INDEPENDENT AUDITOR'S REPORT

The Administrative Committee of
The CBSA and Affiliates 401(k) Savings Plan

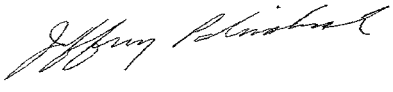

I have audited the accompanying CBSA and Affiliates 401(k) Savings Plan as of December 31, 2007 and 2006, and the related statements of changes in net assets available for benefits and of changes in accumulated plan benefits for the year ended December 31, 2007, and the supplemental schedules of (1) Schedule H, line 4j – Schedule of Reportable Transactions for the year ended December 31, 2007. These financial statements are the responsibility of the Plan's management. My responsibility is to express an opinion on these financial statements based on my audits.

Except as discussed in the following paragraphs, I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that our audits provide a reasonable basis for our opinion.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me to not perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Capital Bank and Trust Company and Mid Atlantic Trust Company, the trustees of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedules. I have been informed by the plan administrator that Mid Atlantic Trust Company held the Plan's investment assets and executed investment transactions from April 1, 2006 to December 31, 2007, and that Capital Bank and Trust Company held the Plan's investment assets and executed investment transactions for the period January 1, 2006 to March 31, 2006. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2007 and 2006, that the information provided to the plan administrator by the trustee is complete and accurate.

In my report dated October 14, 2008, my opinion on the financial statements was additionally disclaimed due to scope limitations. The scope limitations where due to the Plan's records and procedures not being adequate to assure the completeness of participants' data on which contributions and benefit payments were determined, the Administrative Committee had not engaged me to perform, nor did I perform any other auditing procedures with respect to participants' data maintained by the sponsor or individual participants at that time. Subsequent to October 14, 2008 I was engaged, and did perform additional auditing procedures sufficient to remove the necessity for the additional disclaimer.

Because of the significance of the information that I did not audit, I am unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedules taken as a whole. The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by me in accordance with auditing standards generally accepted in the United Sates of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Income Security Act of 1974.

NOTE - 1 DESCRIPTION OF PLAN

The following description of the CBSA and Affiliates (Company) 401(k) Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Company who have six months of service and are age twenty and one-half or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to the maximum amount, as allowed by law, of pretax annual compensation. Participants may also contribute amounts representing distributions from other qualified plans. Additionally, participants age 50 or older may contribute catch-up contributions, also up to the maximum amount allowed by law. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes 25% of the first 6% of compensation that a participant contributes to the Plan. Additional profit sharing may be contributed at the option of the Company's board of directors.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of the Company's contribution and Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings and account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in both their contributions and the Company's contributions plus actual earnings thereon.

Participant Loans

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at a fixed rate which is 2% above the prime rate at the date the loan is originated. Interest rates currently range from 6% to 10.75%. Scheduled principal and interest payments will be made through payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or monthly, quarterly, semi-annual or annual installments or annuity payments.

NOTE - 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual amounts could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in mutual funds are stated at fair value as determined by the trustees, using market quotations and other available information. Money market funds and participant loans are valued at cost, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

NOTE - 3 INVESTMENTS

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and disclosure under ERISA. Accordingly, Capital Bank and Trust Company and Mid Atlantic Trust Company have certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate with respect to investments:
