INDEPENDENT AUDITOR'S REPORT

To Tower Extrusions, Ltd., the Plan Administrator of the
Tower Extrusions Ltd. 401(k) Plan

Report on the Financial Statements

I was engaged to audit the accompanying financial statements of **Tower Extrusions Ltd. 401(k) Plan** (the Plan), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2018 and 2017, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Wells Fargo Bank, N.A., the trustee of the Plan, except for comparing such information with the related information included in the financial statements. I have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2018 and 2017, and for the year ended December 31, 2018, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on these financial statements.

Basis of Accounting

I draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. My disclaimer of opinion is not modified with respect to this matter.

Other Matter

The supplemental schedules (modified cash basis) of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (held at end of year) as of and for the year ended December 31, 2018, are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I do not express an opinion on these supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules (modified cash basis), other than that derived from the information certified by the trustee, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 AND 2017

Note 1 - DESCRIPTION OF THE PLAN

The following description of the **Tower Extrusions Ltd. 401(k) Plan** (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that covers all employees of the Plan sponsor, Tower Extrusions, Ltd. (the Company), except part-time, temporary or seasonal employees (unless complete at least 1,000 hours of service) or reclassified employees. An eligible employee may enter the Plan for purposes of the elective deferrals and matching contributions on the first day of the month coinciding with or following attainment of age 18 and after completion of 90 days of service. An eligible employee may enter the Plan for purposes of the nonelective contributions on January 1st or July 1st coinciding with or following attainment of age 18 and after completion of one Year of Service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

Wells Fargo Bank, N.A. serves as the trustee and investment manager for the Plan's funds and executes all investment actions at the discretion of the Plan's participants. Recordkeeping responsibilities are maintained by Wells Fargo Bank, N.A.

Contributions

Each year, participants may contribute pretax annual compensation (as defined by the Plan) up to the maximum permitted by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan includes an automatic deferral feature, whereby the Company will automatically withhold 1% of the participant's compensation from each payroll. That amount will increase by 1% each Plan year until the amount withheld from the participant's paycheck reaches 10% of their compensation. The Plan also includes an automatic escalation feature, whereby the Company will automatically increase a participant's deferral percentage each January 1st until the percentage reaches 10%. These provisions will apply unless the participant elects an alternative deferral amount or elects not to defer under the Plan. Eligible employees may also make rollover contributions representing distributions from certain other eligible retirement plans.

In addition, the Company may elect to make discretionary matching contributions equal to a specified percentage based on each participant's respective contribution to the Plan. For 2018, the Company made payroll basis matching contributions equal to 40% of the participant's elective deferrals that do not exceed 4% of the participant's payroll compensation paid during the 2018 year. A participant is eligible to receive this matching contribution provided they make elective deferrals to the Plan. The matching contribution that was deposited into the Plan during the 2018 Plan year was $244,786.

An employer discretionary nonelective contribution may be contributed to the Plan. To share in the nonelective contribution (if any), the participant must be employed at year end and work at least 1,000 hours of service during the Plan year.

Contributions are subject to certain limitations. Forfeitures of participant's accounts may be used to reduce the Company's contribution or pay Plan expenses.

Note 1 - DESCRIPTION OF THE PLAN (CONT'D)

Participant Accounts

Upon enrollment in the Plan, participants direct the investment of all contributions and earnings into various investment options offered by the Plan. As applicable, each participant's account is credited with the participant's elective deferrals and rollover contributions and allocations of (a) the Company's matching contribution, (b) the Company's nonelective contribution, and (c) Plan income, as well as charged with withdrawals and an allocation of the Plan's losses and Plan expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferrals and rollover contributions, plus actual earnings thereon. The Company's matching and nonelective contributions, and related earnings, are subject to the following vesting schedule: 0% at 0-1 years, 20% at 2 years, 40% at 3 years, 60% at 4 years, 80% at 5 years and 100% at 6 or more years of service. Participants become immediately and fully vested upon attainment of Normal Retirement Age while an employee, upon death while an employee, or becoming disabled while an employee.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. These transactions are treated as transfers from the investment funds to the Loan fund. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with the Wells Fargo Bank, N.A. lending rate plus 2%. Principal and interest are paid ratably through payroll deductions, and the maximum number of loans a participant may have outstanding at one time is two.

