GRACE MANAGEMENT, INC.
HEALTH & WELFARE PLAN
NOTES TO FINANCIAL STATEMENTS
For the period April 1, 2011 (Date of inception) through December 31, 2011

NOTE 1 - Description of the Plan

The following description of the Grace Management, Inc. Health & Welfare Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a complete description of the Plan's provisions.

The Plan and Trust were established on April 1, 2011 to provide health and other benefits to eligible participants. The sponsoring employer, Grace Management, Inc., has agreed in writing to be bound by the terms and conditions of the Trust Agreement establishing the Plan. The Plan is an employee benefit plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan provides medical, dental, vision, and short term liabilities coverage through a 3rd party insurance company, Standard Security Life Insurance Company, prescription insurance coverage through Fidelity Life Insurance Company, and life insurance and supplemental accident benefits through Reliance Standard Insurance. The Plan also provides Health Reimbursement Arrangement ("HRA") benefits. The HRA benefit is self-funded and allows employees to be reimbursed for certain out of pocket health benefits incurred by participants.

Eligibility rules under the Plan require all employees hired as active employees to receive coverage the first of the month following one month of continuous employment on a fringe contract. Benefits terminate on the last day of the month in which a participant's employment terminates. If the Plan has sufficient funding, the Plan will provide an extra month of future coverage.

The Plan shall remain in existence from year to year, unless written termination notice is given by the Plan Sponsor or Plan Trustee to the other at least 60 days prior to the anniversary date of effective coverage under the Plan.

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to employees, to discontinue its contributions at any time, and terminate the Plan subject to the provisions set forth in ERISA.

NOTE 2 - Summary of Significant Accounting Policies

Accounting Method

The accounts of the Plan are maintained on an accrual basis of accounting for financial reporting purposes.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash and equivalents

Cash equivalents include money market funds used in general operations.

Employer Contributions

Employer contributions are recognized as income in the month the employees worked.

Contributions Receivable

Employer contributions due but not paid at year-end are recorded as contributions receivable. An allowance for uncollectible accounts is considered unnecessary and is not provided.

Benefits

Benefits expense is recorded when paid. Hours worked through December provide participants with benefits eligibility through December. The participants' coverage will end at midnight on the last day of the month in which eligibility ceases. If the Plan has sufficient funding, the Plan will provide an extra month of future coverage.

NOTE 2 - Summary of Significant Accounting Policies (Continued)

Subsequent Events

In preparing the financial statements as of December 31, 2011, management considered the impact of subsequent events occurring through September 10, 2012 for potential recognition or disclosure in these financial statements.

NOTE 3 - Money Market Accounts

Money market accounts that individually represent 5% or more of the Plan net assets available for benefits as of the end of the year are as follows:

Borel Bank & Trust	$ 28,128

In accordance with Accounting Standards Codification (ASC) 820 Fair Value Measurements and Disclosures, the Fund categorizes its financial instruments recorded at fair value into a three-level fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument. Level 2 represents financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable either directly or indirectly for substantially the full term of the asset or liability. The Plan's money market account is considered level 2 investments.

NOTE 4 - Income Taxes

The Trust established under the Plan to hold the Plan's assets has not applied for exemption from California or federal income taxes, and is currently subject to income tax on its net investment income. Independent Auditors' Report on Supplemental
Schedules Required by the Department of Labor

Our audit of the financial statements of Grace Management, Inc. Health & Welfare Plan (the Plan) for the period ended December 31, 2011 was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes (held at December 31, 2011) is for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.
