Our 5500 Form filing was delayed due to the following:

- We switched 401K plans within ADP in March of this year. We switched 401K plans in an effort to provide our employees more investment choices at better rates. I assumed that all information was up to date because when I logged into ADP on our current plan (the new plan) it said all was up to date. It was my mistake as I actually needed to login to the old 401K plan to get the notice of 5500 being due. I just didn't think of doing this. However, we've taken steps to set internal reminders to always complete a 5500 form before July of each year. I do not foresee this ever occurring again now that I've taken steps to fix my mistake.

In summary, I have every intention of complying with reporting and disclosure rules. I believe that the late filing of this Form 5500 is the result of reasonable cause, not willful neglect. Since next year will be the second year of this new account procedure, I do not anticipate the same issues in the future and the filings in the future will be timely. I ask for abatement of the purposed late filing penalty.

Thank you,

Tom Paulsen, President
