INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of
CS&P Technologies, LP 401(k) Profit Sharing Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audit of the financial statements of CS&P Technologies, LP 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

The accompanying 2024 comparative financial statements and comparative column is presented for comparative purposes and is marked "Unaudited". Our audit was performed for the year ended December 31, 2025, and did not include an audit, review, or compilation of the 2024 comparative financial statements or comparative column.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier which is regulated, supervised and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are performed and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating the certified investment information, as described in *Note 4* to the financial statements, is complete and accurate. The existence of a certification as of December 31, 2024 does not constitute an audit, review, or compilation of the 2024 financial statements and does not eliminate the reporting requirement described in the *Other Matter – Prior-Year Financial Statements* section of our report.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution which management determined meets the requirements of ERISA Section 103(a)(3)(C).

Our opinion relates to the 2025 financial statements. We do not express an opinion or any other form of assurance on the unaudited 2024 comparative financial statements or comparative column.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining the Plan's transactions are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each participant to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITORS' REPORT (CONTINUED

Management's responsibilities also include determining whether:

- the entity preparing and certifying the investment information is a qualified institution under ERISA Section 103(a)(3)(C);
- the certification is in compliance with Department of Labor requirements;
- the certified investment information is appropriately measured, presented, and disclosed in accordance with U.S. GAAP; and
- the election of an ERISA Section 103(a)(3)(C) audit is permissible in the circumstances.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the 2025 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our ERISA Section 103(a)(3)(C) audit opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2025 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2025 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures which are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2025 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters which we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at Year End) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2025 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2025 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2025 financial statements or to the 2025 financial statements themselves, and other additional procedures in accordance with U.S. GAAS.

For information included in the supplemental schedules that is agreed to or derived from certified investment information, our procedures were limited to obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule which agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution which management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Prior-Year Financial Statements

The accompanying statement of net assets available for benefits as of December 31, 2024 and 2024 comparative column, which is marked "Unaudited," was not audited, reviewed, or compiled by us and, accordingly, we do not express an opinion or any other form of assurance on it. We assume no responsibility for the 2024 financial statements or comparative information.

This Other Matter paragraph does not modify our ERISA Section 103(a)(3)(C) opinion on the 2025 financial statements. AU-C 703.96 requires this reporting when prior-period financial statements presented comparatively were not audited, reviewed, or compiled.

CS&P TECHNOLOGIES, LP 401(k) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the CS&P Technologies, LP 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions as the Plan document is controlling at all times. The Plan is sponsored by CS&P Technologies, LP (the "Company") and the Plan's trustees are Kennis Baskin and Brannon Baskin (the "Trustees"). MIA Manufacturing, Inc. is a participating employer. Through March 16, 2025, The Plan's custodian was American United Life Insurance Company ("AUL"). Effective March 17, 2025, the custodian is Voya Financial ("Voya" or the "Custodian").

GENERAL

The Plan is a defined contribution plan covering substantially all employees of the Company, other than non-resident aliens who earn non-tax wages, who have completed three months of service and attained the minimum age requirement of 18. The Plan is subject to the provision of the Employee Retirement and Income Security Act of 1974 ("ERISA").

CONTRIBUTIONS

Participants may make an elective deferral, for each Plan year, up to the maximum amount allowed by law. Participant deferrals are subject to the Plan anti-discriminatory testing. Participants may also contribute amounts representing distributions from other qualified retirement defined benefit or defined contribution plans. Participants may also designate part or all of their plan contributions, as after-tax Roth contribution.

The Company, at its sole discretion, may elect to make matching contributions. Participants must be employed on the last day of the plan year to receive the matching contribution. For the year ended December 31, 2025, the Company made a matching contribution of $625,750.

Additionally, the Company has the option to make a discretionary profit-sharing contribution. Participants must be employed on the date of contribution to receive the profit-sharing contribution. The profit-sharing contribution is allocated to each participant's account in the ratio each participant's total compensation for the Plan year bears to all participants' total compensation for the year. For the year ended December 31, 2025, the Company made no profit-sharing contribution.

