INDEPENDENT AUDITOR'S REPORT

To the Administration of the
M-E Engineers, Inc. 401(K) Profit Sharing Plan and Trust

We were engaged to audit the statement of net assets available for benefits of the M-E Engineers, Inc. 401(K) Profit Sharing Plan and Trust (the Plan) as of December 31, 2009 and 2008 and the statement of changes in net assets available for benefits for the year ended December 31, 2009. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, as of and for the year ended December 31, 2009, which was certified by John Hancock Life Insurance Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee, as of December 31, 2009 and for the year then ended, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule as of and for the year ended December 31, 2009 taken as a whole. The form and content of the information included in the financial statements and supplemental schedule for the year ended December 31, 2009, other than that derived from the information certified by the trustee, has been audited by us in accordance with auditing standards generally accepted in the United States of America, and in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

We have audited the statement of net assets available for benefits of the Plan as of December 31, 2008, and in our report dated October 9, 2009, we expressed our opinion that such financial statement presents fairly, in all material respects, the financial status of the Plan as of December 31, 2008, in conformity with accounting principles generally accepted in the United States of America.

1. Description of plan

The following description of M-E Engineers (Company) 401(K) Profit Sharing Plan and Trust (Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company, age 21 and over, who have 3 months of service. Employees are eligible for employer matching and profit sharing contributions after 1 year of service and meeting the minimum work requirement of 1,000 hours. Plan entry dates are monthly. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In 2006, the Company acquired 100% of the stock of Bechard & Associates (Bechard). Effective January 1, 2007, the employees of Bechard were rolled into the Company's Plan and all assets of the Bechard Plan were transferred into the Company's Plan. In 2008, the assets and participants of the M-E Vogel/Taylor Plan were also rolled into the Plan.

Contributions

For 2009, participants may elect to contribute up to $16,500 of their compensation to the Plan. Participants who are the age of 50 or more may contribute an additional $5,500. The Company matches 15% of each participant's contribution.

Additional profit sharing amounts may be contributed by the Company on a discretionary basis. For the year ended December 31, 2009, the Company contribution is equal to 1.73% of compensation plus 1.73% of compensation which exceeds the social security tax base up to maximum compensation of $230,000. At December 31, 2009 and 2008 the Plan accrued a receivable from the Company of $112,580 and $275,146 respectively representing their discretionary contribution for 2009 and 2008, net of the amounts paid by forfeitures of $3,419 and $20,320, respectively. The accrued receivable at December 31, 2009 and 2008 for the Company's match totaled $6,030 and $8,230 respectively.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Description of plan (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching portion of their accounts and the Company's discretionary contribution plus actual earnings thereon is based on years of service as follows:

Total years of service	% Vested
1	0%
2	20%
3	40%
4	60%
5	80%
5 or more	100%

Investment options

All of the Plan's accounts are maintained by John Hancock Retirement Services (Hancock). Previously the assets were maintained by MFS Retirement Services, Inc. (MFS), a subsidiary of SunLife Retirement Services, Inc, who was purchased by Hartford. Plan assets were transferred from MFS to Hancock in November 2008. The investment options consist of a variety of Hancock-managed funds and other mutual funds. Upon enrollment in the Plan, a participant may direct their contributions into any combination of the funds available through Hancock.

Loans

Participants may borrow up to 50% of their vested account balance, subject to limitations imposed by the Internal Revenue Service (IRS). The minimum loan amount is $1,000 and the maximum is $50,000.

Payment of benefits

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or may defer distribution in accordance with the terms of the Plan agreement.

Forfeited accounts

Forfeited accounts are credited to the Company and are included as Plan assets. These funds are used to pay future Company contributions of the Plan. At December 31, 2009 and 2008 there was $36,597 and $76,712 respectively in forfeited accounts available to reduce future contributions.

2. Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment valuation

The Plan's investments in all funds are at net asset value based on quoted market values.

Investment transactions are accounted for on the trade date.

Payment of benefits

Benefits are recorded when paid.

Plan expense

Plan administrative expenses are paid by the Company.
