INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators and Trustees of

Windels Marx Lane & Mittendorf, LLP Retirement Plan & Trust

New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Windels Marx Lane & Mittendorf, LLP Retirement Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Windels Marx Lane & Mittendorf, LLP Retirement Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Windels Marx Lane & Mittendorf, LLP Retirement Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Windels Marx Lane & Mittendorf, LLP Retirement Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Windels Marx Lane & Mittendorf, LLP Retirement Plan & Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Windels Marx Lane & Mittendorf, LLP Retirement Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) for the year ended December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used

to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

_____

1. Description of the Plan

General

The Windels Marx Lane & Mittendorf, LLP Retirement Plan & Trust (the "Plan") is a defined contribution plan sponsored by Windels Marx Lane & Mittendorf, LLP (the "Company"). The following description of the Plan provides only general information. Participants should refer to the Plan document and related amendments for a complete description of the Plan's provisions.

The Plan became effective January 1, 1979 and was most recently restated effective January 1, 2023. The Plan covers partners and substantially all eligible full-time non-legal staff employees of the Company, as defined in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and the Internal Revenue Code of 1986, as amended (the "Code").

Eligibility

In general, full-time employees of the Company, other than associate attorneys and special counsel on the legal staff, are eligible to participate in the Plan. Leased employees are not eligible to participate. Eligible employees generally become participants after completing six months of eligibility service and attaining age 21. Eligibility service generally requires completion of at least 500 hours of service during the six-month period following commencement of employment. Once participation commences, an employee must generally be credited with at least 501 hours of service and be employed on the last day of the Plan year, subject to the terms of the Plan.

Contributions

For each Plan year, the Company contributes on behalf of each eligible participant an amount equal to the sum of (i) 5.5% of the participant's compensation up to the Social Security taxable wage base for the applicable year and (ii) 11.0% of the participant's compensation in excess of the Social Security taxable wage base. In determining the level of contributions, the Company considers the Social Security contributions made on participants' behalf.

For Plan purposes, compensation includes a partner's earned income or an employee's salary, including overtime and bonuses, and the cash value of certain fringe benefits, as defined by the Plan.

Participant Accounts

Each participant's account is credited with applicable Company contributions and allocated investment earnings or losses and administrative expenses, as provided by the Plan. Allocations are generally based on participant compensation or account balances, as applicable. A participant's benefit is generally the vested amount that may be provided from the participant's account.

Vesting

Participants become vested in Company contributions, including related investment earnings, based on years of continuous service. Participants are 100% vested after three years of credited service or upon the occurrence of an accelerated vesting event, including attainment of age 65, death, or disability, as defined by the Plan.

Forfeitures

Amounts forfeited from nonvested participant accounts are used to reduce future Company contributions, as permitted by the Plan. At December 31, 2025 and 2024, forfeited nonvested account balances totaled $4,874 and $4,847, respectively. The Plan administrator applied $4,992 of forfeitures during 2026 to reduce the Company's contribution attributable to the 2025 Plan year.

Investment Options

Participants may direct the investment of their accounts among investment options offered under the Plan, which include mutual funds and common/collective trust funds representing fixed-income, equity, money market, and blended investment strategies.

Notes Receivable from Participants

Effective November 17, 2025 the Plan permitted loans to be made to the participants. Participants may borrow from their accounts, subject to the terms of the Plan, in amounts generally ranging from $1,000 to the lesser of $50,000 or 50% of the participant's vested account balance, subject to applicable Code limitations. Loan terms generally range from one to five years, or up to ten years for the purchase of a principal residence. Loans bear interest at a rate equal to a loan made under similar circumstances by persons in the business of lending money and are repaid through semi-monthly payroll deductions or other repayment method authorized by the Plan Administrator. Participants are limited to two outstanding loans at a time.

In-Service Withdrawals

In general, participants may elect in-service withdrawals from contribution accounts after attaining age 62, subject to the Plan's terms and applicable law. The minimum withdrawal is $1,000 and withdrawals may not exceed the participant's vested account balance.

