PACIFIC PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2011 and 2010

NOTE A — DESCRIPTION OF PLAN

General

The following description of the Pacific Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

The Plan is a profit sharing plan covering eligible employees of Pacific Leasing, LLC and ACX Pacific Northwest, Inc. (the "Company"). The Plan's original effective date is July 1, 2004; the effective date of the Plan's amendment and restatement is July 1, 2009. All regular employees become eligible and may begin to participate in the Plan after obtaining the age of 18.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Company may elect to make voluntary contributions to the Plan. Participants will be eligible to receive an allocable share of the forfeitures and employer contributions if they have completed a minimum of 1,000 hours of service and are employed by the Company on the last day of the plan year unless they have retired, died, or become disabled.

Participants may not elect to contribute to the Plan unless the amounts represent distributions from other qualified plans.

Participant Accounts

Each participant's account is credited with an allocation of (a) the Company's contributions, if applicable, (b) Plan earnings, (c) expenses and (d) forfeitures of terminated participants' non-vested accounts. Allocations are based on participant's total wages, as defined in Section 415(c) of the Internal Revenue Code. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants become 20% vested in employer contributions plus earnings thereon for each full year of service, which consists of a minimum of 1,000 hours. Service is calculated using all years of service after the first year. A participant is 100% vested after six years of credited service. Participants are always 100% vested in employee contributions plus actual earnings thereon that represent distributions from other qualified plans.

Funding Policy

The Plan is funded through employer contributions made to the trust accounts.

NOTE A — DESCRIPTION OF PLAN (CONTINUED)

Investment Options

Participants may not direct the manner in which their accounts are invested among the Plan's investment funds.

Payment of Benefits

On termination of service due to resignation, discharge, death, disability, or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. At December 31, 2011 and 2010, the vested account balances of employees who terminated services but had not received a distribution from the Plan totaled $43,058 and $25,110, respectively. These amounts include the 2011 and 2010 distributions payables of $1,433 and $1,684, respectively, presented on the statements of net assets available for benefits.

Participant Loans

The Plan does allow participants to request loans from their accounts. At December 31, 2011 and 2010, no participant loans were outstanding.

Forfeitures

The Plan allocated $1,464 and $4,794 of non-vested forfeited amounts in 2011 and 2010, respectively. At December 31, 2011 and 2010, $21,196 and $3,970 in non-vested amounts may be forfeited in future Plan years.

Administration of Plan Assets

The Plan's assets are held in trust by Wells Fargo Advisors and State Farm Bank. The Plan utilizes the services of a third-party administrator to assist in the record keeping of the Plan.

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities. Revenue is recorded when realizable or realized and earned. Expenses are recorded when incurred.

The Plan follows the recommendations of *FASB ASC 962, Plan Accounting – Defined Contribution Pension Plans*.

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

The Plan pays for third-party administrative fees and audit fees. The Company pays for trust management fees and other administrative fees and expenses incurred by the Plan.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Employer receivables

The Plan does not utilize an allowance for doubtful accounts. The Plan only receives contributions from the Company, which are made at the Company's discretion. In addition, there were no participant loans made during the plan year and no outstanding loans as of December 31, 2011 and 2010. The contributions receivables were deposited into the Plan by April 2012.

Investment Valuation and Income Recognition

Investments are stated at fair value as determined at year end by Wells Fargo Advisors and State Farm Bank. Investment interest and dividends are recorded as income when credited by Wells Fargo Advisors and State Farm Bank.

Payment of Benefits

Benefits are recorded when paid or approved for payment.

NOTE C — INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Company and the Plan administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

NOTE D — PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE E — INVESTMENT CONCENTRATIONS

The Plan maintains its cash in a money market account held with State Farm Bank. In 2011, the Plan sold its stocks and mutual funds held with Wells Fargo Advisors and moved the proceeds to a money market account, also held with Wells Fargo Advisors. The balances of the money market accounts, at times, may exceed federally insured limits.

Investments held with both Wells Fargo Advisors and State Farm Bank are in excess of 5% of net assets. The particular investments that represent 5% or more of the Plan's net assets are separately identified.

Non-participant directed investments:	
State Farm Bank Money Market, 74%	$ 458,741
Wells Fargo Advisors Money Market, 23%	146,005

	2011

NOTE G — FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes it valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan utilizes the guidance under *FASB ASC 820 Fair Value Measurement.* The objective of ASC 820 is to establish a fair value framework (hierarchy) for valuing investments in the Plan's financial statements. The Plan's investments are valued using Level 1 inputs, which consist of unadjusted quoted prices in active markets for identical assets. The Plan utilizes year end statements provided by Wells Fargo Advisors to determine the fair value of its investments.

NOTE H – SUBSEQUENT EVENTS

The Company has evaluated subsequent events through September 28, 2012, the date which the financial statements were available to be issued.
