Independent Auditor's Report

Participants and the Plan Administrator of
Lettuce Help You Fund
Chicago, Illinois

We have audited the accompanying statement of net assets available for benefits of **Lettuce Help You Fund** as of June 30, 2012, and the related statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit. The statement of net assets available for benefits of **Lettuce Help You Fund** as of June 30, 2011 and the related statement of changes in net assets available for benefits for the year then ended were audited by Blackman Kallick, LLP, whose report dated January 11, 2012 expressed an unqualified opinion on those statements. Blackman Kallick, LLP subsequently merged into Plante & Moran, PLLC.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the 2012 financial statements referred to above present fairly, in all material respects, the net assets available for benefits of **Lettuce Help You Fund** as of June 30, 2012, and the changes in its net assets available for benefits for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Note 1 - Description of Plan

The following description of Lettuce Help You Fund (the Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General

The Plan was established by Lettuce Entertain You Enterprises, Inc. (the Company) on July 1, 2005 and covers substantially all hourly employees of the Company. The Plan is a defined contribution welfare benefit plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration of the Plan

The Company is the Plan's sponsor and administrator. The Plan's Board of Trustees consists of the following Company personnel: one owner, the Director of Human Resources and three hourly employees. The three hourly employees will rotate each plan year. The Plan sponsor pays administrative costs.

Eligibility

All hourly employees of the Company, except for those who are managers or qualify as "highly compensated" employees under Internal Revenue Service (IRS) guidelines, are eligible to participate in the Plan after completing 90 days of service.

Contributions

All contributions to the Plan are voluntary. All employees of the Company, including those not covered by the Plan for benefit purposes, may make contributions to the Plan after completing 90 days of service. The Company may also make contributions to the Plan.

Payment of Benefits

The Plan provides emergency financial assistance to eligible employees in cases of extreme financial need beyond the employees' control. Examples include loss of residence, funeral expenses, uninsured automobile damages and uninsured medical expenses.

A benefit payment will only be considered upon completion of an application for financial assistance by an eligible employee. All benefit payments will be made at the discretion of the hourly trustees. All claims will be reviewed and decided upon within 90 days. However, if there are special circumstances that require additional time to process the claim, the Plan administrator will notify the participant of a specific date no later than 180 days after receipt of the claim. A participant has the right to appeal a denial within 60 days after written notification of denial or expiration of the 90- or 180-day review period, whichever is applicable. Additional information regarding the claim can be submitted at the time of the appeal.

Note 1 - Description of Plan

Payment of Benefits (Continued)

In most cases, benefit payments will be made through the Company's payroll system as the majority of the payments will be subject to payroll taxes. The Plan will then reimburse the Company for the amount of the payments. Benefit payments can also be made directly from the Plan's trust.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Plan are prepared under the accrual method of accounting.

Payment of Benefits

Benefits are recorded when paid.

Management Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through March 7, 2013, the date the 2012 financial statements were available for issuance.

Note 3 - Income Tax Status

The Trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)9 of the Internal Revenue Code, and, accordingly, the Trust's income is exempt from income taxes.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of June 30, 2012, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2009.

Note 4 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify benefits, discontinue contributions and terminate the Plan at any time subject to the provisions set forth in ERISA.