Benefit Payments

Benefits are generally payable upon retirement, termination of employment, death, or other events specified in the Plan. Participants may elect a lump-sum distribution or, where applicable under the Plan, a qualified joint and survivor annuity. Participants who terminate employment before completing the service required for vesting may forfeit the nonvested portion of their accounts. Account balances below the applicable mandatory distribution threshold may be distributed in accordance with the Plan and applicable law.

The Plan's required minimum distribution provisions are administered in accordance with the Code and applicable amendments. SECURE 2.0 increased the applicable required beginning date for certain participants and eliminated required minimum distributions from designated Roth accounts for taxable years beginning after December 31, 2024.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP") applicable to employee benefit plans.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for investments for which net asset value ("NAV") is used as a practical expedient to estimate fair value. See Note 3 for additional information regarding fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned, and dividend income is recorded on the ex-dividend date.

Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain legal, accounting, and audit fees are paid by the Company. Other expenses of administering the Plan are paid by the Plan to the extent provided by the Plan document or applicable service arrangements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make required repayments and the loan is deemed to be in default in accordance with the Plan, the delinquent loan balance is recorded as a benefit payment based on the terms of the Plan.

Recently Adopted or Future Plan-Law Changes

SECURE 2.0 contains numerous mandatory and optional provisions with varying effective dates. The increased catch-up contribution limit for certain participants attaining ages 60 through 63 became effective for taxable years beginning after December 31, 2024. Certain higher-income participants are generally subject to Roth treatment requirements for catch-up contributions beginning in 2026, subject to applicable transition rules and regulatory guidance. The applicability of these provisions to the Plan depends on its terms and administrative practices.

3. Fair Value Measurements

The Plan measures its investments at fair value in accordance with GAAP. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a fair value hierarchy that prioritizes the inputs used in valuation techniques. The hierarchy gives the highest priority to quoted prices in active markets for identical assets and the lowest priority to unobservable inputs. The three levels of the hierarchy are:

Level 1—Quoted prices (unadjusted) in active markets for identical assets that the Plan can access at the measurement date.

Level 2—Observable inputs other than quoted prices included within Level 1, including quoted prices for similar assets in active markets and quoted prices for identical or similar assets in markets that are not active.

Level 3—Significant unobservable inputs used when little or no market activity exist for the asset or liability at the measurement date.

The Plan's valuation methodologies are described below. The Plan did not have investments measured using significant unobservable inputs at December 31, 2025 or 2024.

Mutual Funds

Mutual funds are valued at quoted market prices based on published NAVs or closing prices and are classified within Level 1 when traded in active markets.

Common/Collective Trust Funds Measured Using NAV as a Practical Expedient

Common/collective trust funds are valued using the NAV per unit provided by the trustee or fund manager as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments less liabilities of the fund. Investments for which NAV is used as a practical expedient are not classified within the fair value hierarchy.

Fair Value Hierarchy

December 31, 2025	Level 1	Level 2	Level 3	Total
Mutual Funds	$42,864,643	$ -	$ -	$42,864,643
Total investments in fair value hierarchy	$42,864,643	$ -	$ -	$42,864,643

Common/collective trust funds measured using NAV as a practical expedient were $6,591,618 at December 31, 2025. Total investments were $49,456,261.

December 31, 2024	Level 1	Level 2	Level 3	Total
Mutual Funds	$36,812,683	$ -	$ -	$36,812,683
Total investments in fair value hierarchy	$36,812,683	$ -	$ -	$36,812,683

Common/collective trust funds measured using NAV as a practical expedient were $5,982,179 at December 31, 2024. Total investments were $42,794,862.

Realized and unrealized gains and losses are included in net appreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits.

Investments Measured Using NAV as a Practical Expedient

Investment Type	12/31/2025	12/31/2024	Unfunded Commitments	Redemption Terms
Common/collective trust funds	$6,591,618	$ 5,982,179	None	Daily; generally daily notice

The investment adviser may temporarily delay withdrawals in connection with a full redemption to facilitate orderly liquidation of underlying securities.

