Report on the Financial Statements

I have audited the accompanying financial statements of the TEAM Employees Health and Welfare Trust Fund Welfare Benefit Plan, which comprise the statements of net assets available for benefits as of October 31, 2016 and 2015, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the status of TEAM Employees Health and Welfare Trust Fund Welfare Benefit Plan as of October 31, 2016 and 2015, and the changes in its financial status for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Other Matter

As discussed in Note 1 to the financial statements, effective October 31, 2016, the plan sponsor terminated the trust used to fund the TEAM Employees Health and Welfare Trust Fund Welfare Benefit Plan and assumed all liabilities for unpaid claims incurred on or before that date.

Note 1 – Description of the Plan

The following description of the TEAM Employees Health and Welfare Trust Fund Welfare Benefit Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions, copies of which may be obtained from the Plan sponsor.

General and Plan Termination

The Plan was a defined benefit health and welfare plan covering all active full-time employees of TEAM Risk Management Strategies, LLC (the "Company") who had completed 60 days of services, as defined, and their covered dependents. The Plan was established on November 1, 2012. The Plan's assets were held in a Voluntary Employee Benefit Association (VEBA trust). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Company has the right, under the Plan, to modify the benefits provided to participants, change contributions required of participants, to discontinue its contributions to the Plan, or to terminate the Plan subject to the provisions set forth in ERISA. Upon termination, all of the Plan's assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits to the participants and to pay administrative expenses. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

On October 25, 2016, the Company terminated the VEBA trust, effective October 31, 2016, without terminating the plan, and will fund benefit obligations and reasonable plan expenses through the Company's general assets or other sources. Upon termination, the Company assumed all benefit obligations for claims incurred on or before the date of termination.

Contributions

The Company contributed, on an as-needed basis, amounts that were sufficient to enable the Plan to pay claims, stop-loss insurance premiums, and administrative expense. Any deficiency of the Plan's net assets over benefit obligations was funded by the Company on a pay-as-you-go basis. Participants contributed specified amounts to the Plan based on applicable monthly premiums for their respective benefit elections.

Benefits

The Plan provided self-funded medical, dental and vision benefits to eligible employees who have elected to participate in the Plan and their covered dependents. The Plan also offers continuation of benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act ("COBRA").

The Plan had entered into a stop-loss insurance arrangement to limit its exposure to self-funded medical benefits. The specific stop-loss coverages reimburses the Plan for eligible claim expenses paid by the Plan in excess of $80,000 per individual per year. The aggregate stop-loss coverage reimburses the Plan for eligible claims expenses paid by the Plan in access of an annual aggregate deductible. The maximum reimbursement payable to the Plan under the aggregate stop-loss coverage is $1,000,000 per year.

Note 1 – Description of the Plan (continued)

Benefits (continued)

All other Plan benefits were self-insured. Claims for self-funded benefits were processed by third-party claims processors under administrative services only ("ASO") arrangements. The claims processors paid claims from funds provided by the Plan. Despite the Plan's utilization of third-party claims processors, the ultimate responsibility for the payment of claims was retained by the Plan.

Plan obligations for claims incurred but not reported ("IBNR") were estimated by the Plan's management, based on historical claims data provided by the Plan's third-party claims administrators. Upon termination, the obligations for IBNR claims was assumed by the Company.

Note 2 – Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. These financial statements were approved by the trustees of the Plan and available for issuance on February 28, 2017. Subsequent events have been evaluated through this date.

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Payment of Benefits

Benefit payments to participants are recorded when paid by the third-party claims processor. Benefits are reported net of related stop-loss insurance reimbursements. During the years ended October 31, 2016 and 2015, stop-loss insurance reimbursements totaling $614,487 and $1,172,054, respectively, have been netted with claims paid in the accompanying statements of changes in net assets.

Stop-Loss Insurance Reimbursements Receivable

Stop-loss insurance reimbursement receivable is recorded when claims are paid at the amount expected to be received from the insurer. An allowance for uncollectible receivables may be recorded based on management's review of outstanding amounts. Stop-loss insurance reimbursements receivable are estimated to be fully collectible at October 31, 2016 and 2015.

Premiums Paid for Stop-Loss Insurance Coverage

Premiums paid for stop-loss insurance coverage are recorded ratably over the policy period.

Note 2 – Significant Accounting Policies (continued)

Administrative Expenses

Administrative expenses of the Plan may be paid by the Plan as provided in the Plan document. However, the Company may also pay the Plan expenses directly. Transaction charges for loan and benefit payment transactions, if any, are paid by the Plan by reducing the balances of those participants initiating the transaction.

Note 3 – Federal Income Tax Status

The Internal Revenue Service has determined and informed the Company, via a letter dated April 21, 2013, that the Plan is qualified and the trust established under the Plan is tax-exempt, under the appropriate sections of the Internal Revenue Code section 501(c)(9). The Plan has been amended since receiving the determination letter, however, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that, more likely than not, would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of October 31, 2016 and 2015, there were no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities and other jurisdictions, however, there are currently no audits in progress for any tax periods. The plan administrator believes it is no longer subject to income tax examinations on tax returns filed prior to 2012.

Note 4 – Party-In-Interest Transactions

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. As discussed in Note 1, the third-party claims processors are parties in interest to the Plan.

