HAGAN ACE HARDWARE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the Hagan Ace Hardware 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan adopted by the following nine companies: Hagan Ace Hardware of Blanding, Inc., Hagan Ace Hardware of Middleburg, Inc., Hagan Ace Hardware of Hilliard, Inc., Hagan Ace Hardware of Mandarin, LLC, Hagan Ace Hardware of Macclenny, LLC, Hagan Ace Hardware of St. Augustine, LLC, Hagan Ace Hardware of Anastasia, LLC, Hagan Ace Hardware of Palatka, LLC, and Hagan Management Company. The plan was adopted by Hagan Management Company effective January 1, 2008, and by the other eight companies effective January 1, 2005. The Plan covers all employees of the Companies who have one year with at least 1,000 hours of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Each year, participants may contribute up to 85% of pretax annual compensation, as defined in the Plan. The Companies make "safe harbor" matching contributions of 100% of the first 3% and 50% of the next 2% of compensation that a participant contributes to the Plan. The Plan allows catch-up contributions by participants aged 50 and up as well as "rollover" contributions from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers twenty eight mutual fund investment options to participants.

Participant Accounts. Each participant's account is credited with the participant's contribution, the Companies' matching contribution, and investment earnings minus a fixed quarterly custodial fee. Investment earnings are determined separately for each account based on that account's investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participant contributions, "safe harbor" matching contributions, "rollover" contributions, and the earnings thereon are always 100% vested. Company profit sharing contributions (merged in from the Predecessor Plans) with their earnings vest 100% upon three years of credited service.

Participant Loans. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at reasonable rates relative to rates on similar loans by other lenders as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits. On termination of service, benefits are paid as a lump-sum amount equal to the value of the participant's vested interest in his or her account. For 100% vested accounts, in-service distributions are permitted with respect to rollovers from other plans at any time, with respect to Section 401(k) deferrals in case of documented hardship (as defined in the Plan agreement), and with respect to Section 401(k) deferrals and "safe harbor" matching contributions after age 59 ½.

Forfeited Accounts. At December 31, 2012 and 2011, forfeited nonvested accounts totaled $384 and

HAGAN ACE HARDWARE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

$375, respectively. These accounts will be used to reduce future employer contributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events have been evaluated through October 9, 2013, which is the date the financial statements were available to be issued.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. For investments in the variable mutual funds program, the Plan's custodian computes daily unit values from the mutual funds' official net asset value and distributions information with deduction for asset management charge. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Most Plan administrative expenses are paid by the Companies.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

FASB ASC 820-10 (formerly SFAS No.157, *Fair Value Measurements*), establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. In the absence of Level 1 inputs, Level 2 inputs were used if available to the Plan, and level 3 inputs would only be used when Level 1 or Level 2 inputs were not available.

HAGAN ACE HARDWARE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Level 1 Fair value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair value Measurements

The fair value of investments in variable mutual funds programs is determined by daily unit values the Plan's custodian computes from the mutual funds' official net asset value and distributions information with deduction for asset management charges.

Fair Value Measurements Using Significant Unobservable Inputs (Level 3)

Because either Level 1 inputs or Level 2 inputs were available for all of its investments, the Plan made no fair value measurements using Level 3 inputs.

NOTE D – INVESTMENTS (UNAUDITED)

At December 31, 2012 and 2011, the balance for this account totaled $384 and $375, respectively. During 2012, the account increased $9 from investment income.

NOTE F - PLAN TERMINATION

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all amounts credited to their accounts

NOTE G - TAX STATUS

The Plan is an adoption of a volume submitter plan that, according to a letter dated March 31, 2008, from the Internal Revenue Service, the Service has determined is acceptable under Section 401(a) of the Internal Revenue Code. No modifications from the approved specimen plan have been made to the Plan. The plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

U. S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2012.

HAGAN ACE HARDWARE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE H – RELATED PARTY TRANSACTIONS

Fees for the Plan's audit and third-party administrative and compliance services are paid by the Companies. All other expenses of maintaining the Plan are paid by the Plan.

NOTE I - PLAN TERMINATION

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all amounts credited to their accounts.

NOTE J - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the custodians of the Plan.

	2012	2011

NOTE K - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
