Note 1. DESCRIPTION OF PLAN

The following description of Beach Products, Inc. 401(k) Retirement Plan (the "Plan") provides only general information. Users of the financial statements and supplemental schedule should refer to the Plan documents for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established to provide for contributions made under salary deferral agreements pursuant to Section 401(k) of the Internal Revenue Code (the "IRC"). The Plan covers substantially all employees of Beach Products, Inc., Pharmaceutical Associates, Inc., and Pharmaceutical Associates, L.L.C. (hereafter, collectively referred to as the "Company"), who have met the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility: Employees may participate in the Plan once they have attained the age of 21 and have completed three months of service.

Contributions: Eligible employees may make contributions via payroll deductions up to limits as defined in the Plan and other limits in accordance with the Internal Revenue Code ("the Code"). Elective deferrals can be made in whole percentages of compensation or in specific dollar amounts.

For the years ended December 31, 2009 and 2008, the Company made safe-harbor matching contributions equal to 100% of the aggregate salary reduction contribution to the extent the aggregate contribution did not exceed 4% of the employee's compensation.

All contributions are subject to limitations as provided in the Code and as defined in the Plan.

Participant Accounts: Each participant's account is credited with the participant's contributions, the Company's matching contribution, an allocation of the Company's additional discretionary contribution, if any, and Plan earnings. Each participant's account is charged with Plan losses, if any. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account.

Note 1. DESCRIPTION OF PLAN (continued…)

Investment Options: Upon enrollment in the Plan, a participant may direct contributions to one or more of the investment options. Participants may change their investment options at any time. See the accompany schedule of assets held for a list of investment options currently available.

Vesting: The Company has adopted the safe-harbor provisions of the Internal Revenue Code. Therefore, participants are immediately vested in their salary redirection, the Company's safe-harbor match, voluntary rollovers, and the actual allocated earnings thereon.

Distributions: Upon normal retirement, termination of employment, death or disability, or termination of the Plan, the participant or beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account under several options. A participant may defer paying tax on some taxable payments by electing a rollover distribution.

Withdrawals may also be made in conjunction with IRS hardship distribution regulations.

Participant Loans: A participant may, subject to certain conditions, borrow from his own account. The maximum amount a participant is allowed to borrow is the lesser of 50 percent of the participant's vested balance or $50,000. Interest rates on participant loans are determined based on a reasonable rate of interest, approximating prevailing interest rates on bank loans of similar length of time and repayment terms. Principal and interest are paid ratably through payroll deductions. The loans are repayable over a maximum of 5 years to maturity.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared using the accrual method of accounting.

Accounting Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Valuation of Investments: The plan's investments are stated at fair value based on quoted market prices. Purchases and sales of investments are recorded on the trade date. Income from investment in units of participation is recorded as earned and reinvested in the accounts. Income earned from investments and gains or losses on disposal of investments are recorded using the accrual method.

Payment of benefits: Benefits are recorded when paid.

Administrative Expense: The cost and expense of administering the Plan shall be paid either by the Company or by the Plan at the discretion of the Company. For the years ended December 31, 2009 and 2008, the Plan expensed $10,262 and $10,785 respectively for administrative costs.

Note 3. INVESTMENTS

The Plan's investments are held under an investment contract with John Hancock USA Life Insurance Company. John Hancock maintains the contributions in pooled separate accounts. The funds are credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses charged by John Hancock. The investment balances that represent 5% or more of the Plan's net assets available for benefits as of December 31, 2009 are as follows.

Life Cycle 2015	$ 264,135
Life Style Aggressive	255,990
Life Style Balanced	279,292
Life Style Growth	1,101,095
Life Style Conservative	216,607
Money Market Fund	436,571

Note 4. RECONCILIATION TO FORM 5500

Certain differences exist between the recording of accruals for financial reporting purposes and IRS/Department of Labor's (DOL) Form 5500 purposes. The following is a reconciliation of the…

Net assets available for benefits as of December 31:	2009	2008
Net Assets available for benefits per the financial statements	$4,866,327	$3,369,715
Contributions due from employer	(306,284)	(269,432)
Contributions due from participants	-	-
Accrued expenses	-	-
Net assets available for benefits per Form 5500	$4,560,043	$3,100,283
Changes in net assets available for benefits:		
Net change in net assets available for benefits per the financial statements	$1,496,612	$ (839,164)
Difference in contributions due from employer	(36,852)	(24,307)
Difference in contributions due from participants	-	20,040
Difference in accrued expenses	-	-
Net change in net assets available for benefits per Form 5500	$1,459,760	$ (843,431)

Note 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan. In the event of Plan termination, participants will become immediately 100% vested in their accounts.

Note 6. TAX STATUS

The plan obtained its latest determination letter on July 15, 2003, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the plan administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the plan's financial statements.

Note 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 8. PARTIES-IN-INTEREST TRANSACTIONS

Administrative fees include investment fees, third party administrative fees, and other professional services, and are based on customary charges as shall be agreed to from time to time. Certain of these expenses are absorbed by the Plan sponsor. Certain administrative functions are performed by officers or employees of the Plan's sponsor. No such officer or employee receives compensation from the Plan.