INVESTMENT OPTIONS

Upon enrollment in the Plan, participants may direct the investment of their individual accounts among alternative investment funds provided under the Plan. Participants may change their investment elections at any time, as well as transfer existing balances between investment funds.

***NOTE 1* – DESCRIPTION OF THE PLAN (CONTINUED)**

INVESTMENT OPTIONS (CONTINUED)

As of December 31, 2025, the Plan originally offered 25 mutual funds and a fully benefit-responsive investment contract (see *Note 5*).

NOTES RECEIVABLE FROM PARTICIPANTS

The Plan does not permit notes receivable from participants.

PAYMENT OF BENEFITS

Upon termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount, a series of equal payments or in the form of an annuity. In-service distributions are allowed for participants who have reached the age of 59 ½ or normal retirement age. Hardship distributions are not allowed by the Plan.

VESTING

Participants are immediately vested in salary deferrals and distributions from other qualified retirement defined benefit or defined contribution plans, along with any earnings thereon.

Prior to normal retirement age, the employee becomes vested in the Company matching contributions and profit-sharing contributions or in the case the Plan becomes top-heavy as follows:

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participants become 100% vested in the event of disability or death. Years of service is defined as any year in which the participant works 1,000 hours.

FORFEITURES

Forfeited non-vested accounts are available to be used to increase the Company matching contributions but will not be used to reduce any employer contribution (e.g. matching, profit sharing or ADP test safe harbor contribution).

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

FORFEITURES (CONTINUED)

During the year ended December 31, 2025, no forfeited non-vested accounts were utilized as an additional employer contribution. As of December 31, 2025, forfeited non-vested accounts totaled $37,090 and there were no forfeited non-vested accounts as of December 31, 2024.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements are prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions which affect the amounts reported in the financial statements, accompanying notes and supplemental schedule. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value, as determined by the Custodian. Fair value is the price which would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The net change in the fair value of investments is reported in the statement of changes in net assets available for benefits in the period of change. See *Note 3* for further information on fair value measurements.

Contract value is the relevant measurement for the portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts. Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The contract value of the Plan's investment contracts is representative of fair value. See *Note 5* for further information on the Plan's fully benefit-responsive investment contracts.

Purchases and sales of securities are recorded on a trade-date basis. Expenses related to the purchase or sale of investments are added to cost or deducted from proceeds. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PAYMENT OF BENEFITS

Benefits are recorded when paid.

PLAN EXPENSES

Certain fees for services charged by the Custodian may be directly charged to a participant. Investment management and advisory fees are charged to the Plan. Other administrative costs of the Plan charged by the Custodian are generally paid by the Company.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan measures and reports certain assets and liabilities at fair value within a hierarchal disclosure framework which prioritizes and ranks the level of observable inputs used in measuring fair value.

Level one inputs include inputs which are unadjusted, quoted prices for identical assets or liabilities in active markets. Level two measurements include inputs which are either observable prices for identical assets or liabilities in inactive markets, observable prices for similar assets or liabilities, or other inputs derived principally from, or corroborated by, observable market data at the measurement date. Level three inputs are unobservable inputs which are significant to the fair value measurement. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input significant to the fair value measurement.

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. There have been no changes in the methodologies used as of December 31, 2025.

The preceding methods described may produce a fair value calculation not indicative of net realizable value or reflective of future fair values. Although the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Quoted Market Prices in Active Markets (Level One)	Other Observable Inputs (Level Two)	Unobservable Inputs (Level Three)
Mutual Funds	$ 11,820,258	$ -	$ -

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Quoted Market Prices in Active Markets (Level One)	Other Observable Inputs (Level Two)	Unobservable Inputs (Level Three)
Mutual Funds	$ 9,315,080	$ -	$ -

NOTE 4 – INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan's financial information included in the financial statements and supplemental schedule is based on the information certified by the Custodian as complete and accurate in accordance with 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The certified information includes total investments of $13,387,785 and $10,864,896 at December 31, 2025 and 2024, respectively.

The Plan's administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5(c) of Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The assets of the Plan are held by the Custodian. Accordingly, the Custodian has certified the following data included in the accompanying financial statements and supplemental schedule as complete and accurate.

> Investments in mutual funds and fully benefit-responsive investment contracts, as shown in the statements of net assets available for Plan benefits at December 31, 2025 and 2024.
>
> Investment activity, as shown in the statement of net changes in net assets available for benefits for the year ended December 31, 2025.
>
> The information in the supplemental schedule of assets (held at year-end) as of December 31, 2025.

The Plan's independent public accountant did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5 – FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACTS

The Plan holds investments in fully benefit-responsive investment contracts. Fully benefit-responsive investment contracts are reported in the Statement of Net Assets Available for Benefits at contract value. Contract value represents contributions made under the contract, plus earnings credited at contractually determined rates, less participant-directed withdrawals, transfers, and applicable administrative expenses.

During 2025, the Plan changed custodian from AUL to Voya. In connection with the transition, management confirmed the balances held in the AUL investment contracts, totaling $1,550,454, were transferred to the Voya Fixed Account on March 17, 2025.

The following table presents the contract value of the Plan's fully benefit-responsive investment contracts by contract type:

	2025	2024
Voya Fixed Account	$ 1,567,527	$ –
AUL Fixed Interest Account	–	1,172,066
AUL Stable Value Account	–	377,750
Net Assets Available for Benefits per Form 5500	$ 1,567,527	$ 1,549,816

VOYA INVESTMENT CONTRACT

The Voya Fixed Account is an unallocated group annuity contract issued by Voya Retirement Insurance and Annuity Company. Voya Retirement Insurance and Annuity Company maintains the account as part of its general account. The primary investment objective of the contract is the preservation of principal and accumulation of interest.

Interest is credited and compounded daily. Voya Retirement Insurance and Annuity Company guarantees a lifetime guaranteed minimum interest rate of 1.00% under the master contract. The current crediting rate is determined periodically by Voya Retirement Insurance and Annuity Company, subject to the guaranteed minimum interest rate, and is based on macroeconomic conditions and the yield of the insurer's general account.

Participants may direct the transfer of all or a portion of their balance out of the Voya Fixed Account to other Plan investment options, subject to the limitations in the contract. Generally, transfers are restricted to a maximum of 10% of the participant's total account balance within the Voya Fixed Account per calendar year. Equity wash restrictions prohibit direct transfers from the Voya Fixed Account into competing short-term investment vehicles, including money market funds or short-term bond funds, without first transferring the funds to a non-competing investment option for a minimum of 90 days.

NOTE 5 – FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACTS (CONTINUED)

VOYA INVESTMENT CONTRACT (CONTINUED)

Participant-initiated transactions permitted by the Plan, including distributions and qualified transfers, are made at contract value, with no market value adjustments or penalties applied to the individual participant.

AUL INVESTMENT CONTRACTS

Before the 2025 transition to Voya, the Plan held fully benefit-responsive investment contracts through AUL, including the AUL Fixed Interest Account and the AUL Stable Value Account. Amounts allocated to these contracts were placed in AUL's general account and invested in accordance with AUL's investment policy. AUL's general account assets were predominantly fixed-income investments, including bonds, mortgages, and private placements. During 2025, the AUL investment contract balances were transferred to the Voya Fixed Account, and the AUL contracts were terminated with respect to the Plan.

The interest rate for the AUL Fixed Interest Account was established and declared for new contributions received during a calendar quarter and was based on the return AUL expected on new investments held within AUL's general account. The rate equaled or exceeded the contractually guaranteed rate of 4.00%. In October 2021, the Plan froze new contributions to the AUL Fixed Interest Account, and subsequent investment elections and transfers were redirected to the AUL Stable Value Account.

