Independent Auditors' Report

To the Plan Administrator
Butler Weihmuller Katz Craig LLP
Employee Benefits Welfare and Cafeteria Plan

Opinion

We have audited the accompanying financial statements of Butler Weihmuller Katz Craig LLP Employee Benefits Welfare and Cafeteria Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits and benefit obligations as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits and benefit obligations for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of Butler Weihmuller Katz Craig LLP Employee Benefits Welfare and Cafeteria Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits and benefit obligations for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Butler Weihmuller Katz Craig LLP Employee Benefits Welfare and Cafeteria Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Marcum LLP ▪ 201 East Kennedy Boulevard ▪ Suite 1500 ▪ Tampa, Florida 33602 ▪ **Phone** 813.397.4800 ▪ **Fax** 813.397.4801 ▪ **www.marcumllp.com**

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Butler Weihmuller Katz Craig LLP Employee Benefits Welfare and Cafeteria Plan's ability to continue as a going concern for at least one year following the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Butler Weihmuller Katz Craig LLP Employee Benefits Welfare and Cafeteria Plan's internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Butler Weihmuller Katz Craig LLP Employee Benefits Welfare and Cafeteria Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

Ouraudits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, for the year ended December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Butler Weihmuller Katz Craig LLP
Employee Benefits Welfare and Cafeteria Plan

Notes to Financial Statements
For The Year Ended December 31, 2023

1. Description of Plan

The following description of the Butler Weihmuller Katz Craig LLP Employee Benefits Welfare and Cafeteria Plan (the “Plan”), is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

Butler Weihmuller Katz Craig LLP (collectively referred to as the “Company, “Employer”, or “Plan Sponsor”) established the Plan on December 1, 1991 through an employee benefit trust. The Plan was amended and restated as of January 1, 2019. The purpose of the Plan is to provide health and welfare benefits to covered participants administered by the Plan Sponsor. The Plan covers all partners, attorneys under contract, and regular active employees (employed on a regular basis consisting of at least 30 hours weekly) following 30 consecutive days of employment. Additionally, the employee’s spouse and dependent children are eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Benefits

The Plan covers health expenses incurred by participants. It provides for a network of preferred provider physicians and hospitals, a network of retail pharmacies to provide prescription drugs, additional preventative care benefits, and a co-payment provision for office visits to network physicians. Health benefit claims of active participants, dependents and beneficiaries are processed by a third party claims administrator, UMR, but the responsibility for payments to participants and providers is retained by the Plan. The Plan has purchased excess loss insurance coverage from a commercial insurance company to reduce the risk of unexpected, catastrophic claims losses.

The Plan also covers dental procedures, services and supplies, including preventative and diagnostic services, as well as basic and major services such as certain procedures for restorations, crowns and dentures subject to annual maximums and deductibles.

The Plan covers vision care, including an annual exam as well as prescription glasses or contact lenses subject to annual maximums.

Short-term disability benefit claims are processed by the Plan Sponsor and the responsibility for payments to participants are retained by the Plan.

1. Description of Plan (Continued)

The Plan also provides long-term disability, basic and supplemental life insurance, and accidental death and dismemberment insurance. Life insurance and disability benefits are provided by Unum.

The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act ("COBRA").

Funding Policy

The Plan is funded by both participants' and the Plan Sponsor's contributions. A determination of the amount of the contributions required from the participants and the timing of the contributions from the Plan Sponsor is within the sole discretion of the plan administrator. Required contribution levels are communicated to covered employees on an annual basis, or more frequently if changes in the contribution levels occur.

Contributions

The participants' and the Plan Sponsor's contributions to the Plan are used for the reimbursement of health and welfare expenses as defined by the Plan.

Stop-loss Coverage

The Plan includes certain "stop loss" insurance policies to provide reimbursement to the Plan of claim payments made over and above specified limits for both specific and aggregate claims. The stop loss limit for 2023 was $135,000 per participant on an annual basis. The Plan paid $613,331 in stop loss premiums for the year ended December 31, 2023 which is reported on the statement of changes in net assets available for benefits and benefit obligations as part of insurance premium expense. Premiums for long-term disability, basic and supplemental life, and accidental death and dismemberment benefits are paid through the Plan Sponsor's contributions.

