INDEPENDENT AUDITORS' REPORT

Trustees
PeopleNet Communications Corporation 401(k) Plan & Trust
Minnetonka, Minnesota

We have audited the accompanying statement of net assets available for benefits of PeopleNet Communications Corporation 401(k) Plan & Trust (the Plan) as of December 31, 2009 and 2008, and the related statement of changes in net assets available for benefits for the years ended December 31, 2009 and 2008. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2009 and 2008 and the changes in net assets available for benefits for the years ended December 31, 2009 and 2008, in conformity with accounting principles generally accepted in the United States of America.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental information on page 10 is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplemental information required by the Department of Labor's Rules & Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental information is the responsibility of the Plan's management. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

PEOPLENET COMMUNICATIONS CORPORATION 401(K) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of PeopleNet Communications Corporation 401(k) Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of PeopleNet Communications Corporation (the Company). Employees are eligible to participate in the employee deferral and employer match if they have completed one month of eligibility service and are 21 years of age or older. All employees who have completed 1,000 hours or more of service during the Plan year and are employed by the Company on the last day of the Plan year, and have attained the age of 21 are eligible to participate in the employer discretionary contributions. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers 16 mutual funds and a common trust fund as investment options for participants. The Company elected to match 50% up to 4% of the participant's compensation that a participant contributes to the Plan. Additional profit sharing amounts may be contributed at the option of the Company's board of directors. In 2009 and 2008, the Company elected not to contribute a profit sharing contribution to the Plan. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant becomes fully vested after six years of credited service, upon death, disability or attainment of age 60.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The terms require principal and interest payments through payroll deductions. The loans are secured by the balance in the participant's account and bear interest at 1% plus the prime rate. Interest rates on participant loans range from 4.25% to 8.5%.

PEOPLENET COMMUNICATIONS CORPORATION 401(K) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or partial payments. If the vested balance in a participant's account does not exceed \$5,000, the payment must be a lump-sum distribution.

Forfeited Accounts

At December 31, 2009 and 2008, forfeited nonvested accounts totaled \$6,206 and \$1,118. These accounts are used to restore forfeitures, reduce the amount of future employer contributions or to pay Plan expenses. In 2009, \$2,359 of administrative expenses were paid from forfeited nonvested accounts. No forfeitures were applied in 2008.

Investment Options

Each participant designates the investment options in which his or her deferred salary contribution and the Company's contribution are invested from a group of funds offered by the custodian of the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from those estimates.

Subsequent Events

In preparing these financial statements, the Plan has evaluated for recognition or disclosure the events or transactions that occurred through July 29, 2010, the date the financial statements were available to be issued.

Investment in Common Collective Trust Fund

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Plan invests in investment contracts through a collective trust. Contract value for this collective trust is based on the net asset value of the fund as reported by the investment advisor. The statement of net assets available for benefits presents the fair value of the investment in the collective trust as well as the adjustment of the investment in the collective trust from fair value to contract value relating to the investment contracts. The statement of changes in net assets available for benefits is prepared on a contract value basis.

PEOPLENET COMMUNICATIONS CORPORATION 401(K) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Net Appreciation (Depreciation) in Fair Value of Investments

Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments. Brokerage fees are added to the acquisition costs of assets purchased and subtracted from the proceeds of assets sold.

Administrative Expenses

All expenses relating to investment advisory and compliance testing are paid by the Plan. All other administrative fees are paid for by the Company.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 - INVESTMENTS

Investments exceeding 5% of the net assets of the Plan at December 31 are as follows:

	<u>2009</u>	<u>2008</u>
ABN AMRO Income Plus (Contract Value \$355,931 and \$282,962)	\$ 348,456	\$ 260,471

NOTES TO FINANCIAL STATEMENTS

NOTE 3 - INVESTMENTS (Continued)

The Plan's investments (including investments bought, sold and held during the year) appreciated (depreciated) in value as follows:

	<u>2009</u>	<u>2008</u>
Common Trust Fund	\$ 5,299	\$ 7,679
Mutual Funds	<u>885,020</u>	<u>(1,238,734)</u>
Total	<u>\$ 890,319</u>	<u>\$ (1,231,055)</u>

NOTE 4 - FAIR VALUE MEASUREMENTS

Under generally accepted accounting principles, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The accounting standards establishes a three-tier fair value hierarchy, which prioritizes information used in developing assumptions when pricing an asset or liability as follows:

Level 1 - Observable inputs such as quoted prices in active markets;

Level 2 - Inputs other than quoted prices in active markets that are observable either directly or indirectly; and,

Level 3 - Unobservable inputs when there is little or no market data which requires the reporting entity to develop its own assumptions.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of non-observable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2009 and 2008.

Mutual Funds: Valued at the net asset value of shares held by the Plan at year end.

Common Trust Fund: Valued at the net asset value per unit based on either the observable net asset value of the underlying investment or the net asset value of the underlying pool of securities. Net asset value is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The Common Trust Fund is classified within Level 2 of the valuation hierarchy.

Participant Loans: Valued at amortized cost, which approximates fair value.

NOTE 5 - RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Investments. Fidelity Investments is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in employer contributions.

NOTES TO FINANCIAL STATEMENTS

NOTE 7 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated September 5, 2003, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of the investments securities will occur in the near future and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

PeopleNet Communications Corporation 401(k) Plan & Trust
Minnetonka, Minnesota

In planning and performing our audit of the financial statements of PeopleNet Communications Corporation 401(k) Plan & Trust, (The Plan) as of and for the year ended December 31, 2009, in accordance with auditing standards generally accepted in the United States of America, we considered PeopleNet Communications Corporation 401(k) Plan & Trust's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and, therefore, there can be no assurance that all such deficiencies have been identified. However, as discussed below, we identified a certain deficiency in internal control that we consider to be a material weakness.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the following deficiency in the Plan's internal control to be a material weakness:

Internal controls over financial reporting include those related to the actual preparation and review of the audited financial statements. In order to prepare a complete set of financial statements in conformity with generally accepted accounting principles (GAAP), the preparer must have certain knowledge and expertise.

Plan personnel prepare periodic financial information for internal use that meets the needs of Plan management. However, the Plan does not have internal resources to prepare full-disclosure financial statements required by GAAP for external reporting. For entities of the Plan's size, it generally is not practical to obtain the internal expertise to handle all aspects of the external financial reporting. The Plan's management is aware of this deficiency and addresses it by obtaining our assistance in the preparation of the Plan's annual financial statements. Management reviews and approves the completed statements and distributes them to the users.

This communication is intended solely for the information and use of management, the plan administrator and others within the organization and is not intended to be and should not be used by anyone other than these specified parties.

Trustees
PeopleNet Communications Corporation 401(k) Plan & Trust
Minnetonka, Minnesota

We have audited the financial statements of PeopleNet Communications Corporation 401(k) Plan & Trust for the year ended December 31, 2009, and have issued our report thereon dated July 29, 2010. Professional standards require that we provide you with the following information related to our audit.

Our Responsibility Under U.S. Generally Accepted Auditing Standards

As stated in our engagement letter dated October 21, 2009, our responsibility, as described by professional standards, is to express an opinion about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit of the financial statements does not relieve you or management of your responsibilities.

Our responsibility is to plan and perform the audit to obtain reasonable, but not absolute, assurance that the financial statements are free of material misstatement. As part of our audit, we considered the internal control of the Plan. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control. We are responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures specifically to identify such matters.

Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to Knute Gilbertson in our discussion of planning matters on June 7, 2009.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Significant Audit Findings (Continued)

Qualitative Aspects of Accounting Practices (Continued)

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no sensitive estimates in the Plan's financial statements.

The disclosures in the financial statements are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit. We wish to thank the Plan's management and staff for their assistance.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. No such misstatements were identified.

Recorded audit adjustments pertaining to contributions receivable had a material effect on the Plan's financial statements. The net effect of the adjustments was to increase the net assets available for benefits by \$34,817.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representation

We have requested certain representations from management that are included in the management representation letter dated July 29, 2010.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Significant Audit Findings (Continued)

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the plan administrator and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.
