The Delta Centrifugal Corporation Salary Reduction Plan

We were engaged to audit the financial statements and supplemental schedules of Delta Centrifugal Corporation Employee Salary Reduction Plan as of December 31, 2009 and 2008 and for the years then ended, as listed in the accompanying table of contents. These financial statements and schedules are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the fair value of the investments, which was certified by The Hartford Retirement Plans Group, the custodian of the Plan, except for comparing the information with the related information included in the 2009 and 2008 financial statements and supplemental schedules. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the trustee as of and for the year ended December 31, 2009, that the information provided to the plan administrator by the custodian is complete and accurate.

Because of the significance of the information in the Plan's financial statements and schedules that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and schedules taken as a whole. The form and content of the information included in the financial statements and schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

DELTA CENTRIFUGAL CORPORATION
EMPLOYEE SALARY REDUCTION PLAN
NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of the Delta Centrifugal Corporation (the Company) Employee Salary Reduction Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan originally became effective January 1, 1984 and was restated effective January 1, 2005 and again January 1, 2009.

General

The Plan is a defined contribution plan covering substantially all employees of Delta Centrifugal Corporation and Texas Stainless who have completed six months of service and are age 21 or older and who are not either leased or H2-b visa employees. The plan entry date is January 1 of each year. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to the maximum allowed by the Internal Revenue Code. Participants who are 50 years of age or older may be able to contribute up to an additional $5,500 in 2009 as a "Catch Up" contribution. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company makes discretionary contributions to the Plan in an amount determined annually by the Board of Directors. There were no matching contributions made for 2009 or 2008.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's discretionary contributions and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon in the year they are earned. For discretionary contributions, a participant's vesting percentage is based on years of service. Employees terminating employment for any reason other than death, disability or retirement are entitled to the value of their accounts derived from employer contributions based on the following:

Completed Years of Service	Vested Percentage
Less than two (2) years	0%
After 2 years of service	20%
After 3 years of service	40%
After 4 years of service	60%
After 5 years of service	80%
After 6 years of service	100%

2. Summary of Significant Accounting Policies

Use of Estimates

Management of the Plan has made a number of estimates and assumptions relating to the reporting of assets and liabilities and the disclosure of contingent assets and liabilities to prepare these financial statements in conformity with generally accepted accounting principles. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. If available, quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. Participant loans are valued at their outstanding balances, which approximate fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Participant Loans

Participants may borrow from their fund accounts. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loans fund. The loans are secured by the balance in the participant's account and bear interest at prime rate which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions.

Forfeited Accounts

Forfeited nonvested accounts will be added to any employer discretionary contributions or used to pay plan expenses. At December 31, 2009, forfeited non-vested accounts totaled $ 5.

3. Information Certified by the Custodian

The financial information included in the financial statements and supplemental information, except for receivables, accrued expenses, if any, contributions, benefits paid to participants, and administrative expenses, has been derived from information certified as complete and accurate by the trustee of the Plan, in accordance with 20 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

4. Tax Status

The plan obtained its latest determination letter on July 9, 1992 in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the plan administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

6. Party-In-Interest Transactions

The Plan has not considered Company contributions to the Plan or benefits paid by the Plan to participants as party-in-interest transactions.

7. Investments

The following presents investments that represent 5% or more of the Plan's net assets.

	December 31, 2009	December 31, 2008
Hartford Fixed Account, 731,245.6530 and 603,477.6293 units	930,256	745,354
Seligman Communications and Information 11,115.3970 and 9,798.6851 units	423,385	234,091
Oppenheimer Developing Markets, 31,627.3468 and 21,050.4435 units	882,716	325,019
The Hartford Balanced Allocation, 38,610.3431 and 34,402.6352 units	394,984	280,037
The Hartford Conservative Allocation, 31,245.6085 and 29,673.6526 units	308,082	238,576

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. Extraordinary/Subsequent Events

On July 28, 2009, many of the records of the employer sponsor were destroyed in a fire. Most of the destroyed records were not the current records of the plan, but were the older records of prior years and terminated participants and employees. Some of the current records may be partially destroyed or difficult to read, but restoration services have begun and it is believed the records will be restored or reconstructed.
