Highland Park Motors, Inc.
Employees' Profit Sharing and Savings Plan
Notes to Financial Statements

A. Description of Plan

The following description of the Highland Park Motors, Inc. ("Company") Employees' Profit Sharing and Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General. The Plan is a profit sharing and 401(k) plan covering all employees of the Company who have completed one year of service and are age twenty-one or older except employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining, unless such agreement expressly provides for participation in this Plan.

2. Contributions. Each year, participants may contribute up to 100 percent of pretax annual compensation, or the dollar limit as adjusted in accordance with section 415(d) of the code, as defined in the Plan. Participants may also contribute amounts representing distributions from other tax qualified retirement plan or "conduit" IRA. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers numerous mutual funds as investment options for participants. The Company may make a profit sharing contribution depending on profitability.

3. Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) any Company profit sharing contributions, (b) any forfeitures and (c) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Plan expenses are allocated to each participant's account per the explanation above.

4. Vesting. Participants are fully (100%) vested in their Elective Deferral Account and Rollover Account, if any, at all times. The Profit Sharing Account balances become vested and non-forfeitable in accordance with the following schedule:

   All Participants who earn at least one Hour of Service on or after January 1, 2007, shall be determined in accordance with the following schedule:

Years of Vesting Service	Vested Percentage
Less than 2 years	0 %
At least 2 years but less than 3 years	20 %
At least 3 years but less than 4 years	40 %
At least 4 years but less than 5 years	60 %
At least 5 years but less than 6 years	80 %
6 years or more	100 %

   If a Participant earns no Hours of Service on or after January 1, 2007, the vested portion of his Profit Sharing Account shall be determined in accordance with the following vesting schedule:

A. Description of Plan, continued

Years of Vesting Service	Vested Percentage
Less than 3 years	0 %
At least 3 years but less than 4 years	20 %
At least 4 years but less than 5 years	40 %
At least 5 years but less than 6 years	60 %
At least 6 years but less than 7 years	80 %
7 years or more	100 %

5. Forfeitures. If a participant terminates employment before being fully vested, a portion of the employer contribution will be forfeited. Forfeitures arising during the Plan year from Profit Sharing Accounts shall be reallocated as of the last day of the Plan year to the Profit Sharing Account of each Active Participant in the same proportion as the profit sharing allocation, or used to pay Plan expenses.

6. Participant Loans. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates that a bank or other professional lender would charge for making a loan in a similar circumstance. Principal and interest is paid ratably through payroll deductions.

7. Payment of Benefits. On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum payment in cash, a joint and 50 percent survivor annuity, single life annuity, substantially equal installments over a fixed period of years, or direct a rollover to an Individual Retirement Arrangement ("IRA") or other qualified retirement plan.

B. Summary of Account Policies

1. Use of Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

2. Investment Valuation and Income Recognition. The Plan's investments are stated at market value and cost. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end.

3. Participant Loans are stated at cost.

4. Investment transactions are recorded on a trade-date basis.

5. Realized gains and losses are calculated on a historical moving average cost basis.

6. Benefits are recorded when paid.

C. Investments

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by John Hancock USA and was not subjected to any auditing procedures performed by the independent public accountants.

During 2011, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by $100,610.

D. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

E. Tax Status

The Plan has obtained its latest determination letter dated October 13, 2011 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

F. Financial Instrument

The Plan has no instrument that in whole or in part, is accounted for as a derivative instrument under FASB statement No. 133, Accounting for Derivative Instruments and Hedging Activities during the current year.

G. Transactions with Parties-in-Interest

Administrative expenses for legal, accounting and other services are rendered by parties-in-interest and are paid by either the Company or the Plan. The Company also provides certain accounting, record keeping, and administrative services for the Plan for which it receives no compensation.
