PITTSBURGH CORNING CORPORATION INVESTMENT PLAN FOR HOURLY EMPLOYEES AT SEDALIA, MISSOURI

NOTES TO FINANCIAL STATEMENTS AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2009 AND 2008

1. DESCRIPTION OF PLAN

The following brief description of the Pittsburgh Corning Corporation Investment Plan for Hourly Employees at Sedalia, Missouri (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General — The Plan, adopted effective July 1, 1996, is a defined contribution plan and covers substantially all employees who are represented by the United Steel Workers of America Union and who are employed by Pittsburgh Corning Corporation (the “Corporation”) at its Sedalia plant on a full-time hourly paid basis. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

The Employee Welfare Administrative Committee of the Corporation is responsible for the administration of the Plan. Vanguard Fiduciary Trust Company (“Vanguard”) serves as the trustee and record keeper of the Plan. The investment assets of the Plan are held in Vanguard Mutual Trust Funds and Vanguard Retirement Savings Trust (RST), which are maintained in separate accounts.

Contributions — Contributions under the Plan are made by both the participants and the Corporation. Eligible employees may elect to make after-tax contributions and tax-deferred contributions ranging from 1% to 25% of their eligible compensation for the Plan years ended December 31, 2009 and 2008, respectively, as defined by the Plan, subject to Internal Revenue Code (IRC) limitations. The IRC limitations for the years 2009 and 2008 are \$16,500 and \$15,500, respectively, for regular contributions and \$5,500 and \$5,000, respectively, for catch-up contributions. The Corporation makes contributions to the Plan for each pay period, which is determined by multiplying each participant’s contribution, up to a maximum of 5% of his or her eligible compensation, by 50%.

As of January 1, 2008, the Corporation enhanced the Plan in conjunction with the termination of the Retirement Plan for Salaried Employees of Pittsburgh Corning Corporation by instituting a 3% safe harbor contribution on behalf of all active union employees. During 2009 and 2008, the Corporation transferred \$440 and \$800,009, respectively, in assets from the terminated Retirement Plan for Hourly Employees of Pittsburgh Corning Corporation to the Plan.

Total employer contributions credited in 2009 and 2008 were \$284,257 and \$277,990, respectively, including \$284,463 and \$20,577, respectively, of the funds transferred into the Plan from the Retirement Plan for Hourly Employees of Pittsburgh Corning Corporation.

Investments — At the option of each participant, employee savings are invested in any of the Vanguard Group Mutual Funds or the RST. At December 31, 2009, the investment options are the Vanguard International Growth Fund, the Vanguard LifeStrategy Growth Fund, the Vanguard LifeStrategy Moderate Growth Fund, the Vanguard LifeStrategy Conservative Growth Fund, the Vanguard LifeStrategy Income Fund, the Vanguard Mid-Cap Index Fund, the Vanguard Prime Money Market Fund, the Vanguard Windsor Fund, the Vanguard Windsor II Fund, the Vanguard 500 Index Fund, the Vanguard Primecap Fund, the Vanguard Total Bond Market Index Fund, the Vanguard Small-Cap Index Fund, and the Vanguard Retirement Savings Trust.

A participant may cancel contributions by contacting Vanguard. Participants in all of the funds do not own specific securities or other assets in such funds; rather, participants have an interest therein represented by units.

Participant Accounts — Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and allocations of the Corporation's contributions, as well as Plan earnings and charged for fund expenses. Allocations are based on participant earnings or account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting — All contributions vest immediately.

Loans — Participants may borrow up to 40% of the value of their individual account balance, subject to a maximum of \$50,000. Personal or educational loans are to be repaid over a maximum of five years or on the date of the participant's termination of employment, whichever occurs first, and bear interest based on the prime rate, plus 1%. Residential loans are to be repaid over a maximum of 25 years or on the date of the participant's termination of employment, whichever occurs first, and bear interest at the prime rate. Repayments are made through payroll deductions.

