We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of December 31, 2011 and 2010 for the year ended December 31, 2011, that the information provided to the Plan administrator by the trustee is complete and accurate.

401(k) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011 AND 2010

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Pat Kuleto Restaurants & Affiliate Restaurants 401(k) Retirement Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more specific provisions.

A. General

The Plan is a defined contribution plan that was established in 1999 to provide benefits to eligible employees of a group of affiliated companies collectively known as Pat Kuleto Restaurants, Inc. (the "Company"), as defined in the Plan document which was amended and restated effective August 1, 2010. The Plan was further amended and restated effective May 1, 2011 to reduce the salary deferral limit (Note 1-D).

The Plan administrator believes the Plan is designed and operated in compliance with the applicable requirements of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

B. Administration and Expenses

The Company appointed an administrative committee (the "Committee") to manage the operation and administration of the Plan. Effective August 1, 2010, the Committee designated Automatic Data Processing, Inc. ("ADP") to succeed The John Hancock Life Insurance Company (U.S.A) as Plan recordkeeper and third-party administrator. Concurrently, State Street Bank and Trust Company succeeded John Hancock Life Insurance Company (U.S.A.) as trustee of the Plan.

Fees and expenses charged to participant accounts consist of contract administration record keeping, investment fees, commissions and transaction fees not paid by the Company.

C. Eligibility

Substantially all employees are eligible to participate in the Plan after completing six months of service and attaining age 21. Participants may enter the Plan on the first day of any quarter after attaining eligibility.

D. Contributions

Participants may elect to make pre-tax and Roth after-tax contributions to the Plan, up to the maximum amount allowable under the Plan document and Code regulations. Effective August 1, 2010 up to May 2011, participants were allowed to defer a maximum of 90% of their eligible compensation to the Plan subject to Code limitations. Effective May 2011, the maximum deferral limit was reduced to 25% of eligible compensation. Participants who elect to have the Company contribute a portion of their pre-tax compensation to the Plan agree to accept an equivalent reduction in taxable compensation. Participants are also allowed to make rollover contributions of amounts received from other tax-qualified retirement plans. Such contributions are invested in accordance with participant directions and Plan provisions. The Plan allows for a discretionary employer contribution and the Company did not contribute in 2011.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

E. Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, Company contributions, if any, and an allocation of the participant's share of Plan income or losses and fees. Participants direct the investment of their contributions into various investment options offered by the Plan.

F. Vesting and Forfeitures

Participants are immediately 100% vested as to voluntary contributions, rollovers and related earnings. Participants vest in Company contributions and related earnings as follows:

Years of Service	Vesting Schedule
0	0%
1	0%
2	40%
3	60%
4	80%
5	100%

Forfeitures may be used to reduce administrative expenses and future Company contributions. At December 31, 2011, all participant accounts under the Plan are comprised of participant contributions and rollovers.

G. Notes Receivable from Participants

The Plan allows participants to borrow not less than $1,000, up to the lesser of $50,000 or 50% of their vested account balance. A loan is secured by a participant's vested account balance, bears a fixed rate of interest which is generally the prime rate plus 1% and must be repaid to the Plan in five years unless the loan is used for the purchase of a principal residence, in which case the maximum repayment period may be extended. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants at December 31, 2011 carried interest at the rate ranging from 4.25% to 5.50%.

H. Payment of Benefits

Normal retirement age under the Plan is age 65. Upon termination of service, death, disability or retirement, a participant or beneficiary may choose to maintain his or her account in the Plan or to receive benefits in a lump sum or installments equal to the value of the participant's vested account balance. Hardship distributions are allowed under limited circumstances.

I. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. The accounts of participants affected by a partial or complete termination of the Plan are non-forfeitable and will be determined as of the termination date, which will be treated as the valuation date.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The Plan maintains its accounting records on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

B. Notes Receivable from Participants

The Financial Accounting Standards Board (FASB) recently issued ASU 2010-25, Reporting Loans to Participants by Defined Contribution Pension Plans – a consensus of the FASB Emerging Issues Task Force, clarifying the classification and measurement guidance on participant loans of a defined contribution pension plan. The ASU requires participant loans to be classified as notes receivable from participants. This guidance is a change to the requirement to classify participant loans as investments recognized in accordance with ASC 820, Fair Value Measurements Disclosures. The Plan adopted this guidance for the Plan year ended December 31, 2010.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based on the terms of the Plan document.

C. Investment Valuation and Income Recognition

Plan investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

D. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect reported amounts and disclosures. Actual results may differ from those estimates.

E. Risks and Uncertainties

Plan investments are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in equity markets, interest rates, or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and statement of changes in net assets available for benefits.

NOTE 3 - INCOME TAX STATUS

The Plan operates under a volume submitter Plan document that has received a favorable opinion letter from the Internal Revenue Service. The Plan administrator believes the Plan qualifies under

NOTE 3 - INCOME TAX STATUS (Continued)

and has been operated in accordance with the applicable requirements of the Code and related state statutes, and that the trust, which forms a part of the Plan, is exempt from Federal income and state franchise taxes.