1. Description of Plan (Continued)

Administration of the Plan and Administrative Expenses

The Plan is administered by the Plan Sponsor's payroll and benefits department. Administrative expenses are paid by the Plan Sponsor from the trust in accordance with the Plan and are generally for claims processing fees and insurance broker fees. Administrative expenses paid by the Plan Sponsor on behalf of the Plan are not reimbursed by the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Claim payments are recorded when paid by the third-party claims processor.

Insurance Premium Expenses

Premiums paid by either the Plan Sponsor or the trust are recorded as insurance premium expenses in the accompanying statement of changes in net assets available for benefits and benefit obligations.

2. Summary of Significant Accounting Policies (Continued)

Reserves For Claims Incurred But Not Reported

The reserve for claims incurred but not reported at December 31, 2023 and 2022, is an estimate calculated by UMR. The reserve is estimated based on applying historical lag analysis percentages of historical claims data to estimated future claims paid. The Plan has recorded a Plan Sponsor contribution receivable of $824.433 and $751,226 at December 31, 2023 and 2022, respectively, to cover the reserve for claims incurred but not reported.

Subsequent Events

Subsequent events were evaluated through July 31, 2024, the date the financial statements were available to be issued. There were no subsequent events identified that required recognition or disclosure in these financial statements.

3. Benefit Obligations

Health and welfare costs incurred by participants and their beneficiaries and dependents are covered by contributions maintained by the Plan. It is the present intention of the Plan Sponsor to continue providing benefits and for the Plan Sponsor to fund any benefit obligation in excess of net assets available for benefits, if applicable. However, circumstances may arise in the general course of business which could impact the Plan Sponsor’s ability to provide these benefits.

4. Income Tax Status

As a result of the Plan’s funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded at December 31, 2023 or 2022 for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the Internal Revenue Code (“IRC”) to maintain the tax-exempt status of the trust. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable sections of the IRC and, therefore, believes that the Plan is qualified and related trust is tax-exempt.

4. Income Tax Status (Continued)

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. As of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

5. Related-Party and Party-In-Interest Transactions

The Plan's cash is held in a checking account through Bank of America, the custodian of the Plan. Such deposit and withdrawal transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Furthermore, the Plan compensates UMR, its actuary and the claims administrator for its services from Plan assets. The Plan has also engaged with the following providers which are paid from Plan assets: OptumRx (prescription coverage), Voya Life Insurance Company (stop loss insurance), Unum (life insurance and disability benefits) and Superior Vision Services, Inc. (vision benefits administrator). These transactions are also exempt from the prohibition of party-in-interest transactions under ERISA.

6. Risks and Uncertainties

The estimate for claims incurred but not reported was based on certain assumptions pertaining to claims lag and historical claims data. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31:

Description	2023	2022
Net assets available for benefits per the financial statements	$ 902,589	$ 1,004,868
Benefit obligations – reserve for claims incurred but not reported	(824,433)	(751,226)
Net assets available for benefits per the Form 5500	$ 78,156	$ 253,642

The following is a reconciliation of health and welfare claims per the financial statements to the Form 5500 at December 31, 2023:

Description	2023
Health and welfare claims per the financial statements	$ 4,790,586
Plus: benefit obligations – reserve for claims incurred but not reported -current year	824,433
Less: benefit obligations – reserve for claims incurred but not reported -prior year	(751,226)
Health and welfare claims per the Form 5500	$ 4,863,793

“Benefit obligations – reserve for claims incurred but not reported” represent claims incurred prior to December 31, but not yet recorded or paid as of that date. They are recorded in the Statements of Net Assets Available for Benefits and Benefit Obligations in the Plan’s financial statements. The Form 5500 records these liabilities in the Statements of Net Assets Available for Benefits and Benefit Obligations.

8. Plan Termination

Although it has not expressed any intention to do so, the Plan Sponsor is not and shall not be under any obligation or liability whatsoever to maintain the Plan for any given length of the time and may, in its sole and absolute discretion, discontinue or terminate the Plan, in whole or in part, at any time, subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Plan Sponsor or be used for purposes other than for the exclusive benefit of the Plan’s participants.

9. Delinquent Participant Contributions

For the year ended December 31, 2023, the Plan did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Untimely remittances identified on the Schedule of Delinquent Participant Contributions, which totaled $72,236, were corrected outside of the Department of Labor Voluntary Fiduciary Correction Program in 2023. The accompanying Supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions presents the prohibited transactions of the Plan.
