Independent Auditors' Report

To the Plan Administrator of the YES Communities, Inc. 401(k) Plan:

We were engaged to audit the financial statements and supplemental schedule of the YES Communities, Inc. 401(k) Plan (the "Plan") as of December 31, 2009 and for the year then ended, as listed in the accompanying index. The financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note E, which was certified by Nationwide Trust Company, FSB, the custodian of the plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certification from the custodian of the plan as of December 31, 2009 and for the year then ended, that the information provided to the plan administrator by the custodian is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The accompanying statement of net assets available for plan benefits at December 31, 2008 was compiled by us and is presented to comply with the provisions of the Employee Retirement Income Security Act of 1974. A. DESCRIPTION OF PLAN:

The following description of the YES Communities, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by YES Communities, Inc. (the "Company") covering substantially all employees who have completed three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants may contribute between 2% and 100% of their compensation, subject to Internal Revenue Code ("IRC") limitations. All eligible employees are automatically enrolled in the Plan with a pre-tax deferral contribution of 2% unless they sign a waiver indicating they do not wish to participate in the Plan. Participant contributions may be made on a pretax basis or as Roth after-tax contributions. Participants may also contribute funds from another qualified retirement plan ("rollover" contributions), subject to certain requirements. Participant who have completed one year of service are eligible for the Company safe harbor matching contribution of 100% of the first 4% of participant contributions. The Company may also elect to make a discretionary profit sharing contribution for all eligible employees who have completed 1000 hours of service and are employed on the last day of the plan year. During 2009 the Company elected not to make a discretionary profit sharing contribution.

Participant Accounts

A separate account is established for each participant upon enrollment in the Plan. Each participant's account is credited with the participant's contributions, the participant's share of Company contributions, and the actual investment results, including realized and unrealized gains and losses, of the funds within the participant's account.

Vesting

Participants are immediately vested in their voluntary contributions, employer safe harbor contributions and earnings thereon. Upon death, disability, or retirement, a participant becomes 100% vested in the employer discretionary contribution. Otherwise, vesting in employer discretionary contributions and earnings thereon occurs according to the following schedule:

| Completed Years of Service | Vesting Percentage |
|---|---|
| 1 | 33% |
| 2 | 66% |
| 3 | 100% |

Forfeitures

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account represents a forfeiture, as defined by the Plan. If a forfeiting participant is re-employed and fulfills certain requirements, as set forth in the Plan, the participant's account will be restored. Forfeited balances are used to pay plan expenses or to reduce Company contributions. During 2009, $687 in forfeitures were used to reduce employer contributions. Unallocated forfeitures amounted to $0 as of December 31, 2009 and 2008.

Payment of Benefits

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Benefits may be distributed to participants upon termination of employment by reason of retirement, disability, death or other separation from service. Participants who terminate employment and have a vested account balance of less than $1,000 will receive a lump sum distribution of 100% of their vested benefits. Distributions to participants with vested account balances greater than $1,000, but not in excess of $5,000, who terminate employment and fail to make a timely distribution election will be paid to an individual retirement account designated by the plan administrator. Participants who have a vested account balance in excess of $5,000 may leave their funds invested in the Plan or may elect a lump sum distribution.

A participant may also request a withdrawal upon attainment of age 59 ½.

Loans

Loans are not permitted.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Adoption of Accounting Pronouncements

In June 2009, the Financial Accounting Standards Board ("FASB") issued Statement of Financial Accounting Standards ("SFAS") No. 168, *The FASB Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles*. SFAS No. 168 is effective for financial statements for annual periods ending after September 15, 2009 and establishes the FASB Accounting Standards Codification ("ASC"). Under SFAS No.168, now referred to as ASC 105-10, the ASC became the only source of authoritative U.S. generally accepted accounting principles ("U.S. GAAP") to be applied by non-governmental entities and superseded all existing non-SEC accounting and reporting standards. The Plan adopted the codification as of December 31, 2009. As the ASC does not create new accounting rules, but only provides a comprehensive system to reorganize previously existing U.S. GAAP in a single authoritative source, its adoption had no effect on the Plan's financial position.

In July 2006, FASB issued ASC 740-10 (formerly FIN 48). ASC 740-10 establishes principles and standards related to the accounting for and disclosure of accounting for uncertainty in income tax positions. The Plan adopted this standard as of January 1, 2009, resulting in no effect on its financial position.

In September 2006, FASB issued ASC 820-10 *Fair Value Measurement and Disclosure* (formerly SFAS No. 157), which defines fair value, establishes a framework for measuring fair value, and expands disclosure about fair value measurements. This pronouncement did not require any new fair value measurements. The Plan adopted this standard as of December 31, 2008, resulting in no effect on its financial position.

In April 2009, FASB issued an amendment to ASC 820-10 *Fair Value Measurements and Disclosure* (formerly FSP No. FAS 157-4). The amendment provides additional guidance on how to determine the fair value of an investment when the volume and level of activity for the asset or liability have significantly decreased and in identifying transactions that are not orderly. It also expands disclosure requirements for investments by requiring detail by major security type. The Plan adopted this amendment on December 31, 2009, resulting in no effect on its financial position.

In May 2009, FASB issued ASC 855-10 *Subsequent Events* (formerly SFAS No. 165). ASC 855-10 establishes principles and standards related to the accounting for and disclosure of events that occur after the balance sheet date but before the financial statements are issued or are available to be issued. The Plan adopted this standard on December 31, 2009, resulting in no effect on its financial position.

