We were engaged to audit the accompanying statements of net assets available for benefits of AVALON LABORATORIES, LLC, 401(K) as of December 31, 2009 and 2008, and the related statement of changes in net assets available for benefits for the year ended December 31, 2009, and the supplemental Schedule of Assets Held at End of Year, referred to as "supplemental information" as listed in the accompanying index as of or for the year ended December 31, 2009. These financial statements and schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by State Street Bank and JP Morgan Chase, the trustees of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that JP Morgan Chase held the Plan's investment assets and executed investment transactions from October 1, 2009 to December 31, 2009, and that State Street Bank held the Plan's investment assets and executed investment transactions as of December 31, 2008 and for the period January 1, 2009 to September 30, 2009. The plan administrator has obtained certifications from the trustees as of and for the years ended December 31, 2009 and 2008, that the information provided to the plan administrator by the trustees is complete and accurate.

As described in Note B, these financial statements and supplemental schedule were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and schedules taken as a whole. The form and content of the information included in the financial statements and schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.