Payment of Benefits

Upon separation from service due to death, disability, retirement, or other reasons, a participant may elect to receive their vested account balance. Dependent upon their reason for separation from service, the participant may receive a lump sum, ad-hoc, or installment distribution. In-service distributions may be made from any of the participant's accounts in the Plan in which they are 100% vested and once they reach age 59 ½. Hardship distributions may be made from the participant's elective deferral accounts in the Plan while the participant is still employed based on specific Plan provisions. Certain qualified reservist distributions are allowed under the Plan based on specific Plan provisions.

Forfeited Accounts

At December 31, 2018 and 2017, forfeited non-vested accounts totaled $366 and $1,564 respectively. This account may be used to reduce the Company's contributions, pay Plan expenses, or reinstate previously forfeited account balances of rehired participants. During 2018, $20,521 of Company matching contributions and $626 reinstatements of previously forfeited account balances were paid from forfeited non-vested accounts.

Plan Amendment During the Plan Year

The Company amended the Plan document effective December 1, 2018 to include employees' prior service with Ascend Custom Extrusions LLC for eligibility, allocation, and vesting purposes.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The accounts of the Plan are maintained, and the accompanying financial statements have been prepared, on the modified cash basis of accounting. Elective deferrals and employer contributions and investment income are recognized when received, and disbursements are recognized when made. Purchases and sales of securities are recorded on a trade-date basis. Additionally, investments are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates
The preparation of financial statements in accordance with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies. See Note 3 for a discussion of fair value measurements. Purchases and sales are recorded on a trade-date basis. Investment income is recognized when received by the Plan. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when received. As of December 31, 2018 and 2017, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Payment of Benefits
Benefits are recorded when paid.

Expenses
All operating expenses of the Plan may be paid by either the Plan sponsor or the Plan, as provided by the plan document. Loan administration and distribution fees are paid by the applicable participant.

Excess Contributions
Amounts paid to participants for contributions in excess of amounts allowed by the IRS are recorded when paid. There were no excess contributions required to be paid during 2018. The excess contributions related to the 2018 Plan year were distributed to applicable participants during 2019, but after March 15, 2019. The Plan sponsor will file Form 5330 and pay applicable excise tax to the IRS. The correction (and any excise taxes) will be made from the Plan sponsor's assets and not from the assets of the Plan.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Subsequent Events

Management has evaluated subsequent events through October 11, 2019, the date the financial statements were available to be issued.

The Company amended the Plan document effective March 1, 2019, to exclude from participation in the Plan union employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining.

Wells Fargo Bank, N.A. closed on the sale of its Wells Fargo Institutional Retirement & Trust business, the Plan's trustee, investment manager, recordkeeper, and service provider, to Principal Financial Group effective July 1, 2019. Wells Fargo Bank, N.A. indicated there will be no immediate impacts to their clients or plan participants and all plans and accounts remained with Wells Fargo Institutional Retirement & Trust as of the date the financial statements were issued.

Note 3 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There were no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Following are descriptions of the valuation methodologies used for assets measured at fair value:

***Mutual funds*:** Valued at the net asset value (NAV) of shares held by the Plan at year end. NAV is a quoted price in an active market.

***Collective investment funds, Reliance MetLife Stable Value Fund*:** Valued at the NAV of units of the collective investment fund held by the Plan at year end, as a practical expedient of fair value. The NAV is provided by the collective investment fund's trustee, Reliance Trust Company, and is calculated daily based on the contract value of the underlying guaranteed investment contract of the Metlife Group Annuity Contract 25157. The trustee determines the unit values by dividing the value of the fund's net assets by the total number of units outstanding on the valuation date. Participant transactions (purchases and sales) may occur daily at the published NAV. Subject to certain restrictions, the trustee may postpone the date of payment of redemption proceeds up to 60 business days for the complete withdrawal of a plan's participation in the trust. There are no unfunded commitments to the fund.