The interest rate for the AUL Stable Value Account was declared before the beginning of each calendar year and guaranteed for that year until a new rate was established for the following year. The interest rate was based on expected earnings on investments over the period the rate was effective and expected operational expenses over that period. The minimum credited interest rate lock on the AUL Stable Value Account for the year ended December 31, 2025 was 1.00%. Participants could transfer up to 100% of their AUL Stable Value Account balance at any time, provided the amount was not transferred directly to a competing investment option as defined by the contract. After a transfer from the AUL Stable Value Account to a non-competing investment option, participants were required to wait 90 days before transferring amounts to the AUL Stable Value Account or to a competing investment option.

All benefit payments made before contract liquidation or transfer were made at contract value. In connection with the 2025 transition to Voya, the balances in the AUL investment contracts were transferred to the Voya Fixed Account on March 17, 2025 in the amount of 1,550,454.

NOTE 5 – FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACTS (CONTINUED)

EVENTS THAT MAY LIMIT CONTRACT-VALUE TRANSACTIONS

Certain events could limit the Plan's ability to transact with the issuer at contract value. These events include, but are not limited to:

- Full or partial termination of the Plan;
- Plan mergers or spin-offs;
- Changes to the Plan's legal status or tax qualification;
- Employer-initiated bankruptcy, reorganization, or liquidation; and
- Mass layoffs or early retirement incentive programs.

Upon the occurrence of such an event, any termination settlement or large-scale withdrawal requested by the Plan Sponsor may be subject to a market value adjustment or deferred payout schedule over a multi-year period, which could result in a liquidation amount that is less than contract value.

As of December 31, 2025, management believes the occurrence of any plan-level event that would limit the Plan's ability to transact at contract value is not probable.

NOTE 6 – INCOME TAXES

The prototype plan and trust agreement established by the Custodian to hold the Plan's assets is exempt from federal income taxes pursuant to the appropriate section of the Internal Revenue Code by a letter dated March 31, 2014; and accordingly, the Plan's net investment income is exempt from income taxes. The prototype has been amended since receiving the determination letter. However, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 7 – ADMINISTRATION OF PLAN ASSETS

The Plan's assets are held and certain administrative functions are performed by the Custodian of the Plan. The Company provides certain administrative functions and absorbs certain administrative costs on behalf of the Plan.

NOTE 8 – PARTY-IN-INTEREST

Net assets available for benefits include investments managed by the Custodian at December 31, 2025 and 2024. As a result, these assets and all transactions relating to these assets qualify as party-in-interest transactions. These transactions are exempt from being prohibited transactions by ERISA. No fees were paid directly by the Plan to the Custodian for the year ended December 31, 2025.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible change in values of investment securities will occur in the near term and such change could materially affect the account balances of participants and the amount reported in the statement of net assets available for benefits.

NOTE 10 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan in whole or in part subject to the provisions of ERISA. In the event of Plan termination, including partial Plan termination, active participants will become 100% vested in their accounts and the Custodian will distribute all assets remaining after payment of any expenses chargeable to the Plan to participants or their beneficiaries in accordance with the Plan's provisions.

NOTE 11 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Employer matching and participant contributions relating to the current Plan year and not remitted to the Custodian prior to year-end, are accrued on the financial statements in accordance with GAAP. For the 2020 Plan year, employer matching and participant contributions are recorded on the Form 5500 based on actual employer matching and participant contributions received by the Custodian during the current Plan year.

The following is a reconciliation of net asset available for benefits per the financial statements to Form 5500:

	2025	2024
Net Assets Available for Benefits per the Financial Statements	$ 14,013,535	$ 11,419,890
Employer Contributions Receivable	(625,750)	(554,994)
Net Assets Available for Benefits per Form 5500	$ 13,387,785	$ 10,864,896

NOTE 11 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the change in net asset available for benefits for the year ended December 31, 2025 per the financial statements to Form 5500:

Net Change in Net Assets Available for Benefits per the Financial Statements	$ 2,593,645
Change in Employer Contributions	(70,756)
Net Change in Net Assets Available for Benefits per Form 5500	$ 2,522,889

NOTE 12 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through the date of the independent auditors' report, the date which the financial statements were available to be issued. No matters affecting the accompanying financial statements were noted.
