FARRELL FRITZ, P.C. PROFIT SHARING PLAN - 401(K)

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2011

NOTE 1: DESCRIPTION OF PLAN

The following description of the Farrell Fritz, P.C. Profit Sharing Plan - 401(k) (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution prototype plan administered by the American Bar Association ("ABA") on behalf of Farrell Fritz, P.C. (the "Plan Sponsor"). The Plan Sponsor's employees are eligible to participate in the plan once they have six months of employment and 500 hours of service during the plan year and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). During the current year, the Plan adopted an amendment that allows for participants to convert amounts available for distribution into a Roth Individual Retirement Account.

Contributions - During 2011, participants may contribute up to $16,500 of pretax annual compensation, or $16,500 of a Roth 401k contribution or a combination of both, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions not to exceed $5,500 as a pretax annual contribution, a Roth contribution or a combination of both. Participants may also contribute amounts representing distributions from other qualified retirement plans. Participants direct the investment of their contributions into various diversified investment options offered by the Plan. The Plan Sponsor may also elect to make an employer contribution to the Plan, subject to limitations, for any plan year. The Plan Sponsor did not elect to make a contribution for the current year.

Participant Accounts - Each participant's account is credited with the participant's contributions, earnings or losses from self-directed investments and administration fees. Each participant's benefit is determined from their vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant gradually vests in the Firm's contribution and is 100% vested after six years of credited service.

Notes Receivable from Participants - Participants may borrow from their account a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.12% to 9.25%. The interest rate is determined by the Plan Administrator at loan issuance and is commensurate with local prevailing rates. Principal and interest is paid ratably through payroll deductions. All loans are repaid within a period of five years, and have maturity dates ranging from January 2012 through October 2016.

NOTE 1: DESCRIPTION OF PLAN (continued)

Payment of Benefits - On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installments over various periods. For termination of service due to other reasons, or for financial hardship, a participant will receive the value of the vested interest in his or her account upon request, as a lump-sum distribution.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recognized when earned. Net appreciation (depreciation) includes the realized net gains and losses on investments sold, as well as, unrealized gains and losses on investments held during the year.

Notes Receivable from Participants

Notes receivable are measured at their unpaid principal balance plus any accrued interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan Document.

Payment of Benefits

The Plan records payments to withdrawing participants when paid.

Net Changes in Fair Value of Investments

The plan presents in the Statement of Changes in Net Assets Available for Benefits the net change in the fair value of its investments which consists of the realized gains and losses and the net unrealized appreciation (depreciation) on these investments.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Reclassifications

Certain amounts in the Plan year 2010 financial statements have been reclassified to conform to the Plan year 2011 presentation, with no effect on the net assets available for benefits.

NOTE 3: FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

Accounting Standards Codification ("ASC") No. 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 includes inputs of quoted active market prices for corporate debt and equity securities comprising net asset values of the shares held by the Plan. The Self-Managed Brokerage Account qualifies as Level 1 within the hierarchy. Level 2 includes inputs of quoted prices of similar assets in active markets, or the same asset in an inactive market. The Common/Collective Trust accounts are institutional accounts established by Northern Trust Co. (Trustee). Although similar in nature to mutual funds, the accounts are not actively traded, and therefore qualify as Level 2 within the hierarchy. Level 3 includes unobservable and significant inputs to the fair value measurement. The plan does not hold any Level 3 assets.

The table below segregates all financial assets and liabilities as of December 31, 2011 and 2010 that are measured at fair value on a recurring basis (at least annually) into the most appropriate level within the fair value hierarchy based on the lowest level of inputs that is significant to determine the fair value at the measurement date:

NOTE 3: FAIR VALUE MEASUREMENTS (continued)

INTERNATIONAL ALL CAP EQUITY FUND 26,540 and 25,213 shares, respectively	$ 648,208	$ 688,691

During 2011 the plans investments, consisting primarily of institutional funds, depreciated in value by $12,201.

NOTE 5: OPERATING EXPENSES AND PARTY-IN-INTEREST TRANSACTIONS

Certain administrative expenses incurred in connection with the Plan are paid by the Plan Sponsor. The Plan Sponsor does not seek reimbursement from the Plan for the payment of these expenses, including accounting fees. Certain administrative functions are performed by officers and employees of the Plan Sponsor. No officer or employee receives compensation from the Plan for these services.

All common collective trust funds are managed by the Trustee, Northern Trust Company. Transactions with such funds qualify as exempt party-in-interest transactions. ING LLC is the custodian of the plans investments.

The Plan Administrator (ABA), Trustee (Northern Trust Co.), and Custodian (ING Institutional Plan Services, LLC) are reimbursed for costs incurred, and receive a management fee for providing investment services. These costs are deducted from the investment value, and are reflected in the net appreciation/(depreciation) in the fair value of investments on the Statement of Changes in Net Assets Available for Benefits.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 7: TAX STATUS

The Internal Revenue Service has determined and informed the Plan Administrator by a letter dated March 31, 2008 that it's prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Service Code (IRC). The Plan has also been amended since receiving the opinion letter and the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The Plan Administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2011, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for the years prior to 2008.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan offers many diversified investment alternatives to its participants. These investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9: CERTIFICATION OF COMPLETENESS AND ACCURACY (UNAUDITED)

The Plan administrator has received a certification from the trustee as to the completeness and accuracy of the Plan's investments at year end and related investment information for the year in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 10: SUBSEQUENT EVENTS

The Plan Sponsor has evaluated all events subsequent to the balance sheet date of December 31, 2011 through September 4, 2012, which is the date the accompanying financial statements and supplemental schedule were available to be issued, and determined there were no subsequent events requiring additional disclosure.