Note 3 - FAIR VALUE MEASUREMENTS (CONT'D)

Following are descriptions of the valuation methodologies used for assets measured at fair value (cont'd):

***Collective investment funds, Wells Fargo Bank, N.A. Funds*:** Valued at the NAV of units of the collective investment fund held by the Plan at year end, as a practical expedient of fair value. The NAV is provided by the collective investment funds' trustee, Wells Fargo Bank, N.A., and is derived from the fair value for underlying investments. The investments in the underlying BlackRock Short-Term Investment Fund are valued at amortized cost, which approximates fair value. The fair value of the investment in the collective investment fund is provided to the Plan by the trustee daily. The trustee determines the unit values by dividing the value of each fund's net assets by the total number of participants' units outstanding on the valuation date. Participant transactions (purchases and sales) may occur daily at the published NAV. Subject to applicable legal and regulatory restrictions, the trustee may impose reasonable notice requirements at its discretion, and may suspend redemption privileges or postpone the date of payment of redemption proceeds indefinitely. There are no unfunded commitments to the funds.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018 and 2017:

	Assets at Fair Value as of December 31, 2018			
	Total	**Level 1**	**Level 2**	**Level 3**
Mutual funds	$ 162,054	$ 162,054	$ ---	$ ---
Collective investment funds measured at NAV:*				
Wells Fargo Bank, N.A.	5,854,152			
Reliance Stable Value	35,252			
Total investments at fair value	$ 6,051,458			

	Assets at Fair Value as of December 31, 2017			
	Total	**Level 1**	**Level 2**	**Level 3**
Mutual funds	$ 134,309	$ 134,309	$ ---	$ ---
Collective investment funds measured at NAV:*				
Wells Fargo Bank, N.A.	5,598,827			
Reliance Stable Value	239,416			
Total investments at fair value	$ 5,972,552			

* Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Note 4 - INFORMATION CERTIFIED BY WELLS FARGO BANK, N.A., THE TRUSTEE

The Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Wells Fargo Bank, N.A. certified to the completeness and accuracy of all investments reflected on the accompanying financial statements and supplemental schedule. As permitted under such election, the following investment information was certified by Wells Fargo Bank, N.A. and was not subjected to any auditing procedures performed by the independent public accountant:

	2018	2017
Investments at fair value	$ 6,051,458	$ 5,972,552
Notes receivable from participants	$ 371,644	$ 317,342
Cash, non-interest bearing	$ -0-	$ 26,638
Due to brokers	$ -0-	$ 26,032
Net depreciation in fair value of investments	$ (321,747)	
Dividends	$ 3,207	
Other income	$ 515	
Interest income on notes receivable from participants	$ 21,500	

Note 3: All investment balances included in the note.

Supplemental schedule of assets (held at end of year) (modified cash basis): All investment balances included in the schedule.

Note 5 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

All the Plan investments are held and managed by Wells Fargo Bank, N.A through its business unit, Wells Fargo Institutional Retirement & Trust. Wells Fargo Advisors, LLC, a business affiliate of Wells Fargo Bank, N.A., provides investment advisory services to the Plan. Wells Fargo Bank, N.A. is the trustee, as defined by the Plan, the investment manager, recordkeeper, and the service provider, and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Wells Fargo Bank, N.A. and to Wells Fargo Advisors, LLC amounted to $49,403 and $14,975, respectively, for the year ended December 31, 2018.

The Plan holds investments in mutual funds and common collective investment funds that are managed by Wells Fargo Bank, N.A. Since Wells Fargo Bank, N.A. is the trustee of the Plan, investments involving Wells Fargo Bank, N.A. qualify as party-in-interest transactions.

Wells Fargo Bank, N.A. provides certain administrative services to the Plan pursuant to a Master Services Agreement and Schedules of Services between the Company and Wells Fargo Bank, N.A. Wells Fargo Bank, N.A. receives revenue from mutual funds' and collective investment funds' providers for services Wells Fargo Bank, N.A. provides to the funds. This revenue is used to offset certain amounts owed to Wells Fargo Bank, N.A. for its administrative services to the Plan. This revenue sharing will be paid to an un-invested reserve account after such amounts are received by Wells Fargo Bank, N.A. Wells Fargo Bank, N.A. will periodically allocate amounts held in the reserve account in such a manner that the revenue sharing received for each investment option is allocated prorata to the accounts of participants who were beneficial owners of the applicable investment option. Wells Fargo Bank, N.A. may amend or revise the terms of the revenue sharing with advance notice to the Company.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note 7 - DELINQUENT PARTICIPANT CONTRIBUTIONS AND LOAN REPAYMENTS

During 2018 and 2017, there were instances when participant contributions and loan repayments totaling $808 were not remitted to the Plan in a timely manner. The Company identified the delinquent participant contributions and loan repayments and is fully correcting them. The correction and any excise taxes applicable will be paid out of the Plan sponsor's, and not the Plan's, assets.

Note 8 - TAX STATUS

The Internal Revenue Service (IRS) has determined and informed Wells Fargo Bank, N.A. by a letter dated March 31, 2014, that the volume submitter profit sharing plan with CODA is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Company adopted this volume submitter plan. Although the Plan has been amended since receiving the advisory opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The modified cash basis of accounting requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax jurisdictions; however, there are no audits for any tax periods currently in progress. The plan administrator believes the Plan is not subject to income tax examinations for years prior to 2015.

During the course of the 2017 audit, it was discovered that certain wage amounts (bonuses, paid time off, and other small adjustments) were inadvertently excluded from participants' eligible Plan compensation. In addition, minimal employee longevity awards were contributed to certain individual participants' accounts within the Plan without a specific Plan provision providing for them. The Company will consult with an ERISA attorney and take the necessary and proper corrective actions to restore the Plan and the affected participants. The proper corrective actions and amounts are undeterminable at this time. However, any corrective amounts are not expected to be material to the financial statements.

Note 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits (modified cash basis).

INDEPENDENT AUDITOR'S REPORT

To Tower Extrusions, Ltd., the Plan Administrator of the
Tower Extrusions Ltd. 401(k) Plan

Report on the Financial Statements

I was engaged to audit the accompanying financial statements of **Tower Extrusions Ltd. 401(k) Plan** (the Plan), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2018 and 2017, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Wells Fargo Bank, N.A., the trustee of the Plan, except for comparing such information with the related information included in the financial statements. I have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2018 and 2017, and for the year ended December 31, 2018, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on these financial statements.

Basis of Accounting

I draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. My disclaimer of opinion is not modified with respect to this matter.

Other Matter

The supplemental schedules (modified cash basis) of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (held at end of year) as of and for the year ended December 31, 2018, are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I do not express an opinion on these supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules (modified cash basis), other than that derived from the information certified by the trustee, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 AND 2017

Note 1 - DESCRIPTION OF THE PLAN

The following description of the **Tower Extrusions Ltd. 401(k) Plan** (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that covers all employees of the Plan sponsor, Tower Extrusions, Ltd. (the Company), except part-time, temporary or seasonal employees (unless complete at least 1,000 hours of service) or reclassified employees. An eligible employee may enter the Plan for purposes of the elective deferrals and matching contributions on the first day of the month coinciding with or following attainment of age 18 and after completion of 90 days of service. An eligible employee may enter the Plan for purposes of the nonelective contributions on January 1st or July 1st coinciding with or following attainment of age 18 and after completion of one Year of Service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

Wells Fargo Bank, N.A. serves as the trustee and investment manager for the Plan's funds and executes all investment actions at the discretion of the Plan's participants. Recordkeeping responsibilities are maintained by Wells Fargo Bank, N.A.

