Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Mighty Taco, Inc 401(k) Profit Sharing Plan & Trust, which comprise the statements of net assets available for plan benefits – modified cash basis as of December 31, 2012 and December 31, 2011, and the related statement of changes in net assets available for plan benefits – modified cash basis for the year ended December 31, 2012, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Mid Atlantic Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2012 and December 31, 2011, and for the year ended December 31, 2012, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) - modified cash basis, which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements, but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income and Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to, and we do not, express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. Description of the Plan

The following brief description of Mighty Taco, Inc 401(k) Profit Sharing Plan & Trust is provided for general information purposes only. Participants' should refer to the Plan document for more complete information.

General

The Plan is a defined contribution plan covering all full-time employees of the Plan Administrator who have completed one year of service, are age 21 or older, and maintains at least 500 hours of service in each subsequent year. The Plan is subject to the provisions of ERISA.

The Plan Administrator is Mighty Taco, Inc. The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investments performance and reports to the Plan's Board of Trustees.

Contributions

Participants may elect to make salary-reducing contributions to the Plan up to a maximum of 12 percent of compensation, subject to IRS limits. The Plan Administrator contributes 33 percent of the employee contribution up to a maximum of 6 percent of compensation. The employer may also make a discretionary profit sharing contribution for all employees who complete more than 500 hours of service during the Plan year. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Contributions are subject to certain limitations. Participants direct the investment of contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, Plan Administrator contributions, and earnings as allocated. The account is reduced by the payment of benefits and an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Plan Administrator's contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100 percent vested after 6 years of service.

Notes Receivable from Participants

Participants may borrow from their vested fund accounts a minimum of $1,000 up to a maximum of $50,000. The loans are secured by the balance in the participant's account and bear interest of prime plus one percent (at December 31, 2012 the prime rate was 3.25 percent). Participant borrowing cannot exceed one-half of the participant's vested account balance. A participant may only have one loan outstanding at any time. Principal and interest are collected ratably through payroll deductions.

Benefit Payment

The benefit to which a participant is entitled is the benefit that can be provided from the participant's account and normally takes the form of a lump sum distribution. A participant may elect other installment options as provided for in the Plan with the approval of the Plan Administrator.

Benefits are provided for normal retirement at attained age of 65, or may be deferred if the participant continues in active service with the Plan Administrator. Benefits are also provided upon permanent disability, attainment of age 59½, separation from service or death.

1. Description of the Plan (Continued)

Forfeitures

Forfeited non-vested accounts are used to reduce future Plan Administrator contributions, administrative expenses or can be allocated to qualifying participants. At December 31, 2012 and December 31, 2011, forfeited non-vested accounts totaled $4,836 and $14,045, respectively. The accounts will be used to reduce administrative expenses or future Plan Administrator contributions. In 2012, administrative expenses were reduced by $9,431 from forfeited nonvested accounts. Additionally, $4,614 was allocated amongst eligible participants.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's policy is to prepare its financial statements on the modified cash basis of accounting; consequently, certain revenue is recognized when received rather than when earned and certain expenses are recognized when cash is disbursed rather than when the obligation is incurred. Contributions are shown on the accrual basis of accounting except for corrective contributions, which are shown on the cash basis of accounting. Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are stated at fair value as certified by the trustee, Mid Atlantic Trust Company. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income and dividends are recorded on the modified cash basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Administrator and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and requests for distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The Plan has evaluated for subsequent events through the date of the independent auditors' report, which is the date the financial statements were made available to be issued.

3. Fair Value Measurement

Fair value is the price at which an asset could be exchanged in a current transaction between knowledgeable, willing parties. Fair value measurements are categorized into one of three levels based on the lowest level of significant input used: Level 1 (unadjusted quoted prices in active markets); Level 2 (observable market inputs available at the measurement date, other than quoted prices included in Level 1); and Level 3 (unobservable inputs that cannot be corroborated by observable market data).

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2012 and December 31, 2011.

Interest Bearing Cash
Valued at cost plus accrued interest.

Mutual Funds
Valued at the net asset value (NAV) of shares held by the Plan at year end. The NAV is the closing price reported on the active market on which the securities are traded.

Collective Investment Funds
Valued at the net asset value (NAV) of shares held by the Plan at year end. The NAV is is based on the estimated value of the underlying investments.

There have been no changes in the methodologies used at December 31, 2012 and December 31, 2011.

The preceding methods described may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents information about our investments measured at fair value on a recurring basis as of December 31, 2012 and December 31, 2011, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value.

4. Financial Certification (Unaudited)

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan has elected to utilize the certification of certain financial information by Mid Atlantic Trust Company in compliance with the audit requirements of the Act.

The following is a summary of the unaudited information included in the accompanying financial statements and supplemental schedule that was prepared and furnished to the Plan by Mid Atlantic Trust Company. The Plan has obtained a certification from Mid Atlantic Trust Company that the information is complete and accurate as of December 31, 2012 and December 31, 2011 and for the year ended December 31, 2012.

5. Party-in-Interest Transactions

Certain Plan activities are managed by Paychex Retirement Services and Mid Atlantic Trust Company. As defined by the Plan, Mighty Taco, Inc. administers the Plan, Paychex Retirement Services is the Plan record keeper, Mid Atlantic Trust Company is the trustee of all assets and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for recordkeeping and investment management services included in administrative expenses amounted to $10,235 for the year ended December 31, 2012. Fees paid by the Plan for investment management services are included in net appreciation in fair value of investment as they are paid through revenue share, rather than a direct payment. The Plan Administrator pays directly any other expenses related to the Plan's operations. In addition, fees paid by the Plan for audit services included in administrative expenses amounted to $5,850 for the year ended December 31, 2012.

6. Plan Termination

Although it has not expressed any intent to do so, the Plan Administrator reserves the right to terminate or revoke the Plan at any time, subject to provisions of ERISA. In the event of termination or partial termination, all participants affected shall have a fully vested and non-forfeitable right to the amount credited to their accounts at the date of such termination.

7. Tax Status

The Plan uses a prototype plan document sponsored by Paychex, Inc. Paychex, Inc. received an opinion letter from the IRS dated March 31, 2008, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable provisions of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2012, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2009.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Corrective Distributions and Contributions

For the year ended December 31, 2012, the Plan's actual deferral percentage and actual contribution percentage ("ADP/ACP") discrimination test was completed in 2012.
