Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of the JTS Enterprises of Tampa, Ltd. Healthcare Benefit Plan as of November 30, 2020 and 2019, and the changes in its benefit obligations and net assets available for benefits for the year ended November 30, 2020, in conformity with accounting principles generally accepted in the United States of America.

Report on Supplemental Schedule

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule, Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i, as of November 30, 2020, is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2020 financial statements. The information has been subjected to the auditing procedures applied in our audit of the 2020 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020 financial statements or to the 2020 financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the 2020 financial statements taken as a whole.

Note 1—Description of the Plan

The following description of the JTS Enterprises of Tampa, Ltd. Healthcare Benefit Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a complete description of the Plan's provisions.

General – The Plan was established to provide certain life, medical, and dental care treatment, disability, accidental death, and other benefits to eligible employees of JTS Enterprises of Tampa, Ltd; Admac Enterprises, LLC; Oxford Exchange, LLC; Oxford Exchange Design Studio, LLC; Library JV, LLC; Caspers Service Company, LLC; and Caspers Distribution, LLC (collectively, the "Employer" or the "Sponsor") and their dependents. The Plan, funded through the JTS Enterprises of Tampa Ltd. and Affiliates Employee Benefits Trust (the "Trust"), is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The responsibilities of the Sponsor includes the determination of benefit rights, authorization of payment of benefits, and development of rules and regulations as it may deem necessary to carry out the provisions of the Plan and reimbursement of all claim payments made on behalf of the Plan.

Benefits – Subject to specific limitations, the Plan provides certain health benefits for (1) full-time, permanent employees who work a minimum of 30 hours per week and have met the Plan's service requirements and (2) for part-time employees who average at least 30 hours per week during a 12-month measurement period, are currently in a stability period (as defined by the Plan), and have met the Plan's service requirements. Employees with at least 60 days of service are eligible for medical, prescription drug, dental, and disability benefits, and become eligible for life insurance after 90 days of service. Benefits include the payment of doctor, dental, vision care, hospital, pharmacy, and surgical expenses. Benefits also include disability benefits up to 13 weeks determined as a percentage of compensation, life insurance, professional counseling services, and accidental death and dismemberment benefits ranging from $10,000 to $50,000 depending on employee classification.

Contributions – Contributions are made by the Sponsor and eligible employees who voluntarily participate in the Plan. Employee contributions are based on fixed monthly charges for each type of coverage. Employer contributions are made in amounts necessary to fully fund the Plan.

Insurance – The Plan maintains an excess risk group health insurance contract which was underwritten by Berkley Life and Health Insurance Company for the year ended November 30, 2020. A specific-risk clause is in force which limits the annual liability of the Plan for any claim to a maximum of $150,000. Medical claims that exceed this amount are reimbursed by the respective underwriter. There is no aggregate risk group health or disability insurance in force. The Plan also maintains life and accidental death and dismemberment insurance, which fully covers its obligations.

Note 2—Summary of significant accounting policies

Plan Benefit Obligations – Plan benefit obligations have been determined based on (1) claims due and payable plus (2) a provision for claims incurred but not reported ("IBNR"). The IBNR was actuarially determined by the Plan's independent consulting actuary based upon average number of anticipated employees and their dependents, economic trends, past claim experience, and other related factors. Due to the subjective nature of the estimate for IBNR, it is reasonably possible that a change in the estimate may occur in the near term, and those changes could be significant. There have been no substantial changes in the trend rate assumptions discussed above through the date the financial statements were available to be issued. Plan benefit obligations are paid by the Plan only if claims are submitted and approved for payment.

Note 2—Summary of significant accounting policies (continued)

The foregoing assumptions contemplate that the Plan will continue indefinitely. If the Plan were to terminate, different actuarial assumptions and other factors might be applicable in determining the benefit obligation.

Administrative and Other Operating Expenses – Administrative and other operating expenses consist of administrative expenses, banking fees, and accounting expenses.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, claims payable, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates, particularly given the significant social and economic disruptions and uncertainties associated with the ongoing coronavirus pandemic ("COVID-19") and the COVID-19 control responses.

Subsequent Events – Management has considered subsequent events through September 14, 2021, in connection with the preparation of these financial statements, which is the date the financial statements were available to be issued.

Note 3—Concentration of credit risk

The Plan is subject to concentrations of credit risk due to periodic balances of interest-bearing cash in excess of federally insured limits and the majority of the Plan contributions being funded by the Sponsor.

The Plan places its cash on deposit with financial institutions in the United States. The Federal Deposit Insurance Corporation covers up to $250,000 for substantially all depository accounts. The Plan from time to time may have amounts on deposit in excess of the insured limits. As of November 30, 2020, the Plan had approximately $188,000 of cash on deposit which exceeded these insured amounts.

Note 4—Plan termination

The Sponsor intends to continue the Plan indefinitely but reserves the right to terminate it at any time. Upon termination, only expenses incurred prior to termination will be covered.

Note 5—Income tax status

The Trust, established under the Plan to hold the Plan's assets, obtained its latest determination letter on November 24, 1981 at which time the Internal Revenue Service stated that the Trust, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC") and, as such, is exempt from taxes. The Trust has been amended since receiving the determination letter; however, the Plan administrator believes the Trust is currently designed and being operated in compliance with the applicable requirements of the IRC.

Note 6—Party-in-interest transactions

Transactions resulting in Plan assets being transferred to or used by a related party are prohibited under ERISA unless a specific exemption applies. PNC Bank, N.A. is the "Custodian" of the Plan's assets and is considered a party-in-interest, as defined by ERISA; however, transactions with the Custodians are exempt under Section 408 (b)(8) of the IRC and are not prohibited by ERISA.

Note 7—Reconciliation of financial statements to the Forms 5500

The following is a reconciliation of net assets available for benefits per the accompanying financial statements to Form 5500:

	2020	2019
Net assets available for benefits per the financial statements	$ 832,436	$ 626,000
Benefit obligations	(832,436)	(626,000)
Net assets per Form 5500	$ -	$ -

The following is a reconciliation of benefits paid to participants per the financial statements to those included in the related Form 5500:

	2020
Benefits paid to participants per financial statements	$ 4,114,231
Add amounts payable at end of year	832,436
Deduct amounts payable at beginning of year	(626,000)
Benefits paid to participants per Form 5500	$ 4,320,667

Note 8—Risks and uncertainties

The actuarial present value of benefit obligations is reported based on certain assumptions. The following assumptions, as defined, were used by Plan's independent consulting actuary in determining the IBNR as of November 30, 2020:

	GPA Medical	GPA Rx	GPA Dental
Annual trend used in calculation	5.75%	9.00%	3.75%
Claim uncertainty margin %	15.00%	15.00%	15.00%
Days of float assumed	2	2	2

Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term could be material to the financial statements.