Contributions

Each year, participants may contribute pretax annual compensation (as defined by the Plan) up to the maximum permitted by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan includes an automatic deferral feature, whereby the Company will automatically withhold 1% of the participant's compensation from each payroll. That amount will increase by 1% each Plan year until the amount withheld from the participant's paycheck reaches 10% of their compensation. The Plan also includes an automatic escalation feature, whereby the Company will automatically increase a participant's deferral percentage each January 1st until the percentage reaches 10%. These provisions will apply unless the participant elects an alternative deferral amount or elects not to defer under the Plan. Eligible employees may also make rollover contributions representing distributions from certain other eligible retirement plans.

In addition, the Company may elect to make discretionary matching contributions equal to a specified percentage based on each participant's respective contribution to the Plan. For 2018, the Company made payroll basis matching contributions equal to 40% of the participant's elective deferrals that do not exceed 4% of the participant's payroll compensation paid during the 2018 year. A participant is eligible to receive this matching contribution provided they make elective deferrals to the Plan. The matching contribution that was deposited into the Plan during the 2018 Plan year was $244,786.

An employer discretionary nonelective contribution may be contributed to the Plan. To share in the nonelective contribution (if any), the participant must be employed at year end and work at least 1,000 hours of service during the Plan year.

Contributions are subject to certain limitations. Forfeitures of participant's accounts may be used to reduce the Company's contribution or pay Plan expenses.

Note 1 - DESCRIPTION OF THE PLAN (CONT'D)

Participant Accounts

Upon enrollment in the Plan, participants direct the investment of all contributions and earnings into various investment options offered by the Plan. As applicable, each participant's account is credited with the participant's elective deferrals and rollover contributions and allocations of (a) the Company's matching contribution, (b) the Company's nonelective contribution, and (c) Plan income, as well as charged with withdrawals and an allocation of the Plan's losses and Plan expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferrals and rollover contributions, plus actual earnings thereon. The Company's matching and nonelective contributions, and related earnings, are subject to the following vesting schedule: 0% at 0-1 years, 20% at 2 years, 40% at 3 years, 60% at 4 years, 80% at 5 years and 100% at 6 or more years of service. Participants become immediately and fully vested upon attainment of Normal Retirement Age while an employee, upon death while an employee, or becoming disabled while an employee.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. These transactions are treated as transfers from the investment funds to the Loan fund. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with the Wells Fargo Bank, N.A. lending rate plus 2%. Principal and interest are paid ratably through payroll deductions, and the maximum number of loans a participant may have outstanding at one time is two.

Payment of Benefits

Upon separation from service due to death, disability, retirement, or other reasons, a participant may elect to receive their vested account balance. Dependent upon their reason for separation from service, the participant may receive a lump sum, ad-hoc, or installment distribution. In-service distributions may be made from any of the participant's accounts in the Plan in which they are 100% vested and once they reach age 59 ½. Hardship distributions may be made from the participant's elective deferral accounts in the Plan while the participant is still employed based on specific Plan provisions. Certain qualified reservist distributions are allowed under the Plan based on specific Plan provisions.

Forfeited Accounts

At December 31, 2018 and 2017, forfeited non-vested accounts totaled $366 and $1,564 respectively. This account may be used to reduce the Company's contributions, pay Plan expenses, or reinstate previously forfeited account balances of rehired participants. During 2018, $20,521 of Company matching contributions and $626 reinstatements of previously forfeited account balances were paid from forfeited non-vested accounts.

Plan Amendment During the Plan Year

The Company amended the Plan document effective December 1, 2018 to include employees' prior service with Ascend Custom Extrusions LLC for eligibility, allocation, and vesting purposes.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The accounts of the Plan are maintained, and the accompanying financial statements have been prepared, on the modified cash basis of accounting. Elective deferrals and employer contributions and investment income are recognized when received, and disbursements are recognized when made. Purchases and sales of securities are recorded on a trade-date basis. Additionally, investments are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates
The preparation of financial statements in accordance with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies. See Note 3 for a discussion of fair value measurements. Purchases and sales are recorded on a trade-date basis. Investment income is recognized when received by the Plan. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when received. As of December 31, 2018 and 2017, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Payment of Benefits
Benefits are recorded when paid.

