The Board of Directors and Plan Administrator

We were engaged to audit the statement of net assets available for benefits – modified cash basis of the TrendStaff LLC 401K Plan (the “plan”) as of December 31, 2008 and 2009 and the statement of changes in net assets – modified cash basis available for benefits for the year ended December 31, 2009, and for the supplemental schedule of assets held for investment as of December 31, 2009. These financial statements and schedule are the responsibility of the Plan’s management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules (DOL) and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in the footnotes to the financial statements, which was certified by the trustee of the Plan for the year ended December 31, 2009, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan Administrator that the trustee holds the Plan’s investments assets and execute investment transactions. As described in the footnotes to the financial statements, these financial statements and supplemental schedule were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and schedule taken as a whole. The form and content of the information included in the financial statements and schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

TRENDSTAFF LLC 401K PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2009

A. Description of Plan

The following description of the TrendStaff LLC 401K Plan (the “Plan”) is provided for general information purposes only. The plan Sponsor is TrendStaff LLC. Participants should refer to the Plan Agreement for more complete information.

General

The Plan was adopted effective January 1, 2008, and amended November 19, 2009, and is a qualified defined contribution plan covering all eligible employees of TrendStaff LLC (Company) who have completed three months of service and are 21 years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Automatic Data Processing, Inc (ADP), acts as record keeper and third party administrator of the Plan. State Street Bank and Trust Company acts as the trustee of the Plan.

Contributions

Each year, participants may contribute up to 60 percent of either their pretax or after tax (ROTH) compensation, as defined in the Plan, subject to certain maximum dollar amounts, which are indexed for inflation and adjusted for age. The Company makes matching contributions up to 4% of the amount of the participant’s elective deferrals, as defined by the “safe harbor” 401(k) plan election effective in 2008. The Company made a matching contribution in the amount of \$121,217 for 2009.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s contribution and (b) Plan earnings. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

Description of Plan – continued

Vesting

Participants are immediately vested in their contributions plus actual earning thereon. Vesting in the Employer's contribution is also immediate.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant with an account balance of \$5,000 or less may automatically have benefits distributed in a lump-sum payment.

A participant may receive a hardship distribution of his or her salary reduction contributions if the distribution is (1) an account of medical expenses incurred by the participant, his spouse or dependents, (2) to purchase (excluding mortgage payments) a principal residence of the participant, (3) for the payment of tuition, related educational fees and room and board for the next twelve months of post secondary education for the participant, his spouse, children or dependents, (4) needed to prevent eviction of the participant from his principal residence or foreclosure upon the mortgage of the participant's principal residence, (5) for the payment of funeral expenses for your deceased parent, spouse, children or other dependents or your primary beneficiary under the Plan, or (6) expenses for the repair of damage to your principal residence that would qualify for the casualty deduction under the Internal Revenue Code.

Loans to Participants

Participants may borrow up to 50% from their vested balance and the loan is collateralized by their vested balance. Loans must be repaid within five years, unless used to purchase primary residence. Interest is charged at the rate of The Wall Street Journal prime rate plus 2% and is credited to the participant's account when paid.

Description of Plan – continued

Administrative Expenses

The Plan pays substantially all administrative fees and expense related to maintaining the Plan. Fees of \$1,825 were charged to the plan in 2009. The Sponsor pays the majority of the administrative costs through their payroll costs of the plan administrator, ADP charges, and other overhead and administrative costs.

B. Summary of Accounting Principles

Basis of Accounting

The trustee prepares the Plan's fund statements on a modified cash basis and also reports assets on Form 5500 on a modified cash basis. Accordingly, the accompanying financial statements are also presented on the modified cash basis of accounting whereby cash basis assets have been adjusted to reflect investments at fair value. This is a comprehensive basis of accounting other than U. S. generally accepted accounting principles that is acceptable under ERISA and DOL regulations. The Plan does not account for liabilities and, accordingly, recognizes expenditures when money is disbursed.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of American requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS (continued)

Summary of Accounting Principles – Continued

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end. These investments are subject to market and/or credit risks customarily associated with equity investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The investments are subject to market or credit risks customarily associated with debt and equity investments.

The financial statements reflect the adoption of Statement on Financial Accounting Standards No. 157 (SFAS No. 157), Fair Value Measurements. SFAS No. 157 is effective for financial statements issued for fiscal years beginning after November 17, 2007. SFAS No. 157 established a single authoritative definition of fair value, sets a framework for measuring fair value and requires additional disclosures about fair value measurement.

In accordance with SFAS No. 157, the Plan classified its investments into Level 1, which refers to securities traded in an active market. Level 2 and Level 3 do not apply to the Plan

D. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. Because the Plan is a defined contribution plan, it is not covered by Pension Benefit Guaranty Coverage insurance.

E. Tax Status

The Plan has received a determination letter from the Internal Revenue Service (the "IRS") dated March 31, 2008; stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the "Code") and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTES TO FINANCIAL STATEMENTS (continued)

December 31, 2009

F. Plan Amendments and Changes

The Plan amended the Plan Agreement on November 19, 2009 to comply with federal legislation.

G. Party-In-Interest Transactions

ADP is the record keeper and third party administrator of the plan and as such is a party-in-interest with respect to the plan. Fees paid to ADP aggregated \$1,825 in 2009. State Street Bank & Trust Company is the Plan's trustee.

H. Financial Information Certified by the Plan's Custodians (Unaudited)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the independent auditors not to perform any auditing procedures with respect to the following information certified as complete and accurate by Raymond James & Associates, the custodians and parties-in-interest as defined by ERISA, as of December 31, 2007, except for comparing such information certified by the custodians to information included in the Plan's financial statements. The information consists of the following:

Registered investment company funds	\$ 985,291
Common/collective trusts	27,129
Participant loans	12,063
	<u>\$ 1,024,483</u>

TRENDSTAFF LLC 401K PLAN

NOTES TO FINANCIAL STATEMENTS (continued)

December 31, 2009

J. Concentrations of Risk

The Plan's investments are not insured by agencies of the United States government. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for plan benefits. The maximum amount of loss due to credit risk that the Plan would incur if parties to the financial instruments failed to perform according to the terms of the contracts and the collateral, in any, proved to be of no value would approximate the balances that appear on the Statement of Net Assets Available for Benefits.

K. Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any of several investment options, and may change their investment options at anytime via the internet. At December 31, the following investment options were available:

Income Funds:

1. SSGA Stable Value Fund
2. PIMCO Real Return Fund – Class A
