance deposited in various investment programs. Allocation of Plan investment earnings is based on the participant's account balance, as defined.

Vesting

Participants are immediately vested in their contributions and actual earnings thereon. Participants are 100% vested upon entering the Plan in matching contributions.

Participant loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance and each participant is allowed to have one active loan at a time. Loan terms range from one year to a maximum of five years. The loans are secured by the balance in the participant's account and bear a reasonable fixed rate of interest to be determined by the Plan Administrator. Interest rates on participant loans ranged from 4.25% to 9.25% as of December 31, 2009. Principal and interest is paid ratably through either payroll deductions or participant payments.

Payments of benefits

Upon termination of service, a participant may elect to receive, as benefits, a lump sum amount equal to the value of his/her account, distributed in accordance with the Plan.

NOTES TO THE FINANCIAL STATEMENTS

Note 1 - Description of plan, continued

Forfeitures

Forfeitures may be used to reduce Plan Sponsor contributions. The remaining forfeiture balance arising from the employer match on corrective distributions totaled \$5 as of December 31, 2009.

Note 2 - Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting. The Plan's investments are stated at fair market value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

Note 3 - Fair value measurements

The Plan adopted an accounting standard related to Fair Value Measurements. The standard establishes a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the standard are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: a) quoted market prices for similar assets or liabilities in active markets b) quoted prices for identical or similar assets or liabilities in inactive markets; c) inputs other than quoted prices that are observable for the asset or liability; and d) inputs that are derived principally from or corroborated by observable market data by correlation or other means.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table below sets forth by level, within the fair value hierarchy, the Plan's assets and fair value as of December 31, 2009:

Investments	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 3,164,697	\$ -	\$ -	\$ 3,164,697
Common/collective trusts	3,151,503	-	-	3,151,503
Participant loans	-	-	246,564	246,564

NOTES TO THE FINANCIAL STATEMENTS

Note 3 - Fair value measurements, continued

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the year ended December 31, 2009:

	Participant Loans
Balance at December 31, 2008	\$ 165,001
Loan issuances	177,702
Repayments and offsets, net	(96,139)
Balance at December 31, 2009	\$ 246,564

Note 4 - Party-in-interest transactions and administrative expenses

Certain Plan investments are shares of mutual funds managed by Prudential. Prudential is the Trustee under contract arrangements with the Plan's Sponsor, and therefore, these transactions qualify as party-in-interest transactions. Prudential performs certain Plan administrative functions and is the Plan's third party administrator and therefore, qualifies as a party-in-interest. Fees paid by the Plan to Prudential for certain administrative fees amounted to \$8,400 for the year ended December 31, 2009. Fees paid by the Plan Sponsor for administrative fees and trustee services amounted to \$22,952 for the year ended December 31, 2009.

Note 5 - Use of estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan Sponsor to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. The Plan Sponsor believes that the estimates utilized in preparing its financial statements are reasonable and prudent. Actual results could differ from these estimates.

Note 6 - Information certified by the Trustee

The Plan Sponsor elected the method of compliance permitted by 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employment Retirement Income Security Act of 1974 (the Act). Under this provision of the Act, certain information certified need not be subject to independent audit.

The Plan Sponsor has obtained certification from the Trustee that the following information included in the Plan's financial statements is complete and accurate:

- a. Investments as of December 31, 2009 and 2008.
- b. Trustee transactions, investment income and investment transactions for the year ended December 31, 2009.

Note 8 - Plan termination

Although they have not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan at any time by resolution of its Trustees subject to the provisions of ERISA. In the event of Plan termination, the respective accounts of the participants under the Plan shall become fully vested and nonforfeitable.

Note 9 - Tax status

The Plan Sponsor has not received a determination letter on its adoption of the prototype non-standardized profit sharing plan. The Plan Sponsor has chosen to rely on the current opinion letter that has been issued to the prototype plan on March 31, 2008. The Plan Sponsor believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.
