INDEPENDENT AUDITORS' REPORT

We have audited the accompanying statements of net assets available for benefits of Murco Wall Products, Inc. as of June 30, 2011 and 2010, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Murco Wall Products, Inc. as of June 30, 2011 and 2010, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplemental information is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Valuation of Investments

The Plan's investments are stated at fair value. Quoted market prices are used to value investments in mutual funds and preferred stocks. Contract values are used to value funds held in annuities.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Concentration of risks

The Plan is subject to general market risks associated with the current economic conditions.

The cash deposit maintained at one financial institution exceeded the federally insured limit of $250,000 by $418,246 as of June 30, 2011.

NOTE 2 - PLAN DESCRIPTION

Description of Plan

Effective June 30, 1974, Murco Wall Products, Inc. adopted a defined contribution profit sharing plan for the benefit of the employees of the Company. The following description of the Murco Wall Products, Inc. Employee Profit Sharing Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan Agreement was restated and the Plan restatement has an effective date of July 1, 2009.

NOTE 2 - PLAN DESCRIPTION (CONTINUED)

Description of Plan (continued)

As of June 30, 2007, a beneficiary of the Plan may work either for Murco Wall Products, Inc or Murphy Wall Products International, Inc. Murphy Wall Products International, Inc. and Murco Wall Products, Inc. have common ownership.
In accordance with laws that regulate defined contributions plans, the Plan is generally amended every six to seven years. The most recent amendment occurred on July 1, 2009.

General

The Plan is a defined contribution profit sharing plan covering all full-time employees of the Companies. Employees are required to have one-half year of service and have attained age eighteen in order to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, the Company may make a discretionary contribution to the Plan of up to 15% of eligible compensation. Amounts contributed are placed in a trust fund for the benefit of plan participants. There was no contribution for the year-ended June 30, 2011.

Administrative Expenses

Administrative expenses of the Plan are paid for by the Plan.

Participant Accounts

Each participant's account is credited annually with its share of the employer's contribution and an allocation of earnings and forfeitures and charged with an allocation of administrative expenses. Plan contributions are allocated based upon each participant's eligible compensation to all eligible compensation of all eligible participants in the Plan. Plan earnings and forfeitures are allocated to individual participant accounts based upon the ratio of their individual account balance to all account balances. For the year ended June 30, 2011, forfeitures in the amount of $11,490 were reallocated to remaining participant's accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 2 - PLAN DESCRIPTION (CONTINUED)

Vesting

The "vested percentage" in a participant's account is determined under the following schedule and is based on vesting years of service. A participant is 100% vested upon normal retirement age.

Years of service	Vesting Percentage
0-1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect one of the following distribution methods:

1) Joint and survivor annuity (if married)
2) Life annuity
3) Single lump sum payment in cash
4) The purchase of a different form of annuity.
5) Installments over a period of not more than the participant's (or beneficiaries) assumed life expectancy determined at the time of distribution

Termination

The employer shall have the right at any time to terminate the Plan by delivering to the Trustee and Administrator written notice of such termination. Upon any full or partial termination all amounts credited to the affected Participants' Combined Accounts shall become 100% Vested and shall not thereafter be subject to forfeiture, and all unallocated amounts shall be allocated to the accounts of all Participants in accordance with the provisions hereof.

NOTE 2 - PLAN DESCRIPTION (CONTINUED)

Termination (continued)

Upon the full termination of the Plan, the Employer shall direct the distribution of the assets to Participants in a manner which is consistent with and satisfies the provisions of the Plan. Distributions to a Participant shall be made in cash (or in property if permitted in the Adoption Agreement) or through the purchase of irrevocable nontransferable deferred commitments from the Insurer. Except as permitted by the Regulations, the termination of the Plan shall not result in the reduction of "Section 411(d)(6) protected benefits".

NOTE 3 - TAX STATUS

The Internal Revenue Service has determined and informed the Company in a letter dated October 24, 1994, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). NOTE 5 - FAIR VALUE MEASUREMENTS

The FAS 157 statement concerning Fair Value Measurement and issued in September 2006 is applicable for financial statements issued for fiscal years beginning after November 15, 2007. FAS 157 was superseded by FASB ASC 820-10.

To increase consistency and comparability in fair value measurements and related disclosures, the fair value hierarchy of FASB ASC 820-10 prioritizes the inputs to valuation techniques used to measure fair value into three broad levels. The fair value hierarchy gives the highest priority to quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. An active market for the asset or liability is a market in which transactions for the asset or liability occur with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. If the asset or liability has a specified (contractual) term, a Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs are unobservable inputs for the asset or liability. Unobservable inputs shall be used to measure fair value to the extent that observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at the measurement date. However, the fair value measurement objective remains the same, that is, an exit price from the perspective of a market participant that holds the asset or owes the liability

NOTE 6 - OWED TO PLAN SPONSOR

At June 30, 2011 and 2010 the balance represents payouts to terminated employees and payment of administrative expenses not reimbursed to the plan sponsor as of that date.

NOTE 7 - INSURANCE CONTRACTS

Insurance contracts purchased as an investment for the profit sharing plan include provisions that include surrender charges and market value adjustments. These provisions could significantly impair the value of the asset in the case of the liquidation or some other occurrence that would require the sale of the insurance contract before its maturity.

See auditors' report and the accompanying notes to the financial statements.

NOTE 8 – SUBSEQUENT EVENTS

Subsequent events have been evaluated through January 23, 2012, the date which the financial statements were available to issue. As of January 23, 2012, there is no subsequent event to disclose.