Note 5 – Benefit Obligation

Report on the Financial Statements

I have audited the accompanying financial statements of the TEAM Employees Health and Welfare Trust Fund Welfare Benefit Plan, which comprise the statements of net assets available for benefits as of October 31, 2016 and 2015, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the status of TEAM Employees Health and Welfare Trust Fund Welfare Benefit Plan as of October 31, 2016 and 2015, and the changes in its financial status for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Other Matter

As discussed in Note 1 to the financial statements, effective October 31, 2016, the plan sponsor terminated the trust used to fund the TEAM Employees Health and Welfare Trust Fund Welfare Benefit Plan and assumed all liabilities for unpaid claims incurred on or before that date.

Note 1 – Description of the Plan

The following description of the TEAM Employees Health and Welfare Trust Fund Welfare Benefit Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions, copies of which may be obtained from the Plan sponsor.

General and Plan Termination

The Plan was a defined benefit health and welfare plan covering all active full-time employees of TEAM Risk Management Strategies, LLC (the "Company") who had completed 60 days of services, as defined, and their covered dependents. The Plan was established on November 1, 2012. The Plan's assets were held in a Voluntary Employee Benefit Association (VEBA trust). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Company has the right, under the Plan, to modify the benefits provided to participants, change contributions required of participants, to discontinue its contributions to the Plan, or to terminate the Plan subject to the provisions set forth in ERISA. Upon termination, all of the Plan's assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits to the participants and to pay administrative expenses. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

On October 25, 2016, the Company terminated the VEBA trust, effective October 31, 2016, without terminating the plan, and will fund benefit obligations and reasonable plan expenses through the Company's general assets or other sources. Upon termination, the Company assumed all benefit obligations for claims incurred on or before the date of termination.

Contributions

The Company contributed, on an as-needed basis, amounts that were sufficient to enable the Plan to pay claims, stop-loss insurance premiums, and administrative expense. Any deficiency of the Plan's net assets over benefit obligations was funded by the Company on a pay-as-you-go basis. Participants contributed specified amounts to the Plan based on applicable monthly premiums for their respective benefit elections.

Benefits

The Plan provided self-funded medical, dental and vision benefits to eligible employees who have elected to participate in the Plan and their covered dependents. The Plan also offers continuation of benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act ("COBRA").

The Plan had entered into a stop-loss insurance arrangement to limit its exposure to self-funded medical benefits. The specific stop-loss coverages reimburses the Plan for eligible claim expenses paid by the Plan in excess of $80,000 per individual per year. The aggregate stop-loss coverage reimburses the Plan for eligible claims expenses paid by the Plan in access of an annual aggregate deductible. The maximum reimbursement payable to the Plan under the aggregate stop-loss coverage is $1,000,000 per year.

Note 1 – Description of the Plan (continued)

Benefits (continued)

All other Plan benefits were self-insured. Claims for self-funded benefits were processed by third-party claims processors under administrative services only ("ASO") arrangements. The claims processors paid claims from funds provided by the Plan. Despite the Plan's utilization of third-party claims processors, the ultimate responsibility for the payment of claims was retained by the Plan.

Plan obligations for claims incurred but not reported ("IBNR") were estimated by the Plan's management, based on historical claims data provided by the Plan's third-party claims administrators. Upon termination, the obligations for IBNR claims was assumed by the Company.

Note 2 – Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. These financial statements were approved by the trustees of the Plan and available for issuance on February 28, 2017. Subsequent events have been evaluated through this date.

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Payment of Benefits

Benefit payments to participants are recorded when paid by the third-party claims processor. Benefits are reported net of related stop-loss insurance reimbursements. During the years ended October 31, 2016 and 2015, stop-loss insurance reimbursements totaling $614,487 and $1,172,054, respectively, have been netted with claims paid in the accompanying statements of changes in net assets.

Stop-Loss Insurance Reimbursements Receivable

Stop-loss insurance reimbursement receivable is recorded when claims are paid at the amount expected to be received from the insurer. An allowance for uncollectible receivables may be recorded based on management's review of outstanding amounts. Stop-loss insurance reimbursements receivable are estimated to be fully collectible at October 31, 2016 and 2015.

Premiums Paid for Stop-Loss Insurance Coverage

Premiums paid for stop-loss insurance coverage are recorded ratably over the policy period.

Note 2 – Significant Accounting Policies (continued)

Administrative Expenses

Administrative expenses of the Plan may be paid by the Plan as provided in the Plan document. However, the Company may also pay the Plan expenses directly. Transaction charges for loan and benefit payment transactions, if any, are paid by the Plan by reducing the balances of those participants initiating the transaction.

Note 3 – Federal Income Tax Status

The Internal Revenue Service has determined and informed the Company, via a letter dated April 21, 2013, that the Plan is qualified and the trust established under the Plan is tax-exempt, under the appropriate sections of the Internal Revenue Code section 501(c)(9). The Plan has been amended since receiving the determination letter, however, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that, more likely than not, would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of October 31, 2016 and 2015, there were no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities and other jurisdictions, however, there are currently no audits in progress for any tax periods. The plan administrator believes it is no longer subject to income tax examinations on tax returns filed prior to 2012.

Note 4 – Party-In-Interest Transactions

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. As discussed in Note 1, the third-party claims processors are parties in interest to the Plan.
