Independent Auditor's Report

Employee Relations Committee
Citizens Equity First Credit Union
Deferred Compensation Plan and Trust
Peoria, Illinois

We were engaged to audit the accompanying statements of net assets available for benefits of the Citizens Equity First Credit Union Deferred Compensation Plan and Trust (the Plan) as of December 31, 2009 and 2008, and the related statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule as of December 31, 2009. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2009 and 2008, that the information provided to the Plan administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

CITIZENS EQUITY FIRST CREDIT UNION
DEFERRED COMPENSATION PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2009 and 2008

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Citizens Equity First Credit Union Deferred Compensation Plan and Trust provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan covering all full and part-time employees of Citizens Equity First Credit Union ("CEFCU") who have completed a three month period of employment and are 18 years of age or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) Employer and Participant Contributions

At December 31, 2009 and 2008, CEFCU accrued 3.0 percent of all eligible participants' annualized base salary as a contribution to the plan. Employer contributions are discretionary and may be omitted.

Administrative and operating expenses are paid by CEFCU. Expenses paid were $9,265 and $17,008 for the years ended December 31, 2009 and 2008, respectively.

For the years ended December 31, 2009 and 2008, participants could contribute up to 60 percent of their compensation to the Plan on a pre-tax basis, subject to Internal Revenue Service limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan currently offers 34 mutual funds as investment options for Plan participants.

Notwithstanding the above, participant contributions in any Plan year shall not exceed any amount currently deductible under applicable Internal Revenue Service regulations.

(c) Vesting

Participants become fully vested in employer contributions immediately upon entry to the Plan.

(d) Payment of Benefits

In the event of the participant's termination of employment by reason of his or her voluntary or involuntary severance of employment, death, disability or retirement, the participant shall be entitled to his or her benefit under the Plan, determined not later than the last day of the year in which his or her employment is terminated.

All distributions shall be in the form of a lump sum.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

(e) Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) CEFCU's contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

(b) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(c) Investment Valuation and Income Recognition

The Plan's investments are stated at fair value using methodologies described in Note 4. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(d) Payment of Benefits

Benefits are recorded when paid.

NOTE 3 - INVESTMENTS

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

a. Total investments as shown in the accompanying statements of net assets available for benefits of $30,432,547 as of December 31, 2009 and $21,889,002 as of December 31, 2008.

b. Total investment income (loss) as shown in the accompanying statements of changes in net assets available for benefits of $6,165,113 and $(11,275,664) for the years ended December 31, 2009 and 2008, respectively.

The fair value of individual investments that represent 5 percent or more of the Plan's net assets as of December 31 are as follows:

	2009	2008
Fidelity Balanced Fund	$ 3,108,456	$ 2,413,994
Fidelity Retirement Government Money Market Portfolio	5,864,273	5,296,105
Fidelity Magellan Fund	3,850,894	2,528,430
Fidelity Intermediate Bond Fund	1,841,837	1,162,237
Fidelity Value Discovery	2,151,368	1,643,932

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 4 - FAIR VALUE MEASUREMENTS

GAAP provisions establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds: Valued at the net asset value of shares held by the Plan at year end.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2009 and 2008:

	Assets at Fair Value as of December 31, 2009

Mutual funds	$ 21,889,002	$ -	$ -	$ 21,889,002

NOTE 5 - TAX STATUS

The Internal Revenue Service has determined and informed the Plan by a letter dated January 8, 2004, that the Plan and related Trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, CEFCU has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 7 - RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of Fidelity mutual funds. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - SUBSEQUENT EVENTS

Management evaluated subsequent events through July 27, 2010, the date the financial statements were available to be issued.