4. Information Certified by the Plan's Trustee

The Plan administrator elected an audit under ERISA Section 103(a)(3)(C), as permitted by 29 CFR 2520.103-8. A qualified institution certified the completeness and accuracy of specified investment information and notes receivable from participants as of December 31, 2025 and 2024 and for the year ended December 31, 2025. The certified information included the Plan's investments and investment income and information included in the supplemental Schedule of Assets (Held at End of Year). The certified investment information included total investments of $49,456,261 and $42,794,862 at December 31, 2025 and 2024, respectively. During 2025, the Plan recognized net appreciation in fair value of investments of $3,892,299 and dividend income of $2,185,198. The 2024 comparative amounts were net appreciation of $4,522,180 and dividend income of $1,547,341, based on the source financial statements. The final disclosure agrees to the 2025 trustee certification.

5. Parties-in-Interest and Related-Party Transactions

The Plan engages in transactions with parties-in-interest, as defined by ERISA. Such transactions include investments and service arrangements involving the Company, Plan fiduciaries, the trustee, the recordkeeper, and other service providers. These transactions are not prohibited if they are covered by applicable statutory or regulatory exemptions.

T. Rowe Price Trust Company serves as trustee and is responsible for the safekeeping of Plan assets. The Company's Employee Benefits Committee acts for the Plan administrator, and T. Rowe Price Retirement Plan Services Inc. serves as recordkeeper.

Fees charged to the Plan for trustee, asset-management, and administrative services totaled $63,770 for the year ended December 31, 2025.

6. Plan Termination

Although the Company has not expressed an intention to terminate the Plan, it reserves the right to amend, suspend, discontinue contributions to, or terminate the Plan at any time, subject to ERISA and the terms of the Plan document. Upon a full or partial termination, affected participants become fully vested to the extent required by applicable law. Following payment of expenses, remaining assets would generally be allocated and distributed to participants and beneficiaries in accordance with the Plan.

7. Tax Status

The Plan is maintained using a prototype plan document sponsored by T. Rowe Price Retirement Plan Services Inc. The prototype sponsor received an Internal Revenue Service ("IRS") opinion or determination letter, dated August 19, 2020, regarding the form of the prototype plan. The Plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Code and that the related trust is tax-exempt.

The Plan administrator has evaluated the Plan's tax positions and concluded that no material uncertain tax positions require recognition in the financial statements. The Plan is subject to routine examination by taxing authorities; however, no examinations are currently in progress. The Plan administrator believes that the Plan is no longer subject to income tax examinations for years before 2022.

8. Other Income

During 2025, the Plan received $15,620 of revenue-sharing income, net of miscellaneous expenses, representing refunds or credits of certain fees from various mutual funds.

9. Reclassifications

Certain prior-year amounts have been reclassified to conform to the current-year presentation. These reclassifications did not affect net assets available for benefits.

10. Risks and Uncertainties

The Plan invests in various investment instruments that are exposed to market, interest-rate, credit, and other risks. Because of the level of risk associated with certain investments, changes in investment values may occur in the near term and could materially affect participants' account balances and the amounts reported in the financial statements.

11. Reconciliation of Financial Statements to Form 5500

The following reconciliation reflects differences between the accrual basis used for the financial statements and the reporting basis used for the Plan's Form 5500.

	2025	2024
Net assets available for benefits per the financial statements	$ 50,946,038	$44,182,368
Less: contribution receivables	(1,382,777)	(1,387,506)
Net assets available for benefits per the Form 5500	$ 49,563,261	$42,794,862

The Form 5500 generally reflects contributions when received and certain obligations when paid, whereas the accompanying financial statements are prepared on the accrual basis of accounting.

12. Subsequent Events

The Plan evaluated subsequent events through October 13, 2026, the date the financial statements were available to be issued. No subsequent events requiring recognition or disclosure in the financial statements were identified, except as otherwise disclosed herein.