The Plan has adopted guidance on accounting for uncertainty in income taxes issued by FASB. The Plan administrator believes that the Plan has taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance. Information returns for years for which applicable status of limitations have not expired are subject to examination by authorities.

NOTE 4 - RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by State Street Bank and Trust Company, the trustee. Transactions in these funds are considered party-in-interest transactions under ERISA regulations, but such transactions are permitted under provisions of the Plan and are specifically exempt from the prohibitions of party-in-interest transactions under ERISA.

NOTE 5 - INFORMATION CERTIFIED BY THE TRUSTEE

In accordance with CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, State Street Bank and Trust Company certified the current value of assets held at December 31, 2011 and 2010 and investment activity for the year ended December 31, 2011 that were used in the preparation of the accompanying financial statements and supplemental schedule of assets (held for investment). The following table presents the fair value of investment funds that include 5% or more of the Plan's net assets available for benefits at December 31:

	2011	2010
Invesco Stable Value Asset Fund**	$ 197,539	$ 192,959
SSgA Life Solutions Balance Growth Fund	*	117,158

	$ 2,390,597	$ 2,288,261

* Fair value is less than 5% of net assets available for benefits.
** Formerly the SSgA Stable Value Fund (Note 7).

Certified dividends and interest were $54,352 for the year ended December 31, 2011. Certified net appreciation (depreciation) in Plan investments (including gains and losses on investments bought and sold as well as held during the year) for the year ended December 31, 2011 is as follows:

Common/Collective Trusts	$ 982
Mutual Funds	(131,568)
	$ (130,586)

NOTE 6 - FAIR VALUE MEASUREMENTS

Accounting guidance establishes a hierarchy which prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end based on closing market prices. Units of the Stable Value Fund, a common/collective trust are valued at the fair value per unit reported by Invesco (Note 7). Other common/collective trust investments are valued at fair value based on the closing market prices of the trusts' underlying securities.

The following tables summarize Plan investments at December 31 based on the inputs used to value them:

NOTE 7 - INVESCO STABLE VALUE FUND

Effective January 21, 2011, Invesco National Trust Company succeeded State Street Global Advisors as trustee and investment manager of the SSgA Stable Value Fund and the fund was renamed the Invesco Stable Value Asset Fund.

The Invesco Stable Value Asset Fund is a common/collective trust that seeks to provide a competitive level of income that is consistent with preservation of capital. The average yield of the fund was approximately 1.29% and 1.85% for 2011 and 2010, respectively.

Because the fund is fully benefit responsive, contract value is the relevant measurement attribute for that portion of net assets available for benefits attributable to the fund. Contract value represents contributions made to the fund, plus earnings, less participant withdrawals and administrative expenses. Participants may direct the withdrawal or transfer of all or a portion of their investments in the fund at contract value. The Plan may be limited in its ability to redeem investments in the fund at contract value for Plan level transactions that are not the result of benefit responsive events, and market value adjustments may apply. Contract and fair value of the fund are approximately equal at December 31, 2011 and 2010, respectively. The Plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.

NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500

The difference between the information reported in the financial statements and the information reported in the Form 5500 arise primarily from presenting the financial statements on the accrual basis of accounting. The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	December 31, 2011	December 31, 2010
Net Assets Available for Benefits Per the Financial Statements	$ 2,375,240	$ 2,257,540
Add: Excess Contributions Payable	34,549	37,224
Net Assets per the Form 5500	$ 2,409,789	$ 2,294,764

The following is a reconciliation of the benefits paid to participants per the financial statements to the Form 5500 for the year ended December 31, 2011:

	January 1, 2011 to December 31, 2011
Total Distributions and Benefits Paid to Participants per the Financial Statements	$ 139,514
Less: 2011 Excess Contributions Payable	(34,549)
Add: 2010 Excess Contributions Payable	37,224
Total Benefit Payments per the Form 5500	$ 142,189

NOTE 9 - DELINQUENT PARTICIPANT CONTRIBUTIONS

Contributions totaling $12,513 withheld from participants' pay during the 2011 Plan year were not deposited with the Plan trustee within established guidelines. The Plan administrator engaged in a prohibited transaction under ERISA as a consequence of the failure to timely remit participant deferrals to the Plan. The Plan administrator intends to fully restore earnings to the accounts of participants from the loss date to the recovery date.

NOTE 10 - SUBSEQUENT EVENTS

Effective March 2012, the Plan was amended and restated to remove Allee, LLC and Nick's Cove & Cottages, LLC from the participating employers.

Management has evaluated subsequent events through October 1, 2012, the date on which the financial statements were available to be issued. Other than the foregoing, there are no material subsequent events that require recognition or additional disclosures in the financial statements.
