INDEPENDENT AUDITORS' REPORT

To the Members of
Pine Street Healthcare Holdings, LLC and Subsidiaries
Studio City, California

Report on the Consolidated Financial Statements
We have audited the accompanying consolidated financial statements of Pine Street Healthcare Holdings, LLC and Subsidiaries (the Company), which comprise the consolidated balance sheet as of December 31, 2020, the related consolidated statement of income and members' equity, and cash flows for the year then ended, and the related notes to the consolidated financial statements (collectively, the consolidated financial statements).

Management's Responsibility for the Consolidated Financial Statements
Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility
Our responsibility is to express an opinion on these consolidated financial statements based on our audit. Except as explained in the Basis for Disclaimer of Opinion paragraph, we conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the balance sheet as of December 31, 2020.

Basis for Disclaimer of Opinion on 2020 Operations and Cash Flows
In accordance with the terms of our engagement, we did not audit the balance sheet of Pine Street Healthcare Holdings, LLC and Subsidiaries as of December 31, 2019. Such balance sheet includes amounts which enter into the determination of the results of operations and cash flows for the year ended December 31, 2020.

Disclaimer of Opinion on 2020 Operations and Cash Flows
Because of the significance of the matter discussed in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the results of operations and cash flows for the year ended December 31, 2020. Accordingly, we do not express an opinion on the results of operations and cash flows for the year ended December 31, 2020.

Opinion
In our opinion, the balance sheet referred to above presents fairly, in all material respects, the financial position of Pine Street Healthcare Holdings, LLC and Subsidiaries as of December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

NOTE 1: NATURE OF OPERATIONS

Pine Street Healthcare Holdings, LLC, is a Delaware limited liability company, formed in October 2018. Pine Street Healthcare Holdings, LLC and Subsidiaries (the Company) provides both skilled nursing and aid services where nurses and other practitioners visit patients at their location (home). The Company has 6 offices with headquarters in Studio City, California. The Company also conducts business under the names of American United Health Services which has been in business since 1996 and AllCare Health Services. The Company operates throughout the California region.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Consolidation

The consolidated financial statements include accounts of the Company and its wholly owned subsidiaries. All intercompany balances and transactions have been eliminated in the consolidation.

The Company acquired certain assets and liabilities of a company called United Home Care Corporation on December 18, 2018.

The Company acquired certain assets and liabilities of a company called AllCare Health Services, Inc. on June 5, 2020.

Method of Accounting

The financial statements of the Company are prepared on the accrual basis of accounting, recognizing income when earned and expenses when incurred.

Use of Estimates

Management of the Company has made a number of estimates and assumptions relating to the reporting of assets, liabilities, revenue and expenses and disclosure of contingent assets and liabilities to prepare these financial statements in accordance with generally accepted accounting principles in the United States of America. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

The Company considers all liquid investments with original maturities of less than three months to be cash and cash equivalents, including cash held in money market accounts.

Accounts Receivable

The Company reports accounts receivable at estimated net realizable amounts from services rendered from federal and state agencies (under Medicare and Medicaid programs), managed care health plans, commercial insurance companies, workers' compensation, employers, and patients, less any allowance for doubtful accounts. Management determines the allowance based on historical write-off percentages and information collected from individual customers. Management has determined that no allowance for doubtful accounts is necessary for accounts receivable as of December 31, 2020.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accrued Revenue

Accrued revenue is considered a contract asset. A contract asset is an entity's right to consideration for goods or services that the entity has transferred to a customer when the right is conditioned on something other than the passage of time. Accrued revenue consists of billed nursing and aid services to third-party payors pending approval. Accrued revenue is transferred to accounts receivable once billing is approved and collected from third-party payors. Accrued revenue is charged off against the allowance when collectability is determined to be permanently impaired. The Company experienced a delay in billing certain accrued revenue during 2020 due to a change in Federal ID of an acquired business. These delays were exasperated by COVID related delays at the government agencies. While the Company intends to collect for all services provided it has recorded an allowance of $507,871 against the accrued revenue. This delay and potentially above average bad-debt write offs are expected to be one-time due to these one-time factors in 2020.

Goodwill

The Company records the excess purchase price in a business combination over the fair value of net tangible and intangible assets as goodwill. The Company has elected the accounting alternative provided in Accounting Standards Update (ASU) No. 2014-02, Intangibles - Goodwill and Other (Topic 350): Accounting for Goodwill (ASU 2014-02). Under this accounting alternative, goodwill is amortized on a straight-line basis over a period of ten years. Pursuant to this election, the Company tests for goodwill impairment upon the occurrence of an event or circumstance that may indicate the fair value of the company is less than its carrying amount and has elected to perform this test at the Company level. If events or circumstances are present that may indicate the fair value of the Company is less than its carrying value, the estimated fair value of the Company is compared to its carrying amount and an impairment loss is recognized for the excess for the carrying amount over fair value (if any), not to exceed the carrying amount of goodwill. No indicators of impairment were identified during the period ended December 31, 2020.

Property and Equipment

Property and equipment are recorded at cost, less accumulated depreciation, which is computed using the straight-line method over the estimated useful lives of the related assets or, in the case of leasehold improvements, over the lesser of the useful life of the related assets or the lease term. Depreciation expense for the year ended December 31, 2020, was $17,506.