Distributions — A participant may elect to withdraw all or part of his or her deferred compensation upon reaching age 59-1/2, termination, or becoming totally and permanently disabled. A participant who has not attained age 59-1/2 may also withdraw all or part of the participant's contributions, not including interest or gains, upon showing of hardship, but will be suspended from the Plan for six months. A participant may also withdraw his or her after-tax employee savings contributions for the current year. A participant can elect to defer his or her distributions upon termination, if total deferred compensation is at least \$5,000, until the end of the year in which age 70-1/2 is attained, at which time the initial withdrawal must occur. Plan participants may elect to receive distributions either in a lump-sum amount or by installment amounts not to exceed 15 years.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting — The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America under the accrual method of accounting.

Use of Estimates — The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Risks and Uncertainties — The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the financial statements.

Valuation of Investments — Investments in securities traded on securities exchanges are valued at the latest quoted sales price for such securities. Securities traded in the over-the-counter market and listed securities, for which no sale was reported on that day, are valued at bid quotations. The Plan's investment in the RST, which is a common collective trust, is considered fully benefit-responsive and is presented at fair value in the statements of net assets available for benefits, as well as an additional line item showing an adjustment of fully benefit-responsive contracts from fair value to contract value. The fair value is calculated by discounting the recorded cash flows of the underlying investments based upon current yields of similar investments with comparable durations. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The statements of changes in net assets available for benefits are presented on a contract value basis for the fully benefit-responsive contracts, which is equal to the principal balance plus accrued interest.

Participant loans are valued at the outstanding loan balances.

Net appreciation includes recognized gains and losses on the sale of investments and current-year unrealized appreciation or depreciation. Dividends and interest are recorded as earned.

Expenses — Administrative expenses of the Plan are paid directly by either the Plan or the Corporation, as provided by the Plan document.

In June 2009, the FASB issued new accounting guidance entitled, The FASB Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles, a replacement of FASB Statement No. 162 (ACS or, collectively, the "Codification"). The Codification does not change generally accepted accounting principles but reorganizes the literature; future changes will be communicated in "Accounting Standards Update" (ASU). The Codification became effective for the Company in 2009.

In May 2009, the FASB issued ASC 855 (originally issued as FASB Statement No. 165, *Subsequent Events*), to establish general standards of accounting for and disclosing events that occur after the balance sheet date, but prior to the issuance of financial statements. The guidance requires disclosure on the date through which subsequent events have been evaluated and the basis for that date. For the year ended December 31, 2009, subsequent events have been evaluated through June 30, 2010, the date the financial statements were available to be issued.

In 2009, FASB Staff Position 157-4, *Disclosures Determining Fair Value When the Volume and Level of Activity for the Asset or Liability Have Significantly Decreased and Identifying Transactions That Are Not Orderly*, was issued and later codified into ASC 820, which expanded disclosures and required that major category for debt and equity securities in the fair value hierarchy table be determined on the basis of the nature and risks of the investments.

In September 2009, the FASB issued ASU No. 2009-12, *Fair Value Measurements and Disclosures: Investments in Certain Entities That Calculate Net Asset per Share (or Its Equivalent)* (“ASU 2009-12”), which amended ASC Subtopic 820-10, *Fair Value Measurements and Disclosures — Overall*. ASU No. 2009-12 is effective for the first reporting period ending after December 15, 2009. ASU No. 2009-12 expands the required disclosures for certain investments with a reported net asset value (NAV). ASU No. 2009-12 permits, as a practical expedient, an entity holding investments in certain entities that calculate net asset value per share or its equivalent for which the fair value is not readily determinable, to measure the fair value of such investments on the basis of that net asset value per share or its equivalent without adjustment. The ASU requires enhanced disclosures about the nature and risks of investments within its scope. Such disclosures include the nature of any restrictions on an investor’s ability to redeem its investments at the measurement date, any unfunded commitments, and the investment strategies of the investee. The Plan has adopted ASU No. 2009-12 on a prospective basis for the year ended December 31, 2009. Adoption did not have a material impact on the fair value determination and disclosure of applicable investments. The effect of the adoption of the ASU had no impact on the statements of net assets available for benefits and statement of changes in net assets available for benefits.

