REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANT

Trustee and Plan Administrator
Concept HR Retirement Savings Plan
Warrenville, South Carolina

I was engaged to audit the accompanying statements of net assets available for benefits of Concept HR Retirement Savings Plan (the "Plan") as of December 31, 2009 and 2008, and the related statement of changes in net assets available for benefits and supplemental schedule for the year ended December 31, 2009, as listed in the accompanying table of contents. These financial statements and schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Notes 3 and 4 and the accompanying supplemental schedule, which were certified by Transamerica Retirement Services, the recordkeeper of the Plan as agent of the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. I have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certification from the agent of the trustee as of and for the years ended December 31, 2009 and 2008 that the information provided to the plan administrator by the agent of the trustee is complete and accurate.

Because of the significance of the information that I did not audit, I am unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the agent of the trustee, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

**CONCEPT HR
RETIREMENT SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The Concept HR Retirement Savings Plan (the "Plan") was established effective August 1, 2002. Concept HR, the Plan Sponsor, provides risk management, human resources, payroll, and employee benefits to businesses and their employees primarily in the Southeastern United States. Concept HR is headquartered in Warrentonville, South Carolina.

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan document for more complete information of the Plan's provisions.

General

The Plan is a multiple employer defined contribution plan covering employees of participating companies who have at least one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 90 percent of pretax annual compensation, as defined in the Plan, subject to calendar year limits established annually by the Internal Revenue Service. Participating companies may make additional discretionary contributions on their employees' behalf. Contributions to the Plan are invested under a Group Pension Contract (the "Contract") issued by Transamerica Life Insurance and Annuity Company. Participants direct the investment of all Plan contributions made on their behalf into several separate pooled account funds managed by Transamerica Retirement Services.

Vesting

Participants are immediately vested in their own elective deferral contributions. Vesting in the participating companies' discretionary contribution portion is based on years of continuous service. Participants are 100% vested after six years of credited service.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) employer contributions, (b) Plan earnings and, (c) forfeitures made by participants, and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit provided from the participant's vested account.

Participant Loans

Participants may request a loan from the Plan at any time during their employment, in cases of financial hardship, as defined. Loans are subject to minimum amounts of \$1,000 and maximum amounts of the lesser of \$50,000 or 50% of the Vested Interest in the participant's account. Loans are secured by the balance in the participant's account and bear interest at prevailing market rates.

Forfeited Accounts

Forfeited accounts consist of the portion of a participant's account attributable to contributions made by a participating company that is forfeited when the participant leaves the employ of the participating company before becoming 100% vested. Forfeitures are used first to offset the annual Plan administrative expenses and then to reduce future Employer Contributions, as defined.

(Continued)

NOTE 1 - DESCRIPTION OF PLAN, Continued

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or the designated beneficiary is entitled to receive 100 percent of the balance of his or her account. For termination of service due to other reasons, a participant is entitled to receive the vested portion of his or her account.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investment Valuation and Income Recognition

The Plan's investments are stated at contract value, which is determined daily based on fair value for all separate pooled accounts under group annuity contracts and all mutual funds under custodial agreements with Transamerica Retirement Services. Investments in the Contract have no stated maturity date, therefore, contract value is the amount payable to plan participants upon demand. In accordance with Statement of Financial Accounting Standards No. 107, "Disclosures About Fair Value of Financial Instruments," fair value is determined as the amount payable on demand at the reporting date.

Purchases and sales of securities are recorded on a trade-date basis.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the balance sheet and the reported amounts of revenues and expenses for the operating period. Actual results could differ significantly from those estimates.

Payment of Benefits

Benefit payments to participants are recorded when paid.

NOTE 3 - INVESTMENTS

Plan investments representing 5% or more of Plan net assets at December 31, 2009 are as follows:

Transamerica Cash Management	\$ 646,808
Transamerica Growth Opp	318,162
Transamerica AIM International Growth	368,591
Transamerica American Funds Growth Fund of America	388,662
Transamerica Vanguard Target Ret 2045	328,952
Transamerica Janus Adviser Intl Growth	359,827
	<hr/>
	\$ 2,411,002

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2002, the Plan entered into a fully benefit-responsive investment contract with Transamerica Life Insurance and Annuity Company (Transamerica). Transamerica maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the statements of net assets available for benefits at contract value, which approximates fair value. Contract value is determined daily based on the fair value for all separate accounts under group annuity contracts and all mutual funds managed by Transamerica. Contract value for the stable value fund is determined as the amount payable to plan participants on demand.

(Continued)

NOTE 4 – INVESTMENT CONTRACT WITH INSURANCE COMPANY, Continued

The fair value of the investment contract at December 31, 2009 and 2008 was \$5,083,000 and \$3,249,039, respectively. The minimum, average, and closing interest rates for the stable value fund during the years ended December 31, 2009 and 2008 were 2.75%, 3.16%, and 2.75% (2009) and 3.50%, 3.53%, and 3.50% (2008). Such interest rates are reviewed and reset on a monthly basis. The stable value fund has no stated maturity dates. Accordingly these investments are carried at contract value, which approximates fair value, and is the amount participants in the fund would receive if they were to initiate permitted transactions under the terms of the underlying defined contribution plan.

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with Transamerica. The Plan administrator believes the occurrence of such events that would also limit the Plan's ability to transact at contract value with Plan participants is not probable.

NOTE 5 - RELATED PARTY TRANSACTIONS

Certain Plan investments are interests in separate pooled accounts managed by Transamerica Retirement Services, the agent of the trustee. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$79,577 for the year ended December 31, 2009.

NOTE 6 - INCOME TAX STATUS

The Internal Revenue Service has determined that the Plan is in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been recognized in the Plan's financial statements.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

No differences exist between amounts presented in the financial statements and those amounts as reported in the Plan's Form 5500 for the years ended December 31, 2009 and 2008.
