To the Board of Trustees of
The Searing Industries Retirement Savings Plan:

We have audited the accompanying statement of net assets available for benefits of the The Searing Industries Retirement Savings Plan as of December 31, 2009, and the related statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2009, and the changes in net assets available for benefits for the year ended December 31, 2009 in conformity with accounting principles generally accepted in the United States of America.

Our audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2009, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting Disclosures under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audit of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

The Searing Industries Retirement Savings Plan
Notes to Financial Statements
December 31, 2009

1. Plan Description

The following description of The Searing Industries Retirement Savings Plan (the Plan) only provides general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

a. General

Searing Industries, Inc. (the Company) established the Plan, a defined contribution plan, effective February 1, 1989, to provide savings benefits for all eligible employees. The Plan was restated effective February 1, 1996.

An employee is eligible for participation once he or she (1) has completed one year of service, and (2) has attained the minimum age of 21 and (3) has completed a minimum of 1,000 hours of service. Normal age of retirement is 65.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

b. Contributions

The Plan is a profit sharing plan whereby contributions are made by the Company only. The Company's contributions are discretionary and are made to the Plan without regard to the existence of net profits of the Company.

c. Participant Accounts

Each participant's account is credited with an allocation of the Company's contributions, Plan earnings, and forfeitures of terminated participants' nonvested accounts and charged with an allocation of administrative expenses. Allocations are based on participant earnings, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

The Company's contributions plus earnings thereon vest 20 percent after two years of qualilfied service plus an additional 20 percent for each additional year of qualified service up to a maximum of 100 percent.

e. Participant Loans Receivable

Participants may borrow from their fund accounts a minimum of $1,000 and a maximum equal to the lesser of $50,000 reduced by the highest outstanding balance of previous loans during the one year period ending on the date the loan was made or 50% of their vested account balance or $10,000. The loan repayment term is for a period not to exceed 5 years or up to 20 years if the purpose of the loan is to acquire a primary residence. The loans are secured by the balance in the participant's accounts and bear interest at a rate charged by commercial lenders for a loan of similar duration, repayment terms, and security. The loans shall be amortized over the term of the loan, with payments not less frequent than quarterly. Participant loans are stated at cost which approximates fair value.

1. Plan Description - continued

f. Payment of benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in annual installments as permitted. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

2. Summary of Significant Accounting Policies

a. Basis of Accounting

The Plan's accounting records are maintained on the accrual basis.

b. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

c. Income Recognition

Interest and dividend income are recorded as earned on the accrual basis.

d. Investment Valuation

Investment balances are carried at the quoted market price as of December 31, 2009.

e. Administrative Expenses

All expenses of the Plan are paid by the Company except for investment transaction fees.

f. Investment Risks

The Plan provides for investments in various instruments that, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for plan benefits.

3. Investments

Individual investments that represent five percent or more of the Plan's net assets are as follows:

	2006
Fidelity Contrafund	676,182
Fidelity Value Fund	778,889
Fidelity Low-Priced Stock	778,889
Fidelity Diversified International Fund	778,889

Fidelity Freedom 2000 Fund	1,349,418
Fidelity Freedom 2020 Fund	1,349,418

4. Tax Status

The Internal Revenue Service has determined and informed the Company by letter dated August 18, 1997, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administration and tax counsel believe that the Plan is currently designed and being operated in compliance with the qualification requirements of the IRC, and was tax exempt as of the financial statement date.

5. Plan Termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions or amend the Plan at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

6. Contract with Fidelity Investments Institutional Operations Company, Inc.

On October 1, 2003, the Company entered into a Letter of Retention and Compensation Agreement with Fidelity Investments Institutional Operations Company, Inc. (Fidelity). In accordance with the terms of the agreement, Fidelity provides administrative services to the Plan subject to certain terms and conditions as defined in the agreement.