Recently Issued Accounting Standards — In January 2010, the FASB issued ASU No. 2010-06, *Fair Value Measurements and Disclosures* (ASU No. 2010-06), which amends ASC 820 (originally issued as FASB Statement No. 157, *Fair Value Measurements*), adding new disclosure requirements for Levels 1 and 2, separate disclosures of purchases, sales, issuances, and settlements relating to Level 3 measurements and clarification of existing fair value disclosures. ASU No. 2010-06 is effective for periods beginning after December 15, 2009, except for the requirement to provide Level 3 activity of purchases, sales, issuances, and settlements on a gross basis, which will be effective for fiscal years beginning after December 15, 2010. The Plan is currently evaluating the impact ASU No. 2010-06 will have on the disclosures in its financial statements.

4. FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurements and Disclosures*, established a single authoritative definition of fair value, set a framework for measuring fair value, and requires additional disclosures about fair value measurements. In accordance with ASC 820, the Plan classifies its investments into Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The following tables set forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2009 and 2008.

6. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Vanguard. Vanguard is the trustee, as defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions.

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Corporation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, each participant is entitled to all amounts credited to his or her account.

8. FEDERAL INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Corporation by a letter dated April 26, 2002, that the Plan and related trust were designed in accordance with the applicable regulations of the IRC. The Plan has been amended since receiving the determination letter; however, the Corporation and the Plan administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

9. INFORMATION CONCERNING PLAN SPONSOR

The Plan sponsor, the Corporation, filed for protection under Chapter 11 of the U.S. Bankruptcy Code on April 16, 2000, and is currently operating under this protection. The Corporation has drafted a reorganization plan and is currently awaiting confirmation of that plan. The Plan sponsor currently intends to continue making matching contributions to the Plan.

10. VOLUNTARY COMPLIANCE MATTER

During 2008, during a routine in-house audit of the Plan's loan procedures, the Plan manager became suspicious of several purported primary residence loans (loans to be used "solely for the purpose of purchasing a primary residence") because the participants had not requested an address change following the issuance of their primary residence loans. The Plan manager then completed an in-depth audit of the Plan's primary residence loan procedures and determined that from 2001 through 2007, 24 loans failed to meet the requirements necessary to qualify as primary residence loans.

Prior to January 2001, the Plan's loan program was administered in house and participants electing a primary residence loan were required to provide adequate documentation indicating that the proceeds from the loan were to be used for the purchase of a primary residence. Beginning in 2001, Vanguard became the Plan's record keeper and trustee and was assigned the responsibility for administering the Plan's loan program. As part of Vanguard's administration, it offered Plan participants the option of selecting an "Express Loan," whereby participants could elect a general purpose loan or a primary residence loan via Vanguard's participant website and without prior approval. Vanguard's "Express Loan" procedures did not require participants to provide primary residence loan documentation, but participants were informed of the restrictions relating to primary residence loans through the online loan application process, the loan policy, a legend on the loan check, and the confirmation of loan transaction.

As a result of the discovery of the invalid primary residence loans, the Plan sponsor sought to correct the loan failures through the IRS Voluntary Compliance Program (VCP). As part of the VCP, among other corrective actions, the Plan sponsor altered the loan application process, effective August 4, 2008, to ensure that Plan participants are no longer permitted to apply for primary residence loans through the "Express Loan" application. Instead, the Plan manager will approve such loans only upon receiving acceptable documentation that the loan proceeds will be used for the purchase of a primary residence. On February 5, 2009, the Plan sponsor received an IRS compliance statement with respect to this matter indicating that the IRS, without the imposition of any taxes or penalties or any challenge to the continued tax favored status of the Plan, accepted the corrective steps taken. On May 1, 2009, the Plan sponsor filed an application under the U.S. Department of Labor's Voluntary Fiduciary Correction Program, as sponsored by the Employee Benefits Security Administration ("EBSA") requesting a no-action letter with respect to the Plan. On March 31, 2010, EBSA issued such no-action letter for the Plan.