Impairment of Long-Lived Assets

The Company periodically assesses the impairment of long-lived assets, including property and equipment, and other intangibles. If indicators of asset impairment exist, the Company assesses the recoverability of the affected long-lived assets by determining whether the carrying value of such assets can be recovered through the undiscounted future expected operating cash flows. If impairment is indicated, the Company records the amount of such impairment for the excess of the carrying value of the asset over its estimated fair value.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition

The Company recognizes revenue when its customer receives promised services and goods in an amount that reflects the consideration which the Company expects to receive in exchange for those services and goods. The Company performs the following five steps: (1) identify the contract(s) with a customer, (2) identify the performance obligations in the contract, (3) determine the transaction price, (4) allocate the transaction price to the performance obligations in the contract and (5) recognize revenue when (or as) the entity satisfies a performance obligation.

The Company reports net patient service revenues at the amounts that reflect the consideration to which it expects to be entitled in exchange for providing patient care. These amounts are due from patients, third-party payers (including Medicare, Medicaid, managed care and other health plans). Generally, the Company bills its patients and third-party payers a few days after the services are performed. The Company recognizes revenues for performance obligations satisfied at a point in time, which generally relates to patients receiving nursing and aid services, when: (1) services are provided; and (2) the Company does not believe the patient requires additional services. The contractual relationships with patients, in most cases, also involves a third-party payer (Medicare, Medicaid, managed care health plans and commercial insurance companies, including plans offered through the health insurance exchanges) and the transaction prices for the services provided are dependent upon the terms provided by (Medicare and Medicaid) or negotiated with (managed care health plans and commercial insurance companies) the third-party payers. The payment arrangements with third-party payers for the services provided to the related patients typically specify payments at amounts less than the standard charges and generally provide for payments based upon predetermined rates per diagnostic services or discounted fee-for-service rates. Payments for services rendered are generally received within one year.

Profit Sharing 401(k) Plan

The Company sponsors a 401(k) profit sharing plan (the Plan) covering substantially all employees, who have reached the age of eighteen and have completed three months of service. A participant under the Plan may elect to contribute to the Plan as an elective deferral. An elective deferral includes pre-tax and roth deferrals. The Company may make discretionary matching contributions. For the year ended December 31, 2020 the Company made discretionary contributions totaling $36,537.

Income Taxes

Pine Street Healthcare Holdings, LLC and Subsidiaries is a Limited Liability Company and has elected to be treated as a partnership for both federal and state income tax purposes and as a result, is not subject to federal income taxation. For state income taxation purposes, Pine Street Healthcare Holdings, LLC and Subsidiaries are subject to an annual $800 minimum tax, as well as an LLC fee based on “Total Income” (as defined by the State of California). The Company’s members are individually liable for federal and state income taxes based on their allocated portions of taxable income. Therefore, no asset or liability for federal and state income taxes have been included these financial statements.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Uncertain Tax Position

In accordance with FASB ASC 740-10, the Company undergoes an annual analysis of its various tax positions, assessing the likelihood of those positions being upheld upon examination with relevant tax authorities, as defined by FASB ASC 740-10. At December 31, 2020, the Company had no tax positions that would not be held up under examination. The Company is no longer subject to Federal tax examinations by tax authorities for years before 2017 and state examinations for years before 2016.

Supplemental Disclosure of Cash Flow Information

Cash paid during the year for:

Income taxes and LLC fees	$ 67,607
Interest	$ 236,554

Recently Issued Accounting Pronouncements Not Yet Effective

In February 2016, the FASB issued ASU 2016-02, Leases (Topic 842). The guidance in this ASU supersedes the leasing guidance in Topic 840, Leases. Under the new guidance, lessees are required to recognize lease assets and lease liabilities on the balance sheet for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the income statement. In June 2020, the FASB issued ASU 2020-05, which defers the effective date for this standard to annual reporting periods beginning after December 15, 2021. A modified retrospective transition approach is required. An entity may adopt the guidance either (1) retrospectively to each prior reporting period presented in the financial statements with a cumulative-effect adjustment recognized at the beginning of the earliest comparative period presented or (2) retrospectively at the beginning of the period of adoption through a cumulative-effect adjustment. The Company is currently evaluating the effects adoption of this guidance will have on its financial statements.

NOTE 3: GOODWILL

Goodwill and accumulated amortization at December 31, 2020 is as follows:

Goodwill as of January 1, 2020	$ 6,322,536
Goodwill recognized during the year	2,312,805

NOTE 8: ACCRUED EARNOUT

The Company has accrued a future earnout payment in connection with the acquired assets of AllCare Health Services, Inc. The accrued earnout represents the Company's projected liability per acquisition agreement. The Company's accrued earnout balance as of December 31, 2020 was $600,817, included in accrued expenses in the accompanying balance sheet.

NOTE 9: LONG-TERM DEBT

On December 9, 2020, the Company entered into a loan agreement with a bank in the amount of $16,000,000. The loan was used to finance the purchase of Vic The Picc, Southwest, LLC, and to payoff a prior bank loan of $4,624,714. The loan requires interest only payments, starting in January 2022. The monthly interest will accrue and will be added to the principal balance. The loan bears a variable interest rate (3.18% as of December 31, 2020) and will mature in December 2025, at which point all remaining outstanding principal and unpaid interest will be due.

Required principal payments on the bank loan is as follows:
