Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and schedules taken as a whole. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. Professional standards also require that we communicate to you the following information related to our audit.

Our Responsibility under U.S. Generally Accepted Auditing Standards

As stated in our engagement letter dated March 25, 2009, our responsibility, as described by professional standards, is to express an opinion about whether the financial statements prepared by management with your oversight are presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit of the financial statements does not relieve you or management of your responsibilities.

Our responsibility is to plan and perform the audit to obtain reasonable, but not absolute, assurance that the financial statements are free of material misstatement.

As part of our audit and except that we will not, as part of the scope limitation discussed in the first paragraph, include a consideration of internal control relating to the information prepared and certified to by MG Trust Company, we will consider the internal control of the Plan. Such considerations will be solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures specifically to identify such matters.

Planned Scope and Timing of the Audit

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested.

Our audit will include obtaining an understanding of the Plan and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. However, as part of the scope limitation discussed in the first paragraph, we will not consider internal control relating to the information prepared and certified to by MG Trust Company. Material misstatements may result from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations, including prohibited transactions with parties in interest or other violations of ERISA rules and regulations, that are attributable to the Plan or to acts by management or employees acting on behalf of the Plan. We will communicate our significant findings at the conclusion of the audit.

We performed the audit according to the planned scope and timing previously communicated to you in our engagement letter.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to Plan's financial statements. As described in Note 2, the Plan adopted Statement of Financial Accounting Standards No. 157, *Fair Value Measurements* ("SFAS 157") during 2008 which defines fair value, establishes a framework for measuring fair value under generally accepted accounting principles and enhances disclosures about fair value measurements. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. We are pleased to report that there were no such misstatements noted during the course of performing our procedures.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representation from management that is included in the management representation letter dated June 16, 2009.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Independence

We are not aware of any relationships between our firm and the Plan that, in our professional judgment, may reasonably be thought to bear on our independence which have occurred during the period from January 1, 2007 through the date of this letter.

ISI 401(K) PLAN

Notes to the Financial Statements

August 8, 2008 and December 31, 2007

(1) Description of plan

The following description of the ISI 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan was a defined contribution plan which was adopted on January 1, 1998 to provide retirement benefits for employees of Investment Scorecard, Inc. (the "Plan Sponsor"). The Plan covered substantially all full-time employees who were age twenty-one or older ("participants"). The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

(b) Plan merger

In April 2007, the Plan Sponsor was acquired by another company. The Plan Sponsor elected to freeze the Plan to new contributions effective October 31, 2007. On August 8, 2008, the Plan was merged and all investments were transferred into the Informa USA 401k Plan.

(c) Contributions

Effective October 31, 2007, the Plan was frozen to new contributions. Prior to October 31, 2007, participants could voluntarily make qualified retirement contributions to the Plan which were deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC"). Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participant contributions were permitted up to 75% of compensation.

The Plan Sponsor could make an annual discretionary matching contribution for those employees who were active employees on the last day of the Plan year and had worked 1,000 hours or more during the Plan year. No discretionary match was made for 2008 or 2007. Plan Sponsor and participant contributions could not exceed the maximum amount allowed for federal income tax purposes.

(d) Participant accounts

Each participant's account was credited (charged) with the participant's contributions and allocations of Plan Sponsor contributions and plan earnings (losses). Allocations were based on participant compensation or account balances as defined in the plan agreement. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account. Participants could change their investment options daily.

NOTES TO FINANCIAL STATEMENTS

Notes to the Financial Statements

August 8, 2008 and December 31, 2007

(e) Vesting

Participants were immediately vested in their elective salary deferral plus actual earnings (losses) thereon. Vesting in the Plan Sponsor's discretionary matching contributions was based on years of continuous service. Participants became 25% vested after one year of service and vested ratably in 25% increments until they became 100% vested after four years of service.

(f) Payment of benefits

On termination of service due to death, permanent disability, or retirement, a participant could receive a lump sum payment equal to his or her entire account. On termination of service due to other reasons, a participant was entitled to receive only the value of his or her vested account balance. In the event of death, permanent disability, retirement or termination due to other reasons, if a participant's vested account balance was under \$1,000, the balance in the account was automatically be distributed in the form of a lump-sum payment without the participant's consent. However, if a participant's vested account was at least \$1,000 and is \$5,000 or less, it was transferred to an IRA unless the participant choose to have it paid in a lump-sum amount.

(g) Forfeited accounts

Forfeitures were created when participants terminated employment prior to becoming fully vested in the Plan Sponsor contribution portion of their accounts. Such forfeitures could be used to reduce the Plan Sponsor's future contributions to the Plan. There were no forfeitures available at December 31, 2007.

(h) Hardship withdrawals

The Plan permitted distributions in the event of a hardship, as defined in the plan agreement. These distributions were taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant was younger than age 59½. Hardship withdrawals were limited to the participant's elective account balance. Participants who received a hardship withdrawal was not eligible to make contributions to the Plan for six months after the date of the withdrawal.

(i) Administrative expenses

Administrative expenses were generally paid by the Plan Sponsor.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan were prepared under the accrual basis of accounting.

(5) Income tax status

The Plan Sponsor adopted a prototype profit sharing plan, which received a favorable opinion letter from the Internal Revenue Service ("IRS") on February 8, 2005, which stated that the prototype plan was designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan itself has not received a determination letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. However, the plan administrator believes that the adopted prototype plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and is therefore, qualified and exempt from taxation.