Expenses
All operating expenses of the Plan may be paid by either the Plan sponsor or the Plan, as provided by the plan document. Loan administration and distribution fees are paid by the applicable participant.

Excess Contributions
Amounts paid to participants for contributions in excess of amounts allowed by the IRS are recorded when paid. There were no excess contributions required to be paid during 2018. The excess contributions related to the 2018 Plan year were distributed to applicable participants during 2019, but after March 15, 2019. The Plan sponsor will file Form 5330 and pay applicable excise tax to the IRS. The correction (and any excise taxes) will be made from the Plan sponsor's assets and not from the assets of the Plan.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Subsequent Events

Management has evaluated subsequent events through October 11, 2019, the date the financial statements were available to be issued.

The Company amended the Plan document effective March 1, 2019, to exclude from participation in the Plan union employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining.

Wells Fargo Bank, N.A. closed on the sale of its Wells Fargo Institutional Retirement & Trust business, the Plan's trustee, investment manager, recordkeeper, and service provider, to Principal Financial Group effective July 1, 2019. Wells Fargo Bank, N.A. indicated there will be no immediate impacts to their clients or plan participants and all plans and accounts remained with Wells Fargo Institutional Retirement & Trust as of the date the financial statements were issued.

Note 3 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There were no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Following are descriptions of the valuation methodologies used for assets measured at fair value:

***Mutual funds*:** Valued at the net asset value (NAV) of shares held by the Plan at year end. NAV is a quoted price in an active market.

***Collective investment funds, Reliance MetLife Stable Value Fund*:** Valued at the NAV of units of the collective investment fund held by the Plan at year end, as a practical expedient of fair value. The NAV is provided by the collective investment fund's trustee, Reliance Trust Company, and is calculated daily based on the contract value of the underlying guaranteed investment contract of the Metlife Group Annuity Contract 25157. The trustee determines the unit values by dividing the value of the fund's net assets by the total number of units outstanding on the valuation date. Participant transactions (purchases and sales) may occur daily at the published NAV. Subject to certain restrictions, the trustee may postpone the date of payment of redemption proceeds up to 60 business days for the complete withdrawal of a plan's participation in the trust. There are no unfunded commitments to the fund.

Note 3 - FAIR VALUE MEASUREMENTS (CONT'D)

Following are descriptions of the valuation methodologies used for assets measured at fair value (cont'd):

***Collective investment funds, Wells Fargo Bank, N.A. Funds*:** Valued at the NAV of units of the collective investment fund held by the Plan at year end, as a practical expedient of fair value. The NAV is provided by the collective investment funds' trustee, Wells Fargo Bank, N.A., and is derived from the fair value for underlying investments. The investments in the underlying BlackRock Short-Term Investment Fund are valued at amortized cost, which approximates fair value. The fair value of the investment in the collective investment fund is provided to the Plan by the trustee daily. The trustee determines the unit values by dividing the value of each fund's net assets by the total number of participants' units outstanding on the valuation date. Participant transactions (purchases and sales) may occur daily at the published NAV. Subject to applicable legal and regulatory restrictions, the trustee may impose reasonable notice requirements at its discretion, and may suspend redemption privileges or postpone the date of payment of redemption proceeds indefinitely. There are no unfunded commitments to the funds.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018 and 2017:

	Assets at Fair Value as of December 31, 2018			
	Total	**Level 1**	**Level 2**	**Level 3**
Mutual funds	$ 162,054	$ 162,054	$ ---	$ ---
Collective investment funds measured at NAV:*				
Wells Fargo Bank, N.A.	5,854,152			
Reliance Stable Value	35,252			
Total investments at fair value	$ 6,051,458			

	Assets at Fair Value as of December 31, 2017			
	Total	**Level 1**	**Level 2**	**Level 3**
Mutual funds	$ 134,309	$ 134,309	$ ---	$ ---
Collective investment funds measured at NAV:*				
Wells Fargo Bank, N.A.	5,598,827			
Reliance Stable Value	239,416			
Total investments at fair value	$ 5,972,552			

* Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Note 4 - INFORMATION CERTIFIED BY WELLS FARGO BANK, N.A., THE TRUSTEE

The Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Wells Fargo Bank, N.A. certified to the completeness and accuracy of all investments reflected on the accompanying financial statements and supplemental schedule. As permitted under such election, the following investment information was certified by Wells Fargo Bank, N.A. and was not subjected to any auditing procedures performed by the independent public accountant:

	2018	2017
Investments at fair value	$ 6,051,458	$ 5,972,552
Notes receivable from participants	$ 371,644	$ 317,342
Cash, non-interest bearing	$ -0-	$ 26,638
Due to brokers	$ -0-	$ 26,032
Net depreciation in fair value of investments	$ (321,747)	
Dividends	$ 3,207	
Other income	$ 515	
Interest income on notes receivable from participants	$ 21,500	

Note 3: All investment balances included in the note.

Supplemental schedule of assets (held at end of year) (modified cash basis): All investment balances included in the schedule.

Note 5 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

All the Plan investments are held and managed by Wells Fargo Bank, N.A through its business unit, Wells Fargo Institutional Retirement & Trust. Wells Fargo Advisors, LLC, a business affiliate of Wells Fargo Bank, N.A., provides investment advisory services to the Plan. Wells Fargo Bank, N.A. is the trustee, as defined by the Plan, the investment manager, recordkeeper, and the service provider, and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Wells Fargo Bank, N.A. and to Wells Fargo Advisors, LLC amounted to $49,403 and $14,975, respectively, for the year ended December 31, 2018.

The Plan holds investments in mutual funds and common collective investment funds that are managed by Wells Fargo Bank, N.A. Since Wells Fargo Bank, N.A. is the trustee of the Plan, investments involving Wells Fargo Bank, N.A. qualify as party-in-interest transactions.

Wells Fargo Bank, N.A. provides certain administrative services to the Plan pursuant to a Master Services Agreement and Schedules of Services between the Company and Wells Fargo Bank, N.A. Wells Fargo Bank, N.A. receives revenue from mutual funds' and collective investment funds' providers for services Wells Fargo Bank, N.A. provides to the funds. This revenue is used to offset certain amounts owed to Wells Fargo Bank, N.A. for its administrative services to the Plan. This revenue sharing will be paid to an un-invested reserve account after such amounts are received by Wells Fargo Bank, N.A. Wells Fargo Bank, N.A. will periodically allocate amounts held in the reserve account in such a manner that the revenue sharing received for each investment option is allocated prorata to the accounts of participants who were beneficial owners of the applicable investment option. Wells Fargo Bank, N.A. may amend or revise the terms of the revenue sharing with advance notice to the Company.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note 7 - DELINQUENT PARTICIPANT CONTRIBUTIONS AND LOAN REPAYMENTS

During 2018 and 2017, there were instances when participant contributions and loan repayments totaling $808 were not remitted to the Plan in a timely manner. The Company identified the delinquent participant contributions and loan repayments and is fully correcting them. The correction and any excise taxes applicable will be paid out of the Plan sponsor's, and not the Plan's, assets.

Note 8 - TAX STATUS

The Internal Revenue Service (IRS) has determined and informed Wells Fargo Bank, N.A. by a letter dated March 31, 2014, that the volume submitter profit sharing plan with CODA is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Company adopted this volume submitter plan. Although the Plan has been amended since receiving the advisory opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The modified cash basis of accounting requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax jurisdictions; however, there are no audits for any tax periods currently in progress. The plan administrator believes the Plan is not subject to income tax examinations for years prior to 2015.

During the course of the 2017 audit, it was discovered that certain wage amounts (bonuses, paid time off, and other small adjustments) were inadvertently excluded from participants' eligible Plan compensation. In addition, minimal employee longevity awards were contributed to certain individual participants' accounts within the Plan without a specific Plan provision providing for them. The Company will consult with an ERISA attorney and take the necessary and proper corrective actions to restore the Plan and the affected participants. The proper corrective actions and amounts are undeterminable at this time. However, any corrective amounts are not expected to be material to the financial statements.

Note 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits (modified cash basis).
