The Administrative Committee
Harris Construction Company, Ltd.
Employee 401(K) Plan
Houston, Texas

We were engaged to audit the statement of net assets available for plan benefits of the Harris Construction Company, Ltd. Employee 401(K) Plan as of December 31, 2010 and 2009, and the statement of changes in net assets available for plan benefits and supplementary schedule of assets held for investment purposes at December 31, 2010 for the year then ended. These financial statements and schedules are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 9, which was certified by Hartford life Insurance Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2010 and 2009 that the information provided to the plan administrator by the custodian is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and schedule taken as a whole. The form and content of the information included in the financial statements and schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion are presented in compliance with Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS
Harris Construction Company, Ltd. Employee 401(K) Plan
December 31, 2010 and 2009

1. Summary of Significant Accounting Policies

A summary of the major accounting policies followed by the Harris Construction Company, Ltd. ("Company") Employee 401 (K) Plan ("Plan") in the preparation of the accompanying financial statements is presented below.

The Plan's investments in mutual funds are reported at fair value as determined by The Hartford Life Insurance Company, based on quoted market values of underlying assets. Purchases and sales of securities are recorded on a trade-date basis.

Interest income is accounted for on the accrual basis.

The Retirement Savings Plan is qualified under Section 401(a) of the Internal Revenue Code and is exempt from Federal Income Taxes under 501(a) of the Internal Revenue Code.

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

2. Cash and Investments

The Plan's investments are held by a retirement plan insurance company and are composed of money market, growth and income funds.

During the years ended December 31, 2010 and 2009, the Plan's investments experienced the following net realized and unrealized gains and losses:

	2010	2009
Realized Mutual Funds Gains	$ 34,708	$ 11,133
Realized Mutual Funds Losses	-0-	(120,741)
Net Realized Gain	$ 34,708	$ (109,608)
Unrealized Mutual Funds Gains	$ 365,317	$ 656,743
Unrealized Mutual Funds Losses	(66,022)	-0-
Net Unrealized Gain (Loss)	$ 299,295	$ 656,743

3. Plan Participants' Equity

The net assets available for Plan benefits are composed of the Trust fund established by the Plan's Trustee for the benefit of Harris Construction Company, Ltd. participants.

4. Description of Plan

The following description of The Harris Construction Company, Ltd. Employee 401(K) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all full-time employees of the company who are at least eighteen years of age and have more than one year (1,000 hours within 12 months) of service. It is subject to the provisions of the Employee Retirement Security Act (ERISA).

The trustee of the Plan is the plan administrator, who is the managing member of the plan sponsor/Company. Among other duties, the trustee is responsible for overseeing the Plan and evaluating plan management and service providers. The Hartford Life Insurance Company serves as the custodian of the Plan's assets. The custodian's duties include receiving contributions, holding and investing the fund assets in accordance with the directions of the participants, and making distributions as directed by the plan administrator. The Hartford Life Insurance Company serves as the third party administrator, responsible for plan administration, recordkeeping, and transaction processing, including maintaining complete and accurate account records for all plan participants, allocating contributions and earnings, posting distributions and forfeiture information to participant accounts, and preparing participant statements and reports.

CONTRIBUTIONS

For both 2010 and 2009, the maximum contribution that can be made is $16,500 per year, plus an additional $5,500 catch-up contribution for employees who are at least age 50 by the end of the year. From January 1, 2009 through January 31, 2009, the Company matched 50% of a participant's 3% compensation. Effective Febuary 1, 2009, the company suspended all employer matches until further notice.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution and (b) Plan earnings as determined by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

4. Description of Plan (Continued)

ADMINISTRATIVE CHARGES

All administrative expenses of the Plan may be paid by the Plan or the Company and may be reduced by forfeitures. Investment management fees are assessed by the custodian and are offset against investment income.

VESTING

Participants are always 100% vested in amounts contributed from their salary deferrals.

As of August 1, 2004 the Plan was amended to allow participants to be 100% vested for matching contributions provided by the Company.

Prior to July 31, 2004, participants vested in matching contributions at a rate of twenty percent per year that graduated from 0% with less than two years of service to 100% with six or more years of service.

Participants will always be vested if they are employed on or after their normal retirement age.

FORFEITURES

The non-vested portion of a terminated participant's account balance remains in the Plan. Forfeitures will be used to reduce future employer contributions, and/or plan related administrative expenses. Forfeited non-vested accounts total $7,808 and $6,777 at December 31, 2010 and 2009.

PAYMENT OF BENEFITS

On termination of service due to death, disability or retirement, a participant will be entitled to receive 100% of their account balance in either a lump sum amount or in annual installments over a specified period of time.

On termination of service for reasons other than death, disability or retirement, a participant will be entitled to receive only the "vested percentage" of their account balance and the remainder of their account will be forfeited. Only contributions made by the Employer are subject to forfeiture.

LOANS

Participants are able to borrow up to the lesser of 50% of their vested balances or $50,000. All loans bear a reasonable interest rate based on current market rates and all loans have a definite repayment period not to exceed five years. Loan repayments at a minimum are made on a quarterly basis and must be paid by payroll deductions. As of December 31, 2010, interest rates on outstanding loans range from 4.25% to 9.25% with payback periods ranging from one to five years.

ADMINISTRATIVE CHARGES

All administrative expenses of the Plan, except amounts paid for certain investments, advisory services and bank charges, are paid by the Company participant.

5. Continuation of Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

6. Participant Directed Investments

Investments held by the Plan represent participant-directed accounts. That is, individual participants decide how funds held in trust for them are allocated among various investments. Participants should see the Hartford Life Insrance Company website for the mutual fund choices offered.

7. Party-in-Interest Transactions

Plan investments are money market accounts and mutual funds managed by The Hartford Life Insurance Company, an entity that is a party-in-interest with respect to the Plan. These transactions are exempt and covered by the Prohibited Transaction Exemption provisions of ERISA and the Code.

8. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

		Fair Value Measurements Using:	
December 31, 2010	Fair Value	Quoted Prices in Active Markets (Level 1)	Significant Unobservable Inputs (Level 3)

Mutual Funds	$ 3,400,741	$ 2,263,601	$ 1,137,140

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 3 Fair Value Measurements

The guaranteed investment contract with an insurance company and participant loans are not actively traded and significant other observable inputs are not available. Thus, the fair value of the guaranteed investment contract is determined by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer. The fair value of participant loans approximates the amortized cost of the loans because the loans are secured by each respective participant's account balance. The following table provides further details of the Level 3 fair value measurements.

9. Certification Information

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, information prepared and certified by a bank or insurance company, which is regulated, supervised and subject to periodic examination by a state or federal agency, need not be audited. The plan administrator has obtained certifications from the Hartford Life Insurance Company (custodian) that all information provided by them is complete and accurate. Information included in the accompanying financial statements and notes to financial statements as to investments, net appreciation (depreciation) in fair value of investments, interest income and all information in the Supplemental Schedule H, line 4i, Schedule of Assets (held at year end), is presented solely upon reliance on those certifications. The independent auditors did not perform auditing procedures with respect to this information except for comparing such information to the related information in the financial statements, notes to financial statements, and supplemental schedule.

11. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

12. Subsequent Events

Subsequent events were evaluated through July 22, 2011, which is the date the financial statements were available to be issued.