In September 2009, FASB issued Accounting Standards Update No. 2009-12, "Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)" ("ASU 2009-12"). ASU 2009-12 provides guidance on how organizations should estimate the fair value of certain alternative investments, effective for periods ending after December 15, 2009. The fair value of investments within the scope of the guidance can now be determined using net asset value ("NAV") as a practical expedient, unless it is probable the investment will be sold at something other than NAV. The Plan adopted this amendment on December 31, 2009, resulting in no effect on its financial position.

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The plan invests in investment contracts through the Morley Captial Stable Value Fund, a common collective trust. As required by accounting standards, the statements of net assets available for plan benefits present the fair value of the common collective trust as well as the adjustment of the common collective trust from fair value to contract value. The statement of changes in net assets available for plan benefits is prepared on a contract value basis.

Investment Valuation and Income Recognition

Fair value is defined as the price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Accounting standards establish a fair value hierarchy, which require an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standards describe three levels of inputs that may be used to measure fair value as described below.

The Plan's investments consist of common collective trusts and mutual funds. The common collective trusts are valued based on information reported by the investment advisor using the audited financial statements of the collective trusts at year end. This valuation method results in a level two classification for the common collective trusts held by the Plan. The mutual funds are stated at fair market value as determined by quoted market prices, which represent the net asset values of shares held by the Plan. This valuation method results in a level one classification for the mutual funds held by the Plan.

The following tables set forth by level and major asset class within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Level 2: Valued using other observable inputs.
Level 3: Valued using significant unobservable inputs.

The Plan invests in common collective trusts that calculate net asset value per share in accordance with FASB guidance commonly followed by investment companies. This investment is reported at fair value based on the net asset value per share as reported by the investee. The common collective trusts held by the plan are stable value investments which primarily invest in insurance contracts and corporate and government agency bonds. The fair value of the common collective trusts has been estimated using the net asset value per share of the investments. Redemptions are allowed daily for participants, however the Plan may be subject to a one year redemption notice period.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Costs used to determine realized gains and losses are on the historical cost basis. Participants determine the percentage in which contributions are to be invested in each fund. Participants may change their investment options as set forth in the plan document.

Appreciation (Depreciation) in Fair Value of Investments

The Plan presents in the statement of changes in net assets available for plan benefits the net appreciation (depreciation) in the fair value of its investments, which consists of realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides investment options, which may invest in any combination of stocks, bonds, fixed income securities, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

Expenses of the Plan

All expenses of administering the Plan may be paid by the Plan, unless paid by the plan sponsor. Substantially all expenses incurred in the administration of the Plan are paid by the plan sponsor. Certain fees for investment management services, recordkeeping, and participant transactions are paid by the Plan.

Payment of Benefits

Benefits are recorded when paid.

C. INVESTMENTS:

The following presents investments as of December 31, 2009 or 2008 that represent 5% or more of the net assets available for plan benefits:

| | 2009 | | 2008 | |
|---|---|---|---|---|
| Mutual funds | | | | |
| Fidelity Advisor Freedom 2025 Fund | $ 191,530 | * | $ 103,832 | * |
| Fidelity Advisor Freedom 2035 Fund | 126,938 | * | 65,412 | * |
| Fidelity Advisor Freedom 2010 Fund | 92,488 | | 45,042 | * |
| Fidelity Advisor Freedom 2020 Fund | 316,046 | * | 159,454 | * |
| Fidelity Advisor Freedom 2030 Fund | 207,039 | * | 92,913 | * |
| Fidelity Advisor Freedom 2040 Fund | 108,646 | | 45,580 | * |
| Janus Overseas Fund | 121,266 | * | 22,420 | |
| T. Rowe Price Growth Stock Fund | 124,665 | * | 15,603 | |

* Represents 5% or more of net assets available for plan benefits.

During the year ended December 31, 2009, the Plan's collective investment funds and mutual funds (including investments bought, sold and held during the year) appreciated in value by $2,527 and $445,822, respectively.

D. TAX STATUS:

The Plan has adopted the Prototype Non-standardized Profit Sharing Plan with CODA sponsored by Summit Financial. The Internal Revenue Service has determined in its opinion letter dated March 31, 2008 that the prototype non-standardized plan document adopted by the plan constitutes a qualified trust under Section 401(a) of the Internal Revenue Code ("IRC"), and is exempt from federal income taxes under the provisions of Section 501(a) of the IRC. Accordingly, no provision for income taxes has been included in the financial statements.

Accounting standards require recording uncertain income tax positions that exist in the Plan's financial statements. Plan management has determined there are no uncertain tax positions and believes there is no adjustment or disclosure required in the Plan's financial statements.

E. COMPLIANCE AND ERISA:

The plan administrator has elected the method of compliance permitted under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, no auditing procedures with respect to the information certified by Nationwide Trust Company, FSB, the custodian, were performed by the independent auditors except for comparing the information to the financial statements and supplemental schedule. The custodian has certified as to the completeness and accuracy of the investments held by the Plan as of December 31, 2009, the investment earnings and other investment-related transactions of the Plan for the year then ended, and the information contained in the supplemental schedule of assets (held at end of year).

F. PLAN TERMINATION:

The Plan was established with the intention that it will continue indefinitely. However, the Company reserves the right to discontinue contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

G. PARTIES-IN-INTEREST:

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, transactions with investment funds managed and held by the custodian are considered party-in-interest transactions.

H. SUBSEQUENT EVENTS:

The Company has evaluated subsequent events through July 21, 2010, the date these financial statements were available for issuance and deemed that no additional disclosures were necessary.

I. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

The following is a reconciliation of net assets available for plan benefits on the financial statements to the Form 5500 for the year ended December 31, 2009:
